Norwegian: A Comprehensive Grammar is a complete reference guide to modern Norwegian (the Bokmål standard). The Grammar is an essential source for the serious student of Norwegian, and for students of comparative linguistics. It is ideal for use in colleges, universities and adult classes of all types. The volume is organised to promote a thorough understanding of Norwegian grammar. It presents the complexities of Norwegian in a concise and readable form. Explanations are full, clear and free of jargon. Throughout, the emphasis is on Norwegian as used by present-day native speakers. An extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require.

For more than forty years, the Haugen Norwegian–English Dictionary has been regarded as the foremost resource for both learners and professionals using English and Norwegian. With more than 60,000 entries, it is esteemed for its breadth, its copious grammatical detail, and its rich idiomatic examples. In his introduction, Einar Haugen, a revered scholar and teacher of Norwegian to English speakers, provides a concise overview of the history of the language, presents the pronunciation of contemporary Norwegian, and introduces basic grammatical structures, including the inflection of nouns and adjectives and the declension of verbs.

Multi Linguis offers you a frequency-thematic learner's dictionary of the Bokmål Norwegian language. It includes up to 3000 essential words and phrases belonging to the levels from Beginner to Elementary (A1 - A2 CEFR). The entries are divided into 150 vocabulary themes as well as 2 learning steps. They are arranged by themes, not by the alphabet. The book is intended to help you try out and learn this language but can also be applied for translating or entertaining.
