How to enjoy a day at the races-and bet to win! The last two years have seen a record number of Americans tune in for climatic Triple Crown races featuring Smarty Jones and Funny Cide; in 2004, television viewership jumped a whopping 61 percent over the record set in 2003, and the Belmont Stakes race itself drew a record crowd of more than 120,000! This easy-to-understand guide shows first-time visitors to the track how to enjoy the sport of horse racing-and make smart bets. It explains what goes on at the track, what to look for in horses and jockeys, how to read a racing form and do simple handicapping, and how to manage betting funds and make wagers that stand a good chance of paying off. Complete with coverage of off-track and online betting, it's just what anyone needs to play the ponies-and win! Richard Eng (Las Vegas, NV) is a racing writer and handicapper for the Las Vegas

It is about making money. Seasoned players as well as those new to the game will find it easy to adapt to this system. Its author has more than two decades of experience playing the game of roulette. The book addresses the greatest single reason why most people lose while playing roulette, that is, the odds are in the house's favor. It is a strategy that's uncomplicated and easy to learn, presented in a book that is loaded with examples and illustrations. It demonstrates how to improve your odds of winning, shows how to win quickly, and more importantly how to manage your money after you become a winner. Unlike other strategies, the amount of starting cash needed to use the system is relatively small. The results you will achieve using this system will be astonishing and seem downright criminal. One of the key elements of this strategy is progressive betting while protecting your

bets as you go through steps in the progression. Can you imagine yourself winning over a thousand dollars in just three spins of the roulette wheel, and doing this with an initial investment of just thirty dollars? We will show you how to be the best possible roulette player you can be. You will thank your lucky stars for having found the strategy contained in this book. While no one can guarantee that you will win every time you enter a casino, nonetheless, having a strategy that works will determine those who will be winners most of the time. We promise, once you have read this book, you will never go back to playing roulette the same old way again.

We all dream of hitting the big one, but what are the odds? You can learn them from Mike Orkin. Orkin gives us the facts about gambling: how to calculate the odds

1 could save the day it would be Ben. He had no idea what lie ahead.... Odds on Favorite is the much-anticipated continuation to Favored to Win. Book Two of the Winning Odds Series welcomes you back to Nottingham Downs. The people are the same; the ones you loved, the ones you laughed and cried with, the horses. But things have changed. The barns are in disrepair, animal rights is at the forefront, whip use, low handle, low purses, employee unrest, high profile Thoroughbred deaths all over the world, the news media.... Ben longs for the days when horse racing was a proud profession, when going to the racetrack every morning was a treat. Back when, "It was all about the horses." Love, mystery, intrigue. Why are racetracks closing all over the country? Where do Thoroughbreds go when they leave the racetrack? What is going on with Tom? Is he for real? Dawn is shaking her
