Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Instead of being rescued from a plane crash, as in the author's book "Hatchet," this story portrays what would have happened to Brian had he been forced to survive a winter in the wilderness with only his survival pack and hatchet.

Are you thinking of having your class read Gary Paulsen's novel, HATCHET? Do you need worksheets to assess students' comprehension for each chapter? truly a "Coming-of-age" and Bildungsroman novel. What happens to the main character will stir and stay with readers long after they finish the last page. This novel study carefully deconstructs each chapter and pulls from the text information that will cause students to think about their own lives in comparison. There are various types of questions that utilize Howard Gardner's Intelligences, prompt online internet research, stimulate classroom discussions and encourage higher-level learning. Students learn to analyze, synthesize and sift data by filling in the blanks, circling true or false questions, selecting from a multiple choice, or providing his/her personal opinion. It is an excellent novel study for your upcoming term!

Only 13, John must track a deer in the Minnesota woods for his family's winter meat, and in doing so finds himself drawn to the doe he's been tracking and hating his role as hunter.

You ever open your locker and find that some joker has left something really weird inside? Seventh-grader Dorso Clayman opens his locker door to find a dead body. Thirty seconds later it disappears. It's not the first bizarre thing that has appeared in his locker and then vanished. Something's going on. Somebody has decided to make Dorso and his buddy Frank the target of some strange techno-practical jokes. The ultimate gamesters have hacked into the time line, and things from the past are appearing in the present. Soon, the jokes aren't funny anymore—they're dangerous. Dorso and Frank have got to beat the time hackers at their own game by breaking the code, before they get lost in the past themselves.

This adventure novel about survival at sea by Newbery Honor author Gary Paulsen is now available in an After Words paperback edition! David thought he was alone, that the ocean around him was all there was of the world. The wind screamed, the waves towered, and his boat, the twenty-two foot fiberglass FROG, skidded and bucked and, each moment, filled deeper and grew heavier with sea water. David thought surely he was dead at fourteen. His uncle Owen, who had taught him about sailing safely, would be so angry. Owen had died only days ago, his last wish for David to take the FROG out on his own, and sail her beyond sight of the coast, and once there scatter Owen's ashes.

"Readers will be captivated by this beautifully written novel about young people who must use their instincts and grit to survive. Padma infuses her story with hope and bravery that will inspire readers."--Aisha Saeed, author of the New York Times Bestseller *Amal Unbound* Four determined homeless children make a life for themselves in Padma Venkatraman's stirring middle-grade debut. Life is harsh on the teeming streets of Chennai, India, so when runaway sisters Viji and Rukku arrive, their prospects look grim. Very quickly, eleven-year-old Viji discovers how vulnerable they are in this uncaring, dangerous world. Fortunately, the girls find shelter--and friendship--on an abandoned bridge that's also the hideout of Muthi and Arul, two homeless boys, and the four of them soon form a family of sorts. And while making their living scavenging the city's trash heaps is the pits, the kids find plenty to take pride in, too. After all, they are now the bosses of themselves and no longer dependent on untrustworthy adults. But when illness strikes, Viji must decide whether to risk seeking help from strangers or to keep holding on to their fragile, hard-fought freedom.

Two years after having survived a plane crash into the Canadian wilderness, a sixteen-year-old boy returns to the wild, where he befriends a wounded dog and hunts a rogue bear.

Hatchet meets *The Babysitters Club* in this epic and thrilling survival story about pushing oneself to the limit in the face of a crisis. We were all alone, in a shaken and shattered house, in the dark. And I was in charge. Hannah Steele loves living on Pelling, a tiny island near Seattle. She's always felt totally safe there. So when she's asked to babysit after school one day, it's no big deal. Zoe and Oscar are her next-door neighbors, and Hannah just took a babysitting class, which she's pretty sure makes her an expert. She isn't even worried that she left her inhaler at home. Then the shaking begins. The terrifying
