Hard Road Publisher's Summary Jon Reznick is a "ghost": a black-ops specialist who takes his orders from shadowy handlers, and his salary from the US government. Still mourning the loss of his beloved wife on 9/11, he's dispatched to carry out a high-level hit. Reznick knows only that it must look like suicide.

A senior American security adviser is missing, presumed kidnapped for his top-level military intelligence. FBI Assistant Director Martha Meyerstein needs to track him down before classified information gets into the wrong hands. She needs Jon Reznick on board. The former black-ops assassin is supposed to be on vacation with his daughter, but when Meyerstein calls, it doesn't pay to keep her waiting. Her elite team is convinced that the missing diplomat's expertise in the Persian Gulf points to an Iranian terrorist cell, but Reznick isn't so sure. His gut instinct tells him they're all wrong. Never one to play by the rules, he finds himself working alone, following a lead that everyone else has dismissed. But to Reznick, the suspect seems a little too clean... When the team comes under attack, the kidnapping is exposed as part of a much wider conspiracy, one far more dangerous than Meyerstein feared. Nothing and nobody is safe--and only Jon Reznick stands between national security and a campaign of unprecedented terror.

An American diplomat goes missing and ex-Special Forces operative Jon Reznick joins a top secret team, led by FBI Assistant Director Martha Meyerstein, to help track him down. The team believes that there may be a terrorist group, perhaps Islamists, who have kidnapped him, as the diplomat's area of expertise is the Persian Gulf. But Reznick is training his sights on an unlikely candidate - a leading Washington DC surgeon.

Jon Reznick is a "ghost": a black-ops specialist who takes his orders from shadowy handlers, and his salary from the US government. Still mourning the loss of his beloved wife on 9/11, he's dispatched to carry out a high-level hit. Reznick knows only that it must look like suicide. It's textbook. But the target is not the man Reznick expected. The whole setup is wrong. In an instant the operation is compromised, and Reznick is on the run with the man he was sent to kill. A man wanted by the FBI, and by a mysterious terrorist organization hell-bent on bringing the United States to its knees. FBI Assistant Director Martha Meyerstein is determined to track him down, and to intercept whatever it is Reznick was sent to do. When Reznick's young daughter becomes a pawn in the game, he has to use more than his military training to stay one step ahead of those responsible. Meanwhile, he is the only person who knows the true extent of the threat to national security--and has the stealth and determination to stop it.

Jon Reznick will protect New York City or die trying. When a group of homegrown attackers takes aim at cops outside a Fourth of July baseball game, black-ops specialist Jon Reznick and his daughter, Lauren, are caught in the cross fire. Jon hunts down two of the gunmen. But the last member of the group is at large and about to launch a fresh killing spree across the city. Cops are under fire, and Jon must stop this madman before more people are

killed. But Jon's renegade tactics and vigilante justice are starting to ruffle some feathers, and his friends in high places might not be able to help him anymore. With leaks inside the FBI and resistance from the NYPD, Reznick doesn't know whom to trust. He knows one thing: he won't watch the city he loves be torn apart, especially not with his daughter in the crosshairs. But can he get to her in time?

When the people he loves most are in danger, Jon Reznick will get revenge...or die trying. When black-ops specialist Jon Reznick receives a voice mail from FBI assistant director Martha Meyerstein, hoping to explore their relationship outside of the federal government, Jon starts to imagine a new future, one where he can leave his past behind. But an unhinged killer with a grudge has other plans. He's setting a trap for Reznick, one he knows the operative won't be able to resist. In a picturesque fishing village on the Mediterranean coast, a luxury yacht has gone up in flames. Was it a terrible accident or something much more sinister? Jon Reznick must travel overseas, to find out what's happened to Martha and seek revenge on the psychopath who has put Reznick's entire future in jeopardy. Jon will need all the help he can get to bring him to justice. Fresh out of Quantico, Reznick's daughter, Lauren, joins him against his wishes, along with hacker Trevelle Williams. But government operatives from across the globe have descended on this quiet vacation destination and will stop at nothing to prevent the truth from coming out.

