**Manual** Overview Genie goes back a long ways. Their series and model numbering is confusing. Probably because over the decades things change. I know there are quite a few missing manuals. I'd guess only 50% are covered here. So please, if you have a manual not included here please contact me. I would love to make this list as complete as possible.

opener and remote controls.  
Unlike their Intellicode  
system, which you can  
program with a press of a  
button, the remotes and the  
door opener dip switches  
must match in order for the  
remotes to work correctly.
