Grey Sister, Second Book of the Ancestor, falls under the heading "international bestselling fantasy titles", also known as bloody good reads. These books alter the levels of chemicals in the brain to relieve symptoms of boredom, restlessness, gloominess, melancholia and dispiritedness.

[Grey Sister \(Book of the Ancestor, #2\) by Mark Lawrence](#)

Grey sister is the second book in the Book of the Ancestor trilogy. If you haven't read the first book, Red Sister, I highly recommend you read that first as it's an ongoing series with an overarching story, and so far a very good one. Sort of like a coming of age, dystopian Harry Potter is the best way I can describe the series.

Grey Sister by the incomparable Mark Lawrence is the incredible, and a bit darker, sophomore installment in his Book of the Ancestor series. It's a story of intrigue and sacrifice, filled with tension that drips from every page. The world he has created continues to be carefully curated and becomes more enthralling as the tale of Nona progresses.

The second novel in a brilliant fantasy trilogy from the international bestselling author of Prince of Thorns. Behind its walls, the Convent of Sweet Mercy has trained young girls to hone their skills for centuries. In Mystic Class, Novice Nona Grey has begun to learn the secrets of the universe. But so often even the deepest truths just make our choices harder. Before she leaves the convent, Nona must choose which order to dedicate herself to--and whether her path will lead to a life of prayer and service or one of the blade and the fist. All that stands between her and these choices are the pride of a thwarted assassin, the designs of a would-be empress wielding the Inquisition like a knife, and the vengeance of the empire's richest lord. As the world narrows around her, and her enemies attack her through the system she is sworn to, Nona must find her own path despite the competing pulls of friendship, revenge, ambition, and loyalty. And in all this only one thing is certain: there will be blood.

Entering a convent at nine years old to be trained for combat, Nona begins learning the ways of blade and fist. But when her violent past is revealed, she finds herself at the center of a battle for a crumbling empire in a dying universe.

The searing conclusion of the thrilling epic fantasy trilogy that saw a young girl trained by an arcane order of nuns grow into the fiercest of warriors... They came against her as a child. Now they face the woman. The ice is advancing, the Corridor narrowing, and the empire is under siege from the Scithrowl in the east and the Durns in the west. Everywhere, the emperor's armies are in retreat. Nona Grey faces the final challenges that must be overcome if she is to become a full sister in the order of her choice. But it seems unlikely that she and her friends will have time to earn a nun's habit before war is on their doorstep. Even a warrior like Nona cannot hope to turn the tide of war. The shiphearts offer strength that she might use to protect those she loves, but it's a power that corrupts. A final battle is coming in which she will be torn between friends, unable to save them all. A battle in which her own demons will try to unmake her. A battle in which hearts will be broken, lovers lost, thrones burned.

In some children, the old blood shows, giving them strength, speed, and mystical power. In the cities of Abeth's Corridor, such children are prized. But on the vast ice plains of Abeth, those traits lead children to burn bright and die young, and the discipline of the priests is harsh. Any child who shows signs of the old races is cast into the Pit of the Missing, never to be seen again. Yaz is only sixteen, but she feels a burgeoning gift and she knows the next gathering will be her last--the priests see everything, and her aberrance will not be tolerated. But then she is spared and her brother is identified as one of the broken and cast down into the pit. Stunned, awash with guilt and grief, she flings herself in after him. She expects to find death. Instead she finds a sprawling, secret civilization, where survival is even less assured than on the ice plains. And she soon realizes that this underground empire revolves around a great truth--and an even greater evil--that puts all of Abeth in danger.

BOOK ONE IN THE BROKEN EMPIRE TRILOGY "Prince of Thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing, Medieval Fantasy Trilogy, entirely on its head."--Locus When he was nine, he watched as his mother and brother were killed before him. By the time he was thirteen, he was the leader of a band of bloodthirsty thugs. By fifteen, he intends to be king... It's time for Prince Honourous Jorg Ancrath to return to the castle he turned his back on, to take what's rightfully his. Since the day he hung pinned on the thorns of a briar patch and watched Count Renar's men slaughter his mother and young brother, Jorg has been driven to vent his rage. Life and death are no more than a game to him--and he has nothing left to lose. But treachery awaits him in his father's castle. Treachery and dark magic. No matter how fierce his will, can one young man conquer enemies with power beyond his imagining?

Print run 30,000.

First in a brand new series from the author of The Broken Empire Trilogy. The Red Queen is old but the kings of the Broken Empire dread her like no other. For all her reign she has fought the long war, contested in secret, against the powers that stand behind nations, for higher stakes than land or gold. Her greatest weapon is The Silent Sister--unseen by most and unspoken of by all. The Red Queen's grandson, Prince Jalan Kendeth--drinker, gambler, seducer of women--is one who can see The Silent Sister. Tenth in line for the throne and content with his role as a minor royal, he pretends that the hideous crone is not there. But war is coming. Witnesses claim an undead army is on the march, and the Red Queen has called on her family to defend the realm. Jal thinks it's all a rumor--nothing that will affect him. But he is wrong?

To rescue his family, Snorri Ver Snagason must face the horrors of hell, while Jalan Kendeth, determined to return to his idle sleep, desperately tries to get his hands on Loki's Key, which is his ticket back into the living world.
