A memoir of an interracial gay couple bringing eighty acres back to life in 1960s Southern Mississippi: "This is no ordinary back-to-the-land book" (Sue Hubbell). In 1968, when Don G. Schueler and Willie Brown bought eighty acres in Mississippi, all they could afford was a piece of "least worst land"—a parcel that had been logged, burned, and ravaged, about twenty-five miles from the Gulf Coast. Moonshiners and poachers tried to scare them off, but the two stuck it out, restoring "The Place," bringing back the flora and fauna, until they had created a handmade wilderness containing every ecosystem found in the region. This is the true story of their amazing journey. "Schueler and his partner purchased a bruised parcel of rural land, their goal to restore it to an ecologically balanced habitat for indigenous plant species and wildlife. Though his thoroughly engaging chronicle posits the dicey situation of a white man and a black man making a home in rural Mississippi in 1968, Schueler's account is replete with amusing anecdotes that illuminate a quarter-century of interactions with neighbors vastly different from themselves and the conscientious caretaking efforts they expended. The saga embraces hurricane Camille's destruction of a newly completed section of their house, and the fortitude that led them to build again, and the acquiring of a bevy of animals in the bargain." —Booklist

When Sanae Ishida was diagnosed with a chronic illness and lost her corporate job, she felt like her whole life was falling apart. Inspired to succeed at just one thing, Ishida vowed to sew all of her daughter's clothes—and most of her own—for one full year. In Sewing Happiness, Ishida recounts her incredible journey, reflecting on how sewing helped her survive such a difficult time in her life. Sewing Happiness features twenty simple sewing projects (with variations) organized by season and tied together with a thread of memoir that tells the story of Ishida's unexpected transformation and how sewing brought her profound happiness. Each seasonal project—from Japanese-inspired home goods to children's and women's clothing—is specially designed to promote health, creativity, and relationships and to provide gentle inspiration to live your best life. Complete with photos and easy-to-follow steps, Sewing Happiness is at once a guide to the craft of sewing and a guide to enjoying life in all its beautiful imperfections.
