The Harlem Globetrotters are an American exhibition basketball team. They combine athleticism, theater, and comedy in their style of play. They have played more than 26,000 exhibition games in 124 countries and territories. The team's signature song is Brother Bones' whistled version of "Sweet Georgia Brown". Their mascot is an anthropomorphized globe named "Globie". The team plays over 450 live events worldwide each year. The team is currently owned by Herschend Family Entertainment. The execut

Introduces the basketball entertainers the Harlem Globetrotters.

For more than 90 years, the Harlem Globetrotters have dazzled and entertained fans around the world. This is their story.

Have you ever wondered how a Harlem Globetrotters player can spin a basketball on one finger for so long? Or what a basketball is made of? Or how the laws of physics are also the laws of basketball? You're only a few four-point shots away from becomi

For more than 90 years, the Harlem Globetrotters have dazzled and entertained fans around the world. This is their story.

The true story of the high-flying Harlem Globetrotters -- the team that changed basketball forever. In this book you will find one-finger ball-spinning, rapid-fire mini-dribbling, and a ricochet head shot! You will find skilled athletes, expert players, and electrifying performers -- all rolled into one! You will find nonstop, give-it-all-you've-got, out-to-win-it, sky's-the-limit BASKETBALL! You will find THE HARLEM GLOBETROTTERS, who played the most groundbreaking, breathtaking ball the world had ever seen. With rhythmic writing and dynamic illustrations, Swish! is a celebration of the greatness, goodness, and grit of this remarkable team.

Meadowlark Lemon illustrates the determination it took to overcome poverty, racial prejudice, and many other roadblocks that would have sidelined most any other person. Meadowlark, who was inducted into the Basketball Hall of Fame in 2003, delivers loving reminiscences of his youth, hilarious stories about his days with the Globetrotters, and wise instructions for living a JOY-filled life. Beginning with his upbringing in Wilmington, North Carolina to his vibrant message of JOY today, Meadowlark tells us to "trust our next shot. He uses the word "SHOT" to give us a guide for life. Spirit, Health, Opportunity, and Teamwork combine to fuel our passions, satisfy our heart's desires, create opportunities for doing good, and help others realize their dreams.

The little-known, fascinating story of the rise and fall of the National Women's Football League, told through the players whose spirit, rivalries, and tenacity carried the league and furthered the legacy of women in sports In 1967, a Cleveland businessman had a brilliant idea: why not start a women's football team? It was conceived as a gimmick and a publicity stunt in the vein of the Harlem Globetrotters. He recruited women to compete as a traveling football troupe; much to his surprise, he learned that women really wanted to play, and play hard. Hail Mary is the story of the unlikely rise of the National Women's Football League and the players who loved a game that society told them they shouldn't be playing. In nineteen cities around the country, against the backdrop of second-wave feminism and the passage of Title IX, these athletes broke new barriers and showed adoring crowds what women were capable of physically. Thousands of people came to watch-perhaps to gawk at first but then, in the end, to cheer. Hail Mary is a rollicking chronicle of fearless women-players on the Detroit Demons, the Toledo Troopers, the LA Dandelions, and more-bringing us into the stadiums where they broke records, the small-town lesbian bars where they were recruited, and the backrooms where the league was conceived, and where it ended. Hail Mary is a celebration of women athletes and their fight on and off the field, and a powerful story of the league that changed their lives and the course of women's sports.

Follows the life and career of the individual who made sports history by becoming the first woman to play basketball for the Harlem Globetrotters.

Basketball Slave is filled to the brim with extraordinary tales from behind the scenes of the early, original Harlem Globetrotters, and loaded with a wealth of historical information never disclosed about the slow, quota-based inception of African American athletes in the NBA. This book clarifies the role of the original Harlem Globetrotters in making the NBA the multi-billion-dollar organisation it is today. Johnson grew up watching his family working in the cotton fields of Louisiana, and played basketball barefoot in the streets of Hollywood, California. Johnson's education was undervalued as a high school basketball star, and he was sent to college without any hope of receiving a degree. He was finally sold on the professional basketball
