ABSITE Review 6th Edition PDF » Free Books PDF EPUB

"The sixth edition of The ABSITE Review continues to target important material found in the ABSITE with new guidelines and information on infection, trauma care, breast cancer, humeral rejection, and a number of other topics. Like previous editions, The ABSITE Review provides a quick, easy review of important surgical topics while still providing sufficient explanation, so readers do not feel lost"--

The ABSITE Review: Practice Questions, Second Edition includes over 1100 essential questions covering material found on the ABSITE. This book focuses on all aspects of general surgery and current standard of care recommendations. Topics covered include new recommendations for morbid obesity surgery, breast cancer management, hemostatic resuscitation, management of anti-platelet and anticoagulation agents, damage control surgery, surgery in pregnancy, angiography in trauma, and other pertinent issues. Chapters on basic science and surgical subspecialties are also included. All aspects of general surgery are covered and this book can be used as a sole resource for the exam.

Now in its Third Edition, The ABSITE Review is one of the most popular study guides for the American Board of Surgery In-Training Examination (ABSITE), which residents in general surgery must take each year and residents going into surgical subspecialties must take during the year of their general surgery training. This easy-to-use book presents concise, digestible chunks of information in lists and outlines that facilitate quick memorization. Every component of the exam is covered—basic science and clinical knowledge in all areas tested. This edition incorporates common decision-making algorithms and covers the material that has appeared in the most recent exams.

For surgery residents studying for their yearly in-service exam, recent graduates preparing for Surgery written boards, or those recertifying, there ’ s no better review tool than Dr. Christian DeVirgilio ’ s Review of Surgery for ABSITE and Boards, 2nd Edition. Content has been tested for a number of years on Harbor-UCLA surgical residents and has proven to significantly improve exam scores. Now thoroughly up to date with new topics, new questions, and new contributors, it fully prepares you for success on surgery exams. 957 multiple-choice, single best answer questions that closely follow the new ABSITE and board style. Proven content has been tested and shown to help you get the score you want. Correct answers and rationales are based on information found in major reference works in the field of surgery. NEW topic areas (gynecology, urology, and orthopaedics) reflect the format of the new exam. NEW section on Medical Knowledge. NEW contributors (general surgery residents) ensure that the content is relevant to the needs of general surgery trainees. NEW! Aligned with the SCORE (Surgical Council on Residency Education) Curriculum Outline for General Surgery Residents.

The ABSITE Smackdown! is the only ABSITE review book that comes with an ABSITE review video lecture series included with every copy sold,paperback or Kindle!That's right: this book is like no other available ABSITE review book. And that's because this isn't just a review book at all;it's a toolbox to help you score your very best on the ABSITE and includes MUCH more than just a book.Most ABSITE review courses cost \$595 or more,plus the plane ticket at travel time! Not this one!Every purchase of ABSITE Smackdown! comes with an included video lecture series to let you review anytime, anywhere and avoid traveling for an ABSITE review or missing out on essential content from the ABSITE Smackdown! review book. (Instructions to access online lecture series are included in every book sold whether that's a Kindle edition or paperback. This ABSITE video lecture series is included with your book at no extra cost, and requires email proof of purchase to unlock.)Created from 5 years of notes, 3 surgeons' experiences with the ABSITE, and all the classic review book content, ABSITE Smackdown! is like no other. ABSITE Smackdown! includes even more than essential ABSITE content;it shares research on ABSITE performance and tips for preparing for the test that are NOT covered in any other work!

The resident-to-resident insider's guide to ABSITE success Written by residents from top surgery programs who aced the American Board of Surgery In-Training Exam, and edited by Tao Le, author of First Aid for the USMLE Step 1 and numerous other First Aid titles, First Aid for the ABSITE covers all the must-know basic science AND clinical surgery topics in one total study package. Updated to reflect the newly reorganized ABSITE, this unique guide features high-yield information, illustrations, mnemonics, and clinical images great for initial review or last-minute cramming.

Now in its thoroughly updated Fourth Edition, General Surgery Board Review is indispensable for surgical residents and general surgeons preparing for the American Board of Surgery ’ s certification and recertification examinations. This study guide maintains the core features that have made it one of the most popular board review books in the field, including questions and answers after each chapter and succinct but detailed reviews of all topic areas found on the ABSITE and certification exam. There ’ s a new chapter on bariatric surgery and minimally invasive procedures.

Clinical Scenarios in Surgery: Decision Making and Operative Technique presents 125 cases in all areas of general surgery: GI, breast, hepatobiliary, colorectal, cardiothoracic, endocrine, vascular, trauma, pediatric, critical care, and transplant. Each full-color case begins with a patient presentation and proceeds through differential diagnosis, diagnosis and treatment, surgical procedures, postoperative management, and a case conclusion. Each case includes key technical steps, potential pitfalls, and suggested readings. The patient stories in these clinical scenarios provide context to facilitate learning the principles of safe surgical care. This book will be particularly useful for senior surgical residents and recent graduates as they prepare for the American Board of Surgery oral examination.
