Explores the richness and meaning of Jewish life through history, introducing the basics of Jewish history, the tradition of texts, key philosophical and theological issues and thinkers, the Judaic calendar, contemporary global concerns and what the future may portend for Judaism. Original.

An extensive introduction to Jewish experience and thought combines social and political history and intellectual tradition and is complemented by historical photographs, illustrations of Jewish art, maps, and detailed chronological charts

In the past decades the “ German-Jewish phenomenon ” (Derrida) has increasingly attracted the attention of scholars from various fields: Jewish studies, intellectual history, philosophy, literary and cultural studies, critical theory. In all its complex dimensions, the post-enlightenment German-Jewish experience is overwhelmingly regarded as the most quintessential and charged meeting of Jews with the project of modernity. Perhaps for this reason, from the eighteenth century through to our own time it has been the object of intense reflection, of clashing interpretations and appropriations. In both micro and macro case-studies, this volume engages the multiple perspectives as advocated by manifold interested actors, and analyzes their uses, biases and ideological functions over time in different cultural, disciplinary and national contexts. This volume includes both historical treatments of differing German-Jewish understandings of their experience – their relations to their Judaism, general culture and to other Jews – and contemporary reflections and competing interpretations as to how to understand the overall experience of German Jewry.

"A Major Collection of Scholarship that Contains the most up-to-Date, Indeed Cutting-Edge Work on Gender and Jewish History by Several Generations of Top Scholars."---Atina Grossmann, the Cooper Union By Revealing the Importance of gender in interpreting the Jewish past, this collection of original essays highlights the profound influence that feminist scholarship has had on the study of Jewish history since the 1970s. Gender and Jewish History considers the impact of gender on Jewish religious practices and political behavior, educational accomplishments and communal structures, acculturation and choice of occupations. The book stimulates conversations on such topics as Jewish women's creativity and spirituality, violence against women, Jews' reactions to persecution in the Holocaust, and Judaism as lived religion and culture. Honoring Paula E. Hyman, one of the founders of Jewish gender studies, this volume shows gender to be an eye-opening entry into realms of Jewish history previously untouched by it.

Scholarly survey covers Old World origins; profiles of New World cultures of German and Eastern European Jews; the effects of changing political and economic climates; and immigrant settlement on the Lower East Side settlement.

Die Reihe Europ ä isch-J ü dische Studien repr ä sentiert die international vernetzte

Kompetenz des » Moses Mendelssohn Zentrums für europäisch-jüdische Studien « (MMZ). Der interdisziplinäre Charakter der Reihe, die in Kooperation mit dem Selma Stern Zentrum für Jüdische Studien Berlin-Brandenburg herausgegeben wird, zielt insbesondere auf geschichts-, geistes- und kulturwissenschaftliche Ansätze sowie auf intellektuelle, politische, literarische und religiöse Grundfragen, die jüdisches Leben und Denken in der Vergangenheit beeinflusst haben und noch heute inspirieren. Mit ihren Publikationen weiß sich das MMZ der über 250jährigen Tradition der von Moses Mendelssohn begründeten Jüdischen Aufklärung und der Wissenschaft des Judentums verpflichtet. In den BEITRÄGEN werden exzellente Monographien und Sammelbände zum gesamten Themenspektrum Jüdischer Studien veröffentlicht. Die Reihe ist peer-reviewed.

An introduction to Judaism.
