Let The Right One In by John Ajvide Lindqvist - book talk with Ryan O'Reilly BOOK REVIEW: Little Star Harbor John Ajvide Lindqvist

Harbor by John Ajvide Lindqvist is an intriguing horror mystery that will pull you in right from the opening. I wouldn't quite call it flat out scary, more unsettling and atmospheric than anything for me. Honestly, I'm not sure if any novel from this author will ever top my love of Let the Right One In as it set the bar so incredibly high. Oddly enough, I had the movie The Lighthouse (2019) in ...

Harbor by John Ajvide Lindqvist - Goodreads

John Ajvide Lindqvist is the author of Let the Right One In and Handling the Undead. Let The Right One In, his debut novel, was an instant bestseller in Sweden and was named Best Novel in Translation 2005 in Norway. The Swedish film adaptation, directed by Tomas Alfredsson, has won top honors at film festivals all over the globe, including Best Narrative Feature at the Tribeca Film Festival ...

Harbor: Amazon.co.uk: Lindqvist, John Ajvide ...

Nooo, what has happened to John Ajvide Lindqvist? I've not read all his novels but thoroughly enjoyed both Let the Right One In, and Little Star. They were edgy, unusual, flowed well and, most importantly of all, were page-turning. Harbour, on the other hand, has none of those ingredients and I gave up by page 87.

Harbor: Lindqvist, John Ajvide: Amazon.sg: Books

The author of one of the scariest vampire novels to have come out in years, *Let Me In* (2007) (film version *Let the Right One In*), Lindqvist drifts squarely into Stephen King territory with his latest—which, it seems, is a bit of a roman à clef, reflecting the author's childhood in a Stockholm housing development on the edge of the city.

HARBOR | Kirkus Reviews

John Ajvide Lindqvist is one of my favorite writers. He crafts wonderful, complex horror novels and I've never read anything else quite like his work. I've seen many disappointed with this book but I really connected to the characters and I really adored the narrative.

Amazon.com: Harbor (Audible Audio Edition): John Ajvide ...

John Ajvide Lindqvist has taken the horror world by storm. His first novel, *Let the Right One In*, has been made into critically acclaimed films in both Sweden and in the U.S (as *Let Me In*). His second novel, *Handling the Undead*, is beloved by horror lovers everywhere. Now, with *Harbor*, a stunning and chilling masterpiece, Lindqvist firmly cements his place as the heir apparent to Stephen King.

Harbor en Apple Books

This is a delightfully creepy Scandanavian tale. But unlike many of the other Scandanavian writers who write thrillers or mysteries, John Ajvide Lindqvist writes supernatural stories. Harbour starts out with a family going for a little mid-winter picnic to the lighthouse, and the 8 year old daughter disappears into thin air.

Harbor by John Ajvide Lindqvist | Audiobook | Audible.com

Harbor by John Ajvide Lindqvist Thomas Dunne Books, 512 pp. CLR [rating:3] A Place Where Nobody Goes: John Ajvide Lindqvist's Oceanic Horror. Swedish writer John Ajvide Lindqvist has made more than a slight impression on horror fans, beginning with his fresh look at the modern vampire narrative in his (2004) novel *Let the Right One In*. In his third novel, *Harbor*, Lindqvist's subject is ...

John Ajvide Lindqvist has taken the horror world by storm. His first novel, *Let the Right One In*, has been made into critically acclaimed films in both Sweden and in the U.S (as *Let Me In*). His second novel, *Handling the Undead*, is beloved by horror lovers everywhere.

John Ajvide Lindqvist has taken the horror world by storm. His first novel, *Let the Right One In*, has been made into critically acclaimed films in both Sweden and in the U.S (as *Let Me In*). His second novel, *Handling the Undead*, is beloved by horror lovers everywhere. Now, with *Harbor*, a stunning and chilling masterpiece, Lindqvist firmly cements his place as the heir apparent to Stephen King. One ordinary winter afternoon on a snowy island, Anders and Cecilia take their six-year-old daughter Maja across the ice to visit the lighthouse in the middle of the frozen channel. While they are exploring the lighthouse, Maja disappears — either into thin air or under thin ice -- leaving not even a footprint in the snow. Two years later, Anders, a broken man, moves back to his family's abandoned home on the island. He soon realizes that Maja's disappearance is only one of many strange occurrences, and that his fellow islanders, including his own grandmother, know a lot more than they're telling. As he digs deeper, Anders begins to unearth a dark and deadly secret at the heart of this small, seemingly placid town. As he did with *Let the Right One In* and *Handling the Undead*, John Ajvide Lindqvist serves up a blockbuster cocktail of high-tension suspense in a narrative that barely pauses for breath.

On a winter trip home to the island of Domarö, Anders and Cecilia take their six-year-old daughter Maja across the ice to visit the lighthouse at Gåvasten. And Maja disappears. Leaving not even a footprint in the snow. Two years later, alone and more or less permanently drunk, Anders returns to Domarö to confront his despair. He slowly realises that Maja's disappearance is not the first inexplicable tragedy to strike the islanders. Nor is everyone telling him all they know; even his own grandmother, it seems, is keeping secrets. And what is it about the sea? There's something very bad happening on Domarö. Something that involves the sea itself. John Ajvide Lindqvist serves up a masterful cocktail of suspense laced with bizarre humour and a narrative that barely pauses for breath. Harbour is also a heartbreaking study of loss and guilt: a novel whose epic climax pits the infinite force of nature against the implacable love of a father for his child.

