He said he hoped his quest to find the whale had a 'happier ending' than Herman Melville's 1851 novel Moby Dick which ends with the obsessive Captain Ahab being dragged into the ocean. Dan ...

Moby-Dick; or, The Whale is a novel by Herman Melville, in which Ishmael narrates the monomaniacal quest of Ahab, captain of the whaler Pequod, for revenge on the albino sperm whale Moby Dick, which on a previous voyage destroyed Ahab's ship and severed his leg at the knee. Although the novel was a commercial failure and out of print at the time of the author's death in 1891, its reputation grew immensely during the twentieth century. D. H. Lawrence called it "one of the strangest and most wonderful books in the world," and "the greatest book of the sea ever written." Moby-Dick is considered a Great American Novel and an outstanding work of the Romantic period in America and the American Renaissance. "Call me Ishmael" is one of world literature's most famous opening sentences.The product of a year and a half of writing, the book is dedicated to Nathaniel Hawthorne, "in token of my admiration for his genius," and draws on Melville's experience at sea, on his reading in whaling literature, and on literary inspirations such as Shakespeare and the Bible. The detailed and realistic descriptions of whale hunting and of extracting whale oil, as well as life aboard ship among a culturally diverse crew, are mixed with exploration of class and social status, good and evil, and the existence of God. In addition to narrative prose, Melville uses styles and literary devices ranging from songs, poetry and catalogs to Shakespearean stage directions, soliloquies and asides.The author changed the title at the very last moment in September 1851. The work first appeared as The Whale in London in October 1851, and then under its definitive title Moby-Dick in New York in November. The whale, however, appears in both the London and New York editions as "Moby Dick," with no hyphen. The British edition of five hundred copies was not reprinted during the author's life, the American of almost three thousand was reprinted three times at approximately 250 copies, the last reprinting in 1871. These figures are exaggerated because three hundred copies were destroyed in a fire at Harper's; only 3,200 copies were actually sold during the author's life.

Ishmael finds himself on a sprawling, epic hunt for the great white whale in one of the most singular and celebrated novels in American literature. First published in 1851, Moby Dick is narrated by the young seaman Ishmael who takes ship on the whaler Pequod, under the command of Captain Ahab. Once at sea Ahab reveals that their voyage is not aimed at profitable whaling so much as pure vengeance as they are to hunt the white whale that maimed him, leaving him with a single leg. A rich array of memorable characters are introduced as the Pequod sails the sea, encountering other whalers, hunting whales and seeking Moby Dick. Sprawling and discursive, luxuriant and richly textured, Melville's novel is almost a world unto itself. Life aboard ship, friendships between the diverse collection of sailors and the hazardous adventure of confronting whales on the open sea are captured unforgettably, but all of this is under the shadow of Ahab's all-consuming hatred of the white whale. As the ship draws nearer to confrontation with her captain's nemesis, the novel moves toward a devastating climax. Initially greeted with little enthusiasm by American critics, a notable exception being Nathaniel Hawthorne, Moby Dick has since come to be seen as one of the greatest achievements of American fiction and a classic for the ages. With an eye-catching new cover, and professionally typeset manuscript, this edition of Moby Dick is both modern and readable.

Moby-Dick is an 1851 novel by Herman Melville. The story tells the adventures of the wandering sailor Ishmael and his voyage on the whaling ship Pequod, commanded by Captain Ahab. Often considered the embodiment of American Romanticism, Moby-Dick was first published by Richard Bentley in London on October 18, 1851 in an expurgated three-volume edition titled The Whale, and later as one massive volume, by New York City publisher Harper and Brothers as Moby-Dick; or, The Whale on November 14, 1851. This a photo-mechanical reprint of that edition. The first line of Chapter One-"Call me Ishmael."-is one of the most famous in literature. Although the book initially received mixed reviews, Moby-Dick is now considered one of the greatest novels in the English language and has secured Melville's place among America's greatest writers.

A literary classic that wasn't recognized for its merits until decades after its publication, Herman Melville's Moby-Dick tells the tale of a whaling ship and its crew, who are carried progressively further out to sea by the fiery Captain Ahab. Obsessed with killing the massive whale, which had previously bitten off Ahab's leg, the seasoned seafarer steers his ship to confront the creature, while the rest of the shipmates, including the young narrator, Ishmael, and the harpoon expert, Queequeg, must contend with their increasingly dire journey. The book invariably lands on any short list of the greatest American novels.

