Rivers covered include Cashe, Des Plaines, Embarras, Fox, Galena, Mackinaw, Middle Fork, and Spoon. This is the ultimate guide for canoe or kayak enthusiasts of all abilities.

A guide to the literature and sources of Illinois history. It includes descriptions of both primary and secondary sources. The first part of the book consists of bibliographical essays that focus on particular periods and topics in Illinois history. The second part includes 12 reports on the principal archival and manuscript repositories for documentation in the field of Illinois history. A final chapter surveys Illinois-related collections in the Library of Congress and the National Archives. Reference & Research Book News John Hoffmann's volume is the first comprehensive guide to the literature and sources of Illinois history. It includes full and careful descriptions of both primary and secondary sources. The first part of the book consists of bibliographical essays that focus on particular periods and topics in Illinois history. Eight chapters are devoted to specific areas, from 1673 to the present, while six chapters are thematic in nature, covering, for instance, the religious and educational history of the state, the voluminous literature on Chicago, and the subject of Abraham Lincoln in Illinois. These essays are preceded by introductory remarks on historical surveys, reference books, and periodicals in the field, studies of such topics as the medical and legal history of the state, and publications relating to maps and newspapers of Illinois. This long overdue guide will bring together the vast accumulation of primary and secondary materials that defines Illinois history. The nature and scope of this guide is unmatched by any previous work. The second part includes twelve reports on the principal archival and manuscript repositories for documentation in the field of Illinois history. This section provides detailed information on specific collections within the context of related sources on particular periods and topics. A final chapter surveys Illinois-related collections in the Library of Congress and the National Archives. As part of the series Reference Guides to State History and Research, this book provides a valuable resource for researchers, students, genealogists, and the interested public, and is an appropriate selection for reference collections in American, regional, or Illinois history.

Following the success of their previous collaborations, Illinois Hiking and Backpacking Trails, Revised Edition and A Guide to Mountain Bike Trails in Illinois, Walter and George Zyznieuski offer this concise and handy resource for all outdoor enthusiasts interested in the outstanding nature centers and interpretive trails throughout Illinois. The 135 sites detailed in this illustrated guide are located in municipal and county parks, forest preserves, state parks, wildlife refuges, and the Shawnee National Forest. Sites range from the Apple River Canyon State Park in northwest Illinois to the Cache River State Natural Area in southern Illinois. This guide will assist individuals and groups in successfully planning visits to these areas by clearly identifying trails that are fairly short and well suited for families and those nature centers that provide hands-on experiences viewing wildlife and nature exhibits and participating in a nature program or activity. Also, those trails that are accessible to families with strollers, individuals with disabilities, and the elderly are identified with symbols and described throughout the book. Detailed descriptions of each center and trail are included along with directions, some maps and photographs, hours of operation, and contact information, including web sites, where available. Sixty-seven nature centers and interpretive trails are featured for northern Illinois, including Chicago Botanic Garden, Spring Valley Nature Sanctuary and Volkening Heritage Farm, The Morton Arboretum, the Chicago Portage National Historic Site, and the Black Hawk State Historic Site. For those interested in central Illinois, forty-one nature centers and trails are listed, including Kickapoo Creek Park, Chautauqua National Wildlife Refuge, Valentine Park, Salt Fork River Forest Preserve, Merwin Nature Preserve, Forest Park Nature Center and Adams Wildlife Sanctuary. Twenty-seven nature centers and trails are described for southern Illinois. Among these are Lusk Creek Canyon, Giant City State Park, Cache River State Natural Area, Ferne Clyffe State Park, Rim Rock, and Crab Orchard National Wildlife Refuge.

This useful resource provides basic information about Islamic life in the United States. Coverage includes population statistics and analysis, as well as immigration information that tracks the settlement of Islamic people in the America. The guide contains contact information for mosques, community organizations, schools, women's groups, media, and student groups. Recent Islamic-American events over the past five years are also reviewed. To see the Introduction, the table of contents, a generous selection of sample pages, and more, visit the The North American Muslim Resource Guide website.

From Chicago's magnificent lakefront to the mountain trails of the Shawnee National Forest, no state has more varied terrain for the cyclist than Illinois. Large, full-detail maps guide you confidently on city streets or prairie back roads, and concise, entertaining trail descriptions make your bicycle adventure come alive. Includes 60 rides for cyclists of all ability levels, tips on where to find water, snacks, lodging, repairs, fascinating notes that help you appreciate the nature and history along the trail, and much more.

Complete Guide to Federal and State Garnishment provides much-needed clarity when the federal and state laws appear to conflict. You'll find plain-English explanations of the laws and how they interact, as well as the specific steps you and your staff need to take to respond to the order properly. Numerous detailed examples and mathematical calculations make it easy to apply the law under different scenarios. Written by Amorette Nelson Bryant, who was recently appointed by the Uniform Law Commission as an observer for the Drafting Committee on a Wage Garnishment Act and was a past chair of both the APA GATF Child Support Subcommittee and Garnishment Subcommittee, Complete Guide to Federal and State Garnishment brings the payroll professional up-to-date on the latest federal and state laws and regulations affecting this ever-changing area. It is your one-stop source for answers to critical questions, such as: Does the amount exempt from garnishment change when the minimum wage goes up? How do I determine the wages to which the garnishment applies? If an employee is subject to more than one garnishment, which has priority? Which state's rules do I use when I receive a child support order sent from another state? State or federal law - which applies for creditor garnishment and support? Are there alternatives to remitting withheld child support via EFT/EDI? How do I handle garnishments when employees are paid a draw against salary? Previous Edition: Complete Guide to Federal and State Garnishment, 2019 Edition, ISBN 9781454899921

This book navigates the numerous American and Canadian cartographic resources available in print, and online, offering information on how to locate and access the large variety of resources. Cartographic materials are highlighted and summarized, along with lists of map libraries and geospatial centers, and related professional associations.
