Faust, also called Faustus or Doctor Faustus, hero of one of the most durable legends in Western folklore and literature, the story of a German necromancer or astrologer who sells his soul to the devil in exchange for knowledge and power. There was a historical Faust, indeed perhaps two, one of whom more than once alluded to the devil as his Schwager, or crony.

### Faust | Definition of Faust at Dictionary.com

Initially, Faust does not rise to the bait presented by Mephistopheles' assistants who encode their offers in commuter-maps handed out at a Prague subway exit. Instead he accidentally calls ...

Faust, tempted by Mephistopheles, continues his journey through ancient Greek mythology and finds himself smitten with Helen of Troy.

The legend of Faust grew up in the sixteenth century, a time of transition between medieval and modern culture in Germany. Johann Wolfgang von Goethe (1749-1832) adopted the story of the wandering conjuror who accepts Mephistopheles's offer of a pact, selling his soul for the devil's greater knowledge; over a period of 60 years he produced one of the greatest dramatic and poetic masterpieces of European literature. David Luke's recent translation, specially commissioned for The World's Classics series, has all the virtues of previous classic translations of Faust, and none of their shortcomings. Cast in rhymed verse, following the original, it preserves the essence of Goethe's meaning without sacrifice to archaism or over-modern idiom. It is as near an 'equivalent' rendering of the German as has been achieved. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

A 1994 scholarly edition of a major Renaissance text linked with Marlowe's Dr Faustus.

This book is intended for m.

Explores the influence of the Faust legend on drama and film from the sixteenth century to the contemporary era.

One of the glories of Elizabethan drama: Marlowe's powerful retelling of the story of the learned German doctor who sells his soul to the devil in exchange for knowledge and power. Footnotes.

A devilish debut by a brother-sister team invites us into the world of the elite Marlowe School, where some gifted students are having a hell of a year. (Age 14 and up) One night, in cities all across Europe, five children vanish -- only to appear, years later, at an exclusive New York party with a strange and elegant governess. Rumor and mystery follow the Faust teenagers to the city's most prestigious high school, where they soar to suspicious heights with the help of their benefactor's extraordinary "gifts." But as the students claw their way up -- reading minds, erasing scenes, stopping time, stealing power, seducing with artificial beauty -- they start to suffer the sideeffects of their own addictions. And as they make further deals with the devil, they uncover secrets more shocking than their most unforgivable sins. At once chilling and wickedly satirical, this contemporary reimagining of the Faustian bargain is a compelling tale of ambition, consequences, and ultimate redemption.

Goethe fue un poeta, novelista, dramaturgo y científico alemán que ayudó a fundar el romanticismo, movimiento al que influyó profundamente. En palabras de George Eliot fue el más grande hombre de letras alemán... y el último verdadero hombre universal que caminó sobre la tierra. Su obra, que abarca géneros como la novela, la poesía lírica, el drama e incluso controvertidos tratados científicos, dejó una profunda huella en importantes escritores, compositores, pensadores y artistas posteriores, siendo incalculable en la filosofía alemana posterior y constante fuente de inspiración para todo tipo de obras."

This CliffsNotes guide includes everything you'llve come to expect from the trusted experts at CliffsNotes, including analysis of the most widely read literary works.

Johann Wolfgang von Goethe's Faust is a tragic play in two parts: Faust. Der Tragödie erster Teil translated as: Faust: The First Part of the Tragedy) and Faust. Der Tragödie zweiter Teil (Faust: The Second Part of the Tragedy). Although rarely staged in its entirety, it is the play with the largest audience numbers on German-language stages. Faust is Goethe's most famous work and considered by many to be one of the greatest works of German literature. The principal characters of Faust Part One include: Heinrich Faust, a scholar, sometimes said to be based on the real life of Johann Georg Faust, or on Jacob Bidermann's dramatized account of the Legend of the Doctor of Paris, Cenodoxus Mephistopheles, a Devil (Demon) Gretchen, Faust's love (short for Margaret; Goethe uses both forms) Marthe, Gretchen's neighbour Valentin, Gretchen's brother Wagner, Faust's famulus Faust Part One takes place in multiple settings, the first of which is heaven. Mephistopheles makes a bet with God: he says that he can lure God's favourite human being (Faust), who is striving to learn everything that can be known, away from righteous pursuits. The next scene takes place in Faust's study where Faust, despairing at the vanity of scientific, humanitarian and religious learning, turns to magic for the showering of infinite knowledge. He suspects, however, that his attempts are failing. Frustrated, he ponders suicide, but rejects it as he hears the echo of nearby Easter celebrations begin. He goes for a walk with his assistant Wagner and is followed home by a stray poodle (the term then meant a medium-to-big-size dog, similar to a sheep dog). In Faust's study, the poodle transforms into the devil (Mephistopheles). Faust makes an arrangement with the devil: the devil will do everything that Faust wants while he is here on Earth, and in exchange Faust will serve the devil in Hell. Faust's arrangement is that if he is pleased enough with anything the devil gives him that he wants to stay in that moment forever, then he will die in that moment. When the devil tells Faust to sign the pact with blood, Faust complains that the devil does not trust Faust's word of honor. In the end, Mephistopheles wins the argument and Faust signs the contract with a drop of his own blood. Faust has a few excursions and then meets Margaret (also known as Gretchen). He is attracted to her and with jewellery and help from a neighbor, Martha, the devil draws Gretchen into Faust's arms. With influence from the devil, Faust seduces Gretchen. Gretchen's mother dies from a sleeping potion, administered by Gretchen to obtain privacy so that Faust could visit her. Gretchen discovers she is pregnant. Gretchen's brother condemns Faust, challenges him and falls dead at the hands of Faust and Mephistopheles. Gretchen drowns her illegitimate child and is convicted of the murder. Faust tries to save Gretchen from death by attempting to free her from prison. Finding that she refuses to escape, Faust and the devil flee the dungeon, while voices from Heaven announce that Gretchen shall be saved - "Sie ist gerettet" - this differs from the harsher ending of Urfaust - "Sie ist gerichtet!" - "she is condemned." It was reported that members of the first-night audience familiar with the original Urfaust version cheered on hearing the amendment.
