FSOT Practice Questions are the simplest way to prepare for the FSOT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our FSOT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our FSOT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Career Diplomacy—now in its second edition—is an insider's guide that examines the foreign service as an institution, a profession, and a career. Harry W. Kopp and Charles A. Gillespie, both of whom had long and distinguished careers in the foreign service, provide a full and well-rounded picture of the organization, its place in history, its strengths and weaknesses, and its role in American foreign affairs. Based on their own experiences and through interviews with over 100 current and former foreign service officers and specialists, the authors lay out what to expect in a foreign service career, from the entrance exam through midcareer and into the senior service—how the service works on paper, and in practice. The second edition addresses major changes that have occurred since 2007: the controversial effort to build an expeditionary foreign service to lead the work of stabilization and reconstruction in fragile states; deepening cooperation with the U.S. military and the changing role of the service in Iraq and Afghanistan; the ongoing surge in foreign service recruitment and hiring at the Department of State and U.S. Agency for International Development; and the growing integration of USAID's budget and mission with those of the Department of State.

With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready for the FSOT written exam. You don't want to waste time - and money! - having to study all over again because your score was too low to be accepted. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the Foreign Service Officer Test, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the FSOT...and they get a variety of results. Trivium Test Preps FSOT Study Guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the FSOT exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our FSOT study guide, you get a fast and easy review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; FSOT practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.
