Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the

consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From

Another remarkable collection of poetry from one of America's masters of the medium. The first part gathers together poems of love and nostalgic memory, while Part II portrays confrontations inherent in a racist society.

In this third self-contained volume of her autobiography, which began with *I Know Why the Caged Bird Sings*, Maya Angelou moves into the adult world, and the white world as well, as she marries, enters show business, and tours Europe and Africa in *Porgy and Bess*. As the book

opens, Maya, in order to support herself and her young son, gets a job in a record shop run by a white woman. Suspicious of almost any kindness shown her, she is particularly confused by the special attentions of a young white customer. Soon the relationship grows into love and then marriage, and Maya believes a permanent relationship is finally possible. But it is not to be, and she is again forced to look for work. This time she finds a job as a dancer in a sleazy San Francisco bar. Her remarkable talent, however, soon brings her attention of a different kind, and before long she is

story. The excitement of the journey—full of camaraderie, love affairs, and memorable personalities—is dampened only by Maya's nagging guilt that she has once again abandoned the person she loves most in life, her son. Back home, and driven close to suicide by her guilt and concern, she takes her son with her to Hawaii, where she discovers that devotion and love, in spite of forced absence, have the power to heal and sustain. As always, Maya Angelou's writing is charged with that remarkable sense of life and love and unique celebration of the human condition that have won her such a loyal

Maya Angelou has fascinated, moved, and inspired countless readers with the first three volumes of her autobiography, one of the most remarkable personal narratives of our age. Now, in her fourth volume, *The Heart of a Woman*, her turbulent life breaks wide open with joy as the singer-dancer enters the razzle-dazzle of fabulous New York City. There, at the Harlem Writers Guild, her love for writing blazes anew. Her compassion and commitment lead her to respond to the
