Wellie boots in drama. They can't help but wonder: What would Jo March do?

A raw and affecting memoir about a mother and daughter who beat the odds together. Perdita Felicien's story is woven into her mother's like an intricate braid. To understand Perdita's story, you must know Catherine's. Catherine is larger than life. At seventeen years old, she is determined and tenacious, and longing to experience a better life. But she is also pregnant with her second child, and just scraping by in St. Lucia by selling homemade jewellery on the beach. So when she meets a wealthy white Canadian family vacationing on the island, she knows she's found her chance. After babysitting the couple's infant son for two weeks, she asks them to bring her to Canada and employ her as a nanny. Somehow, they agree. This was the beginning of Catherine's new life: a life of great opportunity, but also profound suffering. Within a few years, she would find herself pregnant a third time--this time in a new country, Canada, with no family supporting her, and this time, with Perdita. Together, in the years to come, they would experience poverty, racism, domestic abuse and even homelessness, but Catherine's will would always pull them through. As Perdita grew and began to discover her preternatural gifts--athleticism at what would one day prove to be an Olympic level--she was edged onward by her mother's love, grit and faith. Facing literal and figurative hurdles, she learned to leap, and pick herself back up when she stumbled. Beautifully written and deeply absorbing, *Gold Mettle* is a daughter's memoir--a book about the power of a parent's love to transform their child's life.

The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the year she and her mother, Helen, spent working through, and triumphing over, a lifetime of unresolved emotions. Dreaming of a "year in Provence" with her mother, Katie urges Helen to move to San Francisco to live with her and Zoë, Katie's teenage daughter. Katie and Zoë had become a mother-daughter team, strong enough, Katie thought, to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends, and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How these three women from such different generations learn to navigate their challenging, turbulent, and ultimately healing journey together makes for riveting reading. By turns heartbreaking and funny—and always insightful—Katie Hafner's brave and loving book answers questions about the universal truths of family that are central to the lives of so many. Praise for *Mother Daughter Me* "The most raw, honest and engaging memoir I've read in a long time." —KJ Dell'Antonia, *The New York Times* "A brilliant, funny, poignant, and wrenching story of three generations under one roof, unlike anything I have ever read." —Abraham Verghese, author of *Cutting for Stone* "Weaving past with present, anecdote with analysis, [Katie] Hafner's riveting account of multigenerational living and mother-daughter frictions, of love and forgiveness, is devoid of self-pity and unafraid of self-blame. . . . [Hafner is] a bright—and appealing—heroine." —Cathi Hanauer, *Elle* "[A] frank and searching account . . . Currents of grief, guilt, longing and forgiveness flow through the compelling narrative." —Steven Winn, *San Francisco Chronicle* "A touching saga that shines . . . We see how years-old unresolved emotions manifest." —Lindsay Deutsch, *USA Today* "[Hafner's] memoir shines a light on nurturing deficits repeated through generations and will lead many readers to relive their own struggles with forgiveness." —Erica Jong, *People* "An unusually graceful story, one that balances honesty and tact . . . Hafner narrates the events so adeptly that they feel enlightening." —Harper's "Heartbreakingly honest, yet not without hope and flashes of wry humor." —Kirkus Reviews "[An] emotionally raw memoir examining the delicate, inevitable shift from dependence to independence and back again." —O: *The Oprah Magazine* (Ten Titles to Pick Up Now) "Scrap any romantic ideas about what goes on when a 40-something woman invites her mother to live with her and her teenage daughter for a year. As Hafner hilariously and touchingly tells it, being the center of a family sandwich is, well, complicated." —Parade

The perfect gift to honor any mom, this mini edition of NYT bestselling author Greg Lang's classic, *Why a Daughter Needs a Mom* will be the perfect gift for a girl's most trusted friend.

A heartwarming memoir of a family that refused to give up When twenty-two-year-old Susan Stachler was diagnosed with cancer, her mother, Laura, was struck by *déjà vu*: the same illness that took her sister's life was threatening to take her daughter's too. Heartbroken but steadfast, Laura pledged to help Susan through the worst of her treatments. When they discovered that Laura's homemade ginger cookies soothed the side effects of Susan's chemo, the mother-daughter duo soon found themselves opening *Susansnaps* and sharing their gourmet gingersnaps with the world. Told with admirable grace and infinite hope, *The Cookie Cure* is about more than baked goods and cancer—it's about fighting for your life and for your dreams.

Entering seventh grade at Walden Middle School, four girls continue their mother-daughter book club, reading Lucy Maud Montgomery's "*Anne of Green Gables*," while dealing with a mean, troublemaking classmate.