A "brilliant and provocative" (The New Yorker) celebration of Melville's masterpiece—from the bestselling author of In the Heart of the Sea, Valiant Ambition, and In the Hurricane's Eye One of the greatest American novels finds its perfect contemporary champion in Why Read Moby-Dick?, Nathaniel Philbrick's enlightening and entertaining tour through Melville's classic. As he did in his National Book Award–winning bestseller In the Heart of the Sea, Philbrick brings a sailor's eye and an adventurer's passion to unfolding the story behind an epic American journey. He skillfully navigates Melville's world and illuminates the book's humor and unforgettable characters—finding the thread that binds Ishmael and Ahab to our own time and, indeed, to all times. An ideal match between author and subject, Why Read Moby-Dick? will start conversations, inspire arguments, and make a powerful case that this classic tale waits to be discovered anew. "Gracefully written [with an] infectious enthusiasm…"—New York Times Book Review

Our Daily Breach: Exploring Your Personal Myth Through Herman Melville's Moby-Dickoffers both a way of understanding what has generally been called the greatest novel of the American myth while simultaneously exploring one's own personal myth. Its added feature is that it is an interactive book in allowing reader's to meditate on one question per page for each day of the year and to undercover many facets of one's personal myth through cursive writing. It has been long understood that classics of literature are their own form of therapy in that they frequently tap into some of the most shared concerns of being human. This book makes such a connection between our interior life and the plot of the story through the power of mythopoiesis, namely the imaginative act of giving a formative shape to the myth we are each living in and out through the power of analogy, correspondence or accord with the classic poem. Using Melville's epic of America, the reader may enter the deepest seas of his/her own mythic waters to realize and give language to the myth that resides in our daily plot line.

No book is more central to the study of nineteenth-century American literature than Herman Melville's Moby-Dick; or The Whale. First published it 1851, it still speaks powerfully to readers today. Combining reprinted documents with clear introductions for student readers, this volume examines the contexts of and critical responses to Melville's work. It draws together: *an introduction to the contexts in which Melville was writing and relevant contextual documents, including letters *chronology of key facts and dates *critical history and extracts from early reviews and modern criticism *fully annotated key passages from the novel *a list of biblical allusions *an annotated guide to further reading. Extensive cross-references link contextual information, critical materials and passages from the novel providing a wide-ranging view of the work and ensuring a successful and enjoyable encounter with the world of Moby-Dick.

This Norton Critical Edition includes:* Melville's classic novel of whaling and revenge, based on Hershel Parker's revision of the 1967 text edited by Harrison Hayford and Hershel Parker.* Twenty-six illustrations, including maps, contemporary engravings, and diagrams of whaleboat rigging.* Background and source materials centering on whaling and whalecraft, Melville's international reception, the inspirations for Moby-Dick, and Melville's related correspondence.* Forty-four reviews and interpretations of the novel spanning three centuries.* A revised and updated Selected Bibliography.About the SeriesRead by more than 12 million students over fifty-five years, Norton Critical Editions set the standard for apparatus that is right for undergraduate readers. The three-part format--annotated text, contexts, and criticism--helps students to better understand, analyze, and appreciate the literature, while opening a wide range of teaching possibilities for instructors. Whether in print or in digital format, Norton Critical Editions provide all the resources students need.

Perhaps the greatest of all American novels, Moby Dick is newly presented with sixty inspiring full-page illustrations that bring fresh life and emotional depth to this classic of literature. Every reader knows the obsessive story of Captain Ahab and the famous white whale. Moby Dick is the great American novel, a monument of literature. Based on the events depicted in the "Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-Ship Essex" and the legend of "Mocha Dick," it is the story of the wandering sailor Ishmael and his voyage aboard the whaling ship the Pequod. Commanded by the obsessed Captain Ahab, a man who is hell-bent on revenge against a white whale of incredible ferocity, the Pequod and its crew are tasked with this singular goal, whatever the emotional or human cost. It is a novel rich with symbolism and complex themes. But this mythical adventure has never been portrayed in such a powerful way and with such striking illustrations, presenting a new perspective on this cornerstone of American literature. It marks a wonderful entry point for new readers to discover Melville's universe—and a beautiful edition for the countless dedicated readers of this unique novel.

"Call me Ishmael." So begins the famous opening chapter of Moby-Dick; or, The Whale. Young sailor Ishmael is hired as a crew member of a whaler named Pequod, captained by a man named Ahab. In between lengthy chapters on whale biology and descriptions of the crew and the whaling trade, readers are slowly introduced to a captivating tale. Ahab is out for revenge on the great white whale that stole his leg, leaving him with a whale-bone prosthesis and a withering hatred for the beast. Known as Moby Dick, the whale is infamous for his encounters and escapes with whale ships, and Ahab offers a gold coin, nailed to the Pequod's mast, as a reward for whoever sights him first. Beginning on a cold Christmas morning, the crew embarks on a journey to find the whale and make their fortunes. An exciting staple of American literature, Moby-Dick is a must-read for anyone interested in the classics. Herman Melville was inspired to write Moby Dick by the 1821 biographical account Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-ship Essex, which in turn inspired the 2000 novel and 2015 movie, In the Heart of the Sea.
