Known primarily for his crime novels featuring Inspector ...

~~Jo Nesbø — Wikipedia~~

For me the best thing about Jo Nesbo's Harry Hole novels is their dark and moody Norwegian setting, so perhaps I didn't like The Bat because it's set in Sydney. A Norwegian girl is found brutally murdered, and the Australian police send for a Norwegian policeman to pacify the country's Embassy. What follows is Australia through the eyes of a damaged, t-toal, young Norwegian policeman. Ther ...

Harry Hole er i Sydney for å bistå australsk politi i etterforskningen av drapet på en ung norsk kvinne. I King's Cross, Sidneys gledeskvarter, beveger han seg blant horer og halliker, transer, klovner og pushere. Og noen aboriginere, Australias urinnvånere. I denne skyggeverdenen aner Hole etter hvert konturene av et spill hvor han ufrivillig er blitt tildelt en viktig rolle.

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø ' s New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he ' s received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he ' ll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

Dr. Proctor, Nilly, and Lisa set out to find Santa and save Christmas after the king of Norway sells the rights to the holiday to money-hungry Mr. Thrane.

Grainy CCTV footage shows a man walking into a bank and putting a gun to a cashier's head. He tells her to count to twenty-five. When he doesn't get his money in time, she is executed. Detective Harry Hole is assigned to the case. While Harry's girlfriend is away in Russia, an old flame gets in touch. He goes to dinner at her house and wakes up at home with no memory of the past twelve hours. The same morning the girl is found shot dead in her bed. Harry begins to receive threatening e-mails. Is someone trying to frame him for this unexplained

Access Free Flaggermusmannen Jo Nesbo

death? Meanwhile the bank robberies continue with unparalleled savagery. Gripping and surprising, *Nemesis* is the new thriller by one of the biggest stars of Scandinavian crime fiction.

With *Headhunters*, Jo Nesbø has crafted a funny, dark, and twisted caper story worthy of Quentin Tarantino and the Coen brothers. **FIRST TIME PUBLISHED IN THE U.S. NOW A MAJOR MOTION PICTURE FROM MAGNOLIA PICTURES.** Roger Brown is a corporate headhunter, and he's a master of his profession. But one career simply can't support his luxurious lifestyle and his wife's fledgling art gallery. At an art opening one night he meets Clas Greve, who is not only the perfect candidate for a major CEO job, but also, perhaps, the answer to his financial woes: Greve just so happens to mention that he owns a priceless Peter Paul Rubens painting that's been lost since World War II—and Roger Brown just so happens to dabble in art theft. But when he breaks into Greve's apartment, he finds more than just the painting. And Clas Greve may turn out to be the worst thing that's ever happened to Roger Brown. **BONUS MATERIAL:** This edition includes an excerpt from Jo Nesbø's *The Redeemer*.

A tense and atmospheric standalone thriller about two brothers, one small town, and a lifetime of dark secrets, from bestselling author Jo Nesbø “ I read *The Kingdom* and couldn't put it down ... Suspenseful ... Original ... This one is special in every way. ” —Stephen King **A KIRKUS REVIEWS BEST MYSTERY AND THRILLER OF THE YEAR** Roy and Carl, brothers from a small mountain town, have spent their whole lives hiding from the darkness in their pasts—Roy by staying put and staying quiet, and Carl by running far away. Roy believed his little brother was gone for good. But Carl has big plans for his hometown. And when he returns with a mysterious new wife and a business opportunity that seems too good to be true, simmering tensions begin to surface and unexplained deaths in the town's past come under new scrutiny. Soon powerful players set their sights on taking the brothers down by exposing their role in the town's sordid history. But Roy and Carl are survivors, and no strangers to violence. As the town's long-buried past begins to surface, Roy will be forced to choose between his own flesh and blood and a future he had never dared to believe possible.

Brilliant, audaciously rogue police officer, Harry Hole from *The Snowman* and *The Thirst*, is back and in the throes of a new, unanticipated rage--once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel--the only woman he's ever loved--has ended it with him, permanently. He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison--free, and Harry is certain, unreformed and ready to take up where he left off. But things will get worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented “fixer” for one of Oslo’s most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-crisis narrator with a storyteller’s hypnotic knack for fantasy. He has an “innate talent for subordination” but running through his veins is a “virus” born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . .
