Volume One of the Official History of the Joint Intelligence Committee draws upon a range of released and classified papers to produce the first, authoritative account of the way in which intelligence was used to inform policy. For almost 80 years the Joint Intelligence Committee (JIC) has been a central player in the secret machinery of the British Government, providing a co-ordinated intelligence service to policy makers, drawing upon the work of the intelligence agencies and Whitehall departments. Since

its creation, reports from the JIC have contributed to almost every key foreign policy decision taken by the British Government. This volume covers the evolution of the JIC since 1936 and culminates with its role in the events of Suez in 1956. This book will be of much interest to students of intelligence studies, British politics, international diplomacy, security studies and International Relations in general. Dr Michael S. Goodman is Reader in Intelligence and International Affairs in the Department of War Studies, King's College London. He is author or editor of five previous books, including the Routledge Companion to Intelligence Studies (2013).

This book examines the processes and factors shaping the development of homeland security policies in the European Union (EU), within the wider context of European integration. The EU functions in a complex security environment, with perceived security threats from Islamist terrorists, migration and border security issues, and environmental problems. In order to deal with these, the EU has undertaken a number of actions, including the adoption of the European Security Strategy in 2003, the Information Management Strategy of 2009, and the Internal Security Strategy of 2010. However, despite such efforts to achieve a more concerted European action in the field of security, there are still many questions to be answered about whether the European approach is really a strategic one. European Homeland Security

addresses two major debates in relation to the development of homeland security in Europe. First, it reflects on the absence of 'homeland security' in European political debate and its potential consequences. Second, it examines the significant policy developments in the EU that suggest the influence of homeland security ideas, notably through policy transfer from the United States. The book will be of great interest to students of European security and EU politics, terrorism and counter-terrorism, security studies and IR.
