Heart of a Dog (Russian: ?????? ??????, Sobachye serdtse) is a novella by Russian author Mikhail Bulgakov. A biting satire of Bolshevism, it was written in 1925 at the height of the NEP period, when communism appeared to be relaxing in the Soviet Union. It is generally interpreted as an allegory of the Communist revolution and "the revolution's misguided attempt to radically ...

The Heart of a Dog is also a warning about the disastrous consequences of the weak analogies and hasty generalizations characteristic of sham science, a cautionary tale about the danger of what Socrates defined as the most blameworthy ignorance: "to believe that one knows what one does not know." 14.

NOTES. 1. Mikhail Bulgakov.

Mikhail Bulgakov: Heart of a Dog - A Reading - Voyages

? Mikhail Bulgakov, quote from Heart of a Dog "Food, Ivan Arnoldovich, is a subtle thing. One must know how to eat, yet just think – most people don't know how to eat at all. One must not only know what to eat, but when and how." (Philip Philipovich waved his fork meaningfully.) 'And what to say while you're eating.

28+ quotes from Heart of a Dog by Mikhail Bulgakov

Heart of a Dog is a novel written by Mikhail Bulgakov, the Russian author, in 1925 at the height of the New Economic Period in Soviet Russia. This was a time when communism seemed like it was weakening in the Soviet Union, and the novel is often interpreted as an allegory for the Communist revolution. It wasn't officially released in Russia until 1987.

A new edition of Bulgakov's fantastical precursor to *The Master and Margarita*, part of Melville House's reissue of the Bulgakov backlist in Michael Glenny's celebrated translations. A key work of early modernism, this is the superbly comic story of a Soviet scientist and a scroungy Moscow mongrel named Sharik. Attempting a medical first, the scientist transplants the glands of a petty criminal into the dog and, with that, turns a distinctly worryingly human animal loose on the city. The new, lecherous, vulgar, Engels-spouting Sharik soon finds his niche in governmental bureaucracy as the official in charge of purging the city of cats. A Frankenstein fable that's as funny as it is terrifying, *Heart of a Dog* has also been read as a fierce parable of the Russian Revolution. It was rejected for publication by the censors in 1925, and circulated in samizdat for years until Michael Glenny translated it into English in 1968—long before it was allowed to be officially published in the Soviet Union. That happened only in 1987, although till this day the book remains one of Mikhail Bulgakov's most controversial novels in his native country.

WITH A NEW INTRODUCTION BY ANDREY KURKOV A rich, successful Moscow professor befriends a stray dog and attempts a scientific first by transplanting into it the testicles and pituitary gland of a recently deceased man. A distinctly worryingly human animal is now on the loose, and the professor's hitherto respectable life becomes a nightmare beyond endurance. An absurd and superbly comic story, this classic novel can also be read as a fierce parable of the Russian Revolution.

A comic novel about the theater world in early Soviet Russia and a "biting attack on censorship" (*The Guardian*, UK). From the author of *The Master and Margarita*, this semi-autobiographical satirical novel paints a vibrant portrait of life behind the curtains of the Russian literary and theater arenas in the early decades of the twentieth century. Maxudov is a failed novelist who, after contemplating suicide, adapts his novel into a play that—seemingly at random—is chosen to be produced at the renowned Independent Theatre. As it so often does in theater, chaos ensues—including bloodthirsty battles between the show's two co-directors (modeled on Stanislavsky, the famed inventor of Method Acting, and his co-director) over control of the production; near-constant drama brewing between the actors; and the playwright's own growing host of misgivings and insecurities about his place in the theatrical community. With each rehearsal turning more disastrous than the last, it becomes less and less clear whether Maxudov's play will ever be performed at all... "A masterpiece of black comedy." —*The Irish Times*

When a distinguished scientist implants the pituitary gland and testicles of a deceased drunkard into a dog, he has no notion of the monster that he has created. Slavik the dog becomes more human and more obnoxious by the day. He develops an intense revolutionary fervour, uses corrupt means in order to seize power, and turns the professor's life into a living hell.

The Master and Margarita (Russian: ??????? ? ??????????) is a novel by Mikhail Bulgakov, written between 1928 and 1940, but unpublished in book form until 1967. The story concerns a visit by the devil to the fervently atheistic Soviet Union. Many critics consider it to be one of the best novels of the 20th century, as well as the foremost of Soviet satires.

As the turbulent years following the Russian revolution of 1917 settle down into a new Soviet reality, the brilliant and eccentric zoologist Persikov discovers an amazing ray that drastically increases the size and reproductive rate of living organisms. At the same time, a mysterious plague wipes out all the chickens in the Soviet republics. The government expropriates Persikov's untested invention in order to rebuild the poultry industry, but a horrible mix-up quickly leads to a disaster that could threaten the entire world. This H. G. Wells-inspired novel by the legendary Mikhail Bulgakov is the only one of his larger works to have been published in its entirety during the author's lifetime. A poignant work of social science fiction and a brilliant satire on the Soviet revolution, it can now be enjoyed by English-speaking audiences through this accurate new translation. Includes annotations and afterword.

This Is Bulgakov'S Surreal Tale Of A Moscow Doctor Who Befriends A Stray Dog And Performs On It A Human Transplant - With Disastrous Consequences.

A complete translation of short works by the author of *The Master and Margarita* includes six of his articles from the 1920s and features such subjects as

Access Free Heart Of A Dog Mikhail Bulgakov

the Gogolian bureaucracy that followed the Revolution, the subjugation of science to the state and the consequences of the battle between Communism and the old order. Original.

From the author of *The Master and Margarita* comes this short and tragic masterpiece about drug addiction. Young Dr. Bromgard has come to a small country town to assume a new practice. No sooner has he arrived than he receives word that a colleague, Dr. Polyakov, has fallen gravely ill. Before Bromgard can go to his friend's aid, Polyakov is brought to his practice in the middle of the night with a self-inflicted gunshot wound, and, barely conscious, gives Bromgard his journal before dying. What Bromgard uncovers in the entries is Polyakov's uncontrollable and merciless descent into morphine addiction — his first injection to ease his back pain, the thrill of the drug as it overtakes him, the looming signs of addiction, and the feverish final entries before his death.
