Thirty of Hans Christian Andersen's most cherished stories in single volumes Illustrator various artists. Known all over the world, these fairytales hold stories of great value and are a source of inspiration for both young and old.

Evangeline has been lonely her whole life. Her mother rarely lets her play outside . . . especially not when it's snowing. It's almost as if she wants to hide her daughter from the world. For as long as she can remember, Evangeline has felt someone missing, like a best friend who moved away, or an imaginary friend she's forgotten. She knows it sounds crazy, but the thought has always given her comfort—the idea that there's someone waiting for her, looking for her. Someone who cares about her. On her birthday, Evangeline finds her window has blown open, and her room is full of snow. There's a message written in the frost. One word. HELP. Evangeline learns that she has a sister, a twin, in fact. They were both born in another world—a land of snow and music and ancient magic. Now, someone is calling Evangeline back, and will stop at nothing to lure her into the magical realm where danger lurks.

This reissue of a modern classic of science fiction, the Hugo and Locus Award-winning and Nebula-nominated The Snow Queen, marks the first time the book has been reprinted in fifteen years. The imperious Winter colonists have ruled the planet Tiamat for 150 years, deriving wealth from the slaughter of the sea mers. But soon the galactic stargate will close, isolating Tiamat, and the 150-year reign of the Summer primitives will begin. Their only chance at surviving the change is if Arienhod, the ageless, corrupt Snow Queen, can destroy destiny with an act of genocide. Arienhod is not without competition as Moon, a young Summer-tribe sibyl, and the nemesis of the Snow Queen, battles to break a conspiracy that spans space. Interstellar politics, a millennia-long secret conspiracy, and a civilization whose hidden machineries might still control the fate of worlds all form the background to this spectacular hard science fiction novel from Joan D. Vinge.

From the bestselling author of The Rules of Magic, a miraculous, enthralling tale of a woman who is struck by lightning, and finds her frozen heart is suddenly burning. Be careful what you wish for. A woman who was touched by tragedy as a child now lives a quiet life, keeping other people at a cool distance. She even believes she wants it that way. Then one day she utters an idle wish and, while standing in her house, is struck by lightning. But instead of ending her life, this cataclysmic event sparks a strange and powerful new beginning. She goes in search of Lazarus Jones, a fellow survivor who was struck dead, then simply got up and walked away. Perhaps this stranger who has seen death face to face can teach her to live without fear. When she finds him, he is her perfect opposite, a burning man whose breath can boil water and whose touch scorches. As an obsessive love affair begins between them, both hide their most dangerous secrets -- what happened in the past that turned one to ice and the other to fire. A magical story of passion, loss, and renewal, The Ice Queen is Alice Hoffman at her electrifying best.
