In a coffee cup reading, the psychic advisor interprets the residual coffee grounds in the cup and on the saucer. This is possible because Turkish coffee leaves a thick, muddy remainder at the bottom of the cup. After the client is finished drinking, the reader swirls the cup, makes a prayer, and turns it upside down on the saucer.

So far she has pin pointed changes in my life with great accuracy. At first I was skeptical but 6 months after my first reading I sat back and thought, Wow! Lana told me this would happen. Her kind, calming nature allows you to feel at ease with her readings. I look forward to getting coffee cup readings by Lana especially when I feel torn between two decisions in my life. Thank you Lana x" Stephanie. L, Quakers Hill NSW "Lana has been superb with reading my coffee cups. She has been amazingly exact various times and she is highly skilled and trusts the angels, divine guidance as well as her own gut instincts. Thank you Lana for bringing me such hope, joy and helping me trust my angels more." Mila, Castle Hill NSW "Lana has read many a coffee cup for me and they have always been really accurate. She always tells you what's there, not what she thinks you want to hear, which is awesome!"

Reading tea leaves is a traditional divinatory method passed on through generations. The Cup of Destiny reveals the secrets of this ancient method, allowing you to make predictions for yourself and your friends. This kit includes a beautiful, decorated cup and saucer for making readings, and an illustrated book explaining how to interpret the patterns you will find in your cup. The first part of the book describes the ritual of turning the cup counter-clockwise and draining the left-over tea into the saucer. It goes on to explain the meanings of over 200 of the signs and symbols you are likely to see in the leaves when making a reading. The explanations accompanying these allow you to relate them to real events and future possibilities, providing clear insights which can be startlingly accurate: a heart near the rim of the cup means that love is not far away, while a cake may signify a celebration or a party. So, have a cup of tea and see what the leaves have to say about your future!

"Tasseography: Reading coffee grounds and Tea leaf " is Nik W. D. Goodman's second work in his book series "Magic for Beginners - Grimoire de Diamant Blanc". Two very common methods of fortune-telling are reading coffee grounds or tea leaves. People have always been fascinated by the idea of making predictions and prognoses for the future. And tasseography is a relatively easy method to learn. Goodman describes in his book very practice-oriented and descriptive with many pictures the correct preparation of a Mocha to the coffee grounds reading and step by step, how this is interpreted. What do you have to bear in mind during the reading? Which position of the symbols gives you information about what? How do you prepare yourself mentally? You will find exciting and well-founded answers to all these questions in this book. And the very comprehensive Lexicon with over 700 symbols makes "TASSEOGRAPHY: Coffee Ground and Tea Leaf Fortune Telling" a comprehensive basic work about a fascinating segment of fortune-telling. Written by Nik W. D. Goodman
