to rediscover love in a marriage brought low by the challenges of domestic togetherness...touching, perceptive, and achingly honest.”
—Beatriz Williams, New York Times bestselling author
When Lauren and Ryan’s marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren’s ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It’s about staying in love, seizing love, forsaking love, and committing to love with everything you’ve got. And above all, After I Do is the story of a couple caught up in an old game—and searching for a new road to happily ever after.

From the New York Times bestselling author of The Seven Husbands of Evelyn Hugo A People Magazine Pick * US Weekly “Must” Pick * Named “Best Book of the Summer” by Glamour * Good Housekeeping * USA TODAY * Cosmopolitan * PopSugar * Working Mother * Bustle * Goodreads A breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame; in alternating chapters, we see two possible scenarios unfold—with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby’s guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend, Ethan. Just after midnight, Gabby asks Hannah if she’s ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale consequences for Hannah, as well as the people around her. As the two alternate realities run their course, Maybe in Another Life raises questions about fate and true love: Is anything meant to be? How much in our life is determined by chance? And perhaps, most compellingly: Is there such a thing as a soul mate? Hannah believes there is. And, in both worlds, she believes she’s found him.

It's the day of Nina Riva's annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the brother from whom he's been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can't stop thinking about promised she'll be there. morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family's generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind.

In this powerful novel about the cost of greatness, a legendary athlete attempts a comeback when the world considers her past her prime--from the New York Times bestselling author of *Malibu Rising*. Carrie Soto is fierce, and her determination to win at any cost has not made her popular. But by the time she retires from tennis, she is the best player the world has ever seen. She has shattered every record and claimed twenty Grand Slam titles. And if you ask Carrie, she is entitled to every one. She sacrificed nearly everything to become the best, with her father, Javier, as her coach. A former champion himself, Javier has trained her since the age of two. But six years after her retirement, Carrie finds herself sitting in the stands of the 1994 US Open, watching her record be taken from her by a brutal, stunning player named Nicki Chan. At thirty-seven years old, Carrie makes the monumental decision to come out of retirement and be coached by her father for one last year in an attempt to reclaim her record. Even if the sports media says that they never liked the "Battle-Axe" anyway. Even if her body doesn't move as fast as it did. And even if it means swallowing her pride to train with a man she once almost opened her heart to: Bowe Huntley. Like her, he has something to prove before he gives up the game forever. In spite of it all, Carrie Soto is back, for one epic final season. In this riveting and unforgettable novel, Taylor Jenkins Reid tells her most vulnerable, emotional story yet.

If you could repeat one year of your life, what would you do differently? This heartwarming and hilarious novel from the authors of *The Status of All Things* and *Your Perfect Life* features three best friends who get the chance to return to the year they turned forty--the year that altered all of their lives, in ways big and small--and also get the opportunity to change their future. Jessie loves her son Lucas more than anything, but it tears her up inside that he was conceived in an affair that ended her marriage to a man she still loves, a man who just told her he's getting remarried. This time around, she's determined to bury the secret of Lucas' paternity, and to repair the fissures that sent her wandering the first time. Gabriela regrets that she wasted her most fertile years in hot pursuit of a publishing career. Yes, she's one of the biggest authors in the world, but maybe what she really wanted to create was a family. With a chance to do it again, she's focused on convincing her husband, Colin, to give her the baby she desires. Claire is the only one who has made peace with her past: her twenty-two year old daughter, Emily, is finally on track after the turmoil of adolescence, and she's recently gotten engaged,

with the two carat diamond on her finger to prove it. But if she's being honest, Claire still fantasizes about her own missed opportunities: a chance to bond with her mother before it was too late, and the possibility of preventing her daughter from years of anguish. Plus, there's the man who got away—the man who may have been her one true love. But it doesn't take long for all three women to learn that re-living a life and making different decisions only leads to new problems and consequences—and that the mistakes they made may, in fact, have been the best choices of all...