When an ex-Delta Forces operative dies in a car wreck in Miami, the FBI dismiss it as a tragic accident. But Jon Reznick isn't so sure--especially when he learns that his teetotal former colleague was apparently drunk at the wheel. Reznick's one-man investigation quickly enters dangerous territory when it becomes clear that this was merely the first in a series of mysterious deaths. All of the victims are ex-Delta Forces, and all were involved in a top-secret Iranian hit under Reznick's command. Retribution will not be complete until Reznick is wiped out too. With Iran's ruthless Quds Force hunting him down on US soil, assisted by a powerful Mexican drug cartel determined to increase its own foothold in the country, Reznick's survival is a threat to national security. FBI Assistant Director Martha Meyerstein is not as keen as some government officials to sacrifice him as collateral damage, but the longer Reznick runs, the more audacious his enemies become. Innocent American lives are at risk, and only Reznick's victory--or surrender--can save them.

Jon Reznick has never played by the rules, a trait that has brought him into conflict with FBI Assistant Director Martha Meyerstein in the past. But now Meyerstein has been taken by a shadowy gang, and the renegade black-ops specialist may be her only hope for rescue. The FBI are reluctant to let Reznick anywhere near the case, but he 's not in the habit of seeking their permission—especially once his covert investigation leads him straight to the head of the Russian Mob. And it soon becomes clear that it 's not only Meyerstein who 's in danger: her abduction is just the start of a campaign to undermine American law and order. With Meyerstein 's whereabouts just out of reach, and the CIA and FBI seemingly operating at cross-purposes, it falls to Reznick to go it alone. Can he get to Meyerstein before the Mob get to him?

He's fighting for justice while she fights for her life. With his daughter lying in the hospital, struck down in a reckless hit-and-run, the only thing Jon Reznick can do is wait--and plot his revenge. Not satisfied with the slow-moving police investigation, he starts his own manhunt. He discovers that the car belongs to a high-ranking diplomat whose interests are closely tied to those of the United States government, and this man may not be what he appears. The FBI wants Reznick to back down, but the more information Jon digs up, the more questions he finds. Was it a simple accident, or is there more to it? How many young women's lives has this man ruined? Lauren's life hangs in the balance, and Jon must get answers, no matter the cost--to him or the government. With the help of a dedicated NYPD detective who has suspicions of her own, as well as FBI Assistant Director Martha Meyerstein, Jon Reznick will have to fight for his daughter while she fights for her life.

A threat inside the government. A whistleblower's life on the line. It's up to Jon Reznick to bring justice. When hacker Trevelle Williams discovers documents that threaten national security and put his life in jeopardy, there's only one person he can turn to--Jon Reznick. Williams has learned that Rosalind Dyer, a key congressional witness, is about to be killed in order to stop her testimony. She has stumbled into the middle of a cover-up that goes deep into the United States government. Dyer knows her days are numbered, but that won't stop her from doing what she has to do. Trevelle Williams has helped Jon out of many a scrape in the past. Now, Jon is the only person he can turn to for help saving Rosalind's life, as well as his own, and protecting national security in the process. With enemies on all sides, including within the United States government, can Jon and Trevelle get to Rosalind in time? They're her only hope to escape her pursuers and bring these secrets to light.

A fast and furious thriller for fans of Lee Child, Vince Flynn and Brad Thor. When a top militia leader escapes from a maximum security American jail, the FBI calls in ex-Delta operator Jon Reznick to help track him down. The escapee is none other than a psychopathic ex-Delta colleague of Reznick, Hunter Cain, who is now a feared militia leader. It isn ' t long before they believe that Cain is planning a terrorist spectacular. But the problem is they don ' t know what target he has in mind. As the clock ticks down, the team shows increasing strains as they struggle to find Cain, it becomes clear that the secret plot would threaten not only scores of American lives, but also a former US President.