They only stopped watching her for a matter of minutes. That was all it took. 'This is a third consecutive masterpiece from an author who deserves to be as much a household name as Stephen King' - SFX Magazine It was a beautiful winter's day. Anders, his wife and their feisty six-year-old, Maja, set out across the ice of the Swedish archipelago to visit the lighthouse on Gavasten. There was no one around, so they let her go on ahead. And she disappeared, seemingly into thin air, and was never found. Two years later, Anders is a broken alcoholic, his life ruined. He returns to the archipelago, the home of his childhood and his family. But all he finds are Maja's toys and through the haze of memory, loss and alcohol, he realizes that someone - or something - is trying to communicate with him. Soon enough, his return sets in motion a series of horrifying events which exposes a mysterious and troubling relationship between the inhabitants of the remote island and the sea.

In his new novel, John Ajvide Lindqvist does for zombies what his previous novel, *Let the Right One In*, did for vampires. Across Stockholm the power grid has gone crazy. In the morgue and in cemeteries, the recently deceased are waking up. One grandfather is alight with hope that his grandson will be returned, but one husband is aghast at what his adored wife has become. A horror novel that transcends its genre by showing what the return of the dead might really mean to those who loved them.

A compelling, eerie new novel from the internationally bestselling author of *Let the Right One In*. "At the top of his game, Lindqvist gives Stephen King and John Saul at their best a run for the money." *Library Journal* (starred) "Dubbed the Stephen King of Sweden, Lindqvist lives up to the billing." *New York Post* Four families wake up one morning in their trailer on an ordinary campsite. However, during the night something strange has happened. Everything outside the camping grounds has disappeared, and the world has been transformed into an endless expanse of grass. The sky is blue, but there is no sign of the sun; there are no trees, no flowers, no birds. And every radio plays nothing but the songs of sixties pop icon Peter Himmelstrand. As the holiday-makers try to come to terms with what has happened, they are forced to confront their deepest fears and secret desires. Past events that each of them has tried to bury rise to the surface and take on terrifying physical forms. Can any of them find a way back to reality?

Destined to become a modern classic, the short story *Itsy Bitsy* is guaranteed to make you think twice before you take a picture of someone in a bikini. In this creepy shocker, horror author superstar John Ajvide Lindqvist (*LET THE RIGHT ONE IN*, *HANDLING THE UNDEAD*) gives new meaning to punishing the paparazzi.

When ex-pop-star Lennart Cederström finds an abandoned baby, he is uncertain what to do—until he hears her cry—a clear, haunting, perfectly pitched note. Lennart decides he will raise her in isolation: the vehicle for a pure, uncorrupted music. But like anyone brought up in a basement, young Theres develops a few idiosyncrasies. Dangerous ones.

In September 1985, nineteen-year-old John Lindqvist moved into a dilapidated old building in Stockholm, planning to make his living as a magician. Something strange was going on in the locked shower room in the building's basement—and the price of entry was just a little blood. *I Always Find You* is a horror story—as bizarre and macabre as any of Lindqvist's earlier novels—but it's also a melancholy meditation on being young and lonely, on making friends and growing up. It's about magic, and the intensity of human connection—and the evil we carry inside. John Ajvide Lindqvist lives in Sweden, and has worked as a magician and stand-up comedian. His first novel, the international bestseller *Let the Right One In*, was published in more than thirty countries. *Marlaine Delargy* is based in the UK. She has translated novels by Swedish writers including Kristina Ohlsson, Viveca Sten and Johan Theorin—with whom she won the CWA International Dagger 2010 for *The Darkest Room*. "The strength of the novel lies in the author's calm, unhurried reporting of increasingly supernatural events, and his decision to have a fictional version of himself as narrator, which lends an unsettling autobiographical element and grounds the story in reality." *Guardian* "Lindqvist manages a near-perfect blend of moving and macabre." *BookMooch* "As imaginative and brilliant as any of Stephen King's famous stories...Eerie and compelling." *Canberra Weekly* on *I Am Behind You* "Mixes the ordinary with the macabre to provide a story that will leave you pondering...Perfectly chilling." *Aurealis* "A genuine skin-crawler of a book." *Otago Daily Times* on *I Am Behind You*. "[A] tale of a strange evil force." *Age* "A bizarre read, seriously inventive and wildly different." *Weekend West*

The follow-up collection to the international vampire bestseller *Let the Right One In* **Includes the short story *Border*, now a major film** Whatever happened to Oskar and Eli? And what became of the beleaguered families in *Handling the Undead*? Find out in *Let the Old Dreams Die*. In other tales from this collection, a woman finds a dead body and decides to keep it for herself, a customs officer has a mysterious gift that enables her to see what others hide, and a man believes he knows how to deceive death. These are the stories of John Ajvide Lindqvist's rich imagination. They are about love and death, and what we do when the two collide and the monsters emerge.
