Financial and Managerial Accounting, 4th Edition, provides students with a clear introduction to the fundamental financial and managerial concepts needed for anyone pursuing a career in accounting or business. Through a focus on accounting transactions, real-world industry examples, and robust assessment, students develop a solid understanding of how to apply accounting principles and techniques in practice. By connecting the classroom to the business world with an emphasis on decision making and key data analysis skills appropriate at the introductory level, Financial and Managerial Accounting ensures students are more engaged and better prepared for careers as professionals in the modern business world.

Managerial Accounting, 3rd Edition by Charles and Elizabeth Davis offers a modern, practical approach to teaching and learning managerial accounting based on a unique integration of concepts, practice, and business context within distinct and flexible learning units. Praised for its decision-making framework, Managerial Accounting, 3rd Edition, provides students with a better understanding of decisions made by organizations through the inclusion of a Continuing CaseStory, which puts business decisions into context and allows students to see the relevance of managerial accounting to their future careers.

Get where you need to be with CORNERSTONES OF FINANCIAL ACCOUNTING. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. CORNERSTONES aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. Get There with Cornerstones! Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Readers looking for a dynamic way to learn accounting. Redefining tradition in learning accounting. The fourth edition of "Horngren's Financial and Managerial Accounting" presents the basics of accounting in a fresh format designed to help today's learners succeed. The table of contents for the fourth edition has been significantly overhauled to provide a contemporary approach to the material. Additionally, the whole text has been put through a rigorous accuracy check, so readers can be confident that it is up-to-date and error-free.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Redefining tradition in learning accounting. Financial and Managerial Accounting, 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. Both in the print text and online in WileyPLUS with ORION new opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content, and the practice, homework, and assessments questions. Weygandt, Financial and Managerial Accounting is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts, and learn the accounting cycle from a corporate perspective. This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements. \*WileyPLUS with ORION is sold separately from the text.
