Eighty-seven (87) restored and sourced, rare historical illustrations and photographs. A fascinating look into the mind of one of America's first serial killers. Born as Herman Webster Mudgett, H. H. Holmes was a horrific killer featured in Erik Larson's popular book, *The Devil in the White City*. Holmes built a three story 'Murder Castle' in Chicago in the late 1800s with death on his mind. A doctor by trade, Holmes lured unsuspecting victims into secret rooms, vaults and gas chambers and made use of a dissection table in his basement. He preyed on travelers that came to Chicago for the World Columbian Exposition in 1893 by advertising

## Where To Download Holmes Own Story

rooms for rent and offering employment opportunities. No doubt about it, Holmes earned despicable nicknames such as Arch Fiend, Butcher, Modern Bluebeard, Swindler, and Moral Degenerate. Holmes was a monster in disguise as a doctor, a perfect ruse to lure his victims. After all, who would not trust a doctor? Learn what Holmes personality and thought process was like, straight from the mind of a killer. This three-part book includes Holmes' memoir and his confession of twenty-seven murders. It also has details about his death, unusual burial, and an odd story Holmes told about his reincarnation. Notes, illustration credits, and bibliography are included.

Holmes' Own Story, 1895 is an unchanged, high-quality reprint of the

## Where To Download Holmes Own Story

original edition of 1895. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

H.H. Holmes did what few serial killers ever do. He published a series of autobiographical documents that revealed his sociopathic tendencies--and lied about his crimes. The infamous killer of the Chicago World's Fair published a memoir and a

## Where To Download Holmes Own Story

confession, both of which conceal more than they reveal of the truth. Then he gave a speech at his hanging that recanted everything. This series of documents, edited and explained by Matt Lake, author of *Weird Pennsylvania*, show the dark but charming side of a man who lured somewhere between 24 and 200 men, women, and children to their deaths.

America's first and most notorious serial killer and his diabolical killing spree during the 1893 World's Fair in Chicago, now updated with a new afterword discussing Holmes' exhumation on *American Ripper*. H. H. Holmes: The True History of the White City Devil is the first truly comprehensive book examining the life and career of a murderer who has become one of America's great

## Where To Download Holmes Own Story

supervillains. It reveals not only the true story but how the legend evolved, taking advantage of hundreds of primary sources that have never been examined before, including legal documents, letters, articles, and records that have been buried in archives for more than a century. Though Holmes has become just as famous now as he was in 1895, a deep analysis of contemporary materials makes very clear how much of the story as we know came from reporters who were nowhere near the action, a dangerously unqualified new police chief, and, not least, lies invented by Holmes himself. Selzer has unearthed tons of stunning new data about Holmes, weaving together turn-of-the-century America, the killer's background, and the wild cast of characters who circulated in and

## Where To Download Holmes Own Story

about the famous “castle” building. This book will be the first truly accurate account of what really happened in Holmes’s castle of horror, and now includes an afterword detailing the author’s participation in Holmes’ exhumation on the TV series, *American Ripper*. Exhaustively researched and painstakingly brought to life, H. H. Holmes will be an invaluable companion to the upcoming Martin Scorsese and Leonardo DiCaprio movie about Holmes’s murder spree based on Erik Larson’s *The Devil in the White City*.

Mike Holmes, the artist behind the hit series *Secret Coders* and *Wings of Fire*, delivers his solo debut: *My Own World*, a middle grade memoir-inflected fantasy graphic novel. Life is difficult for nine-year-old Nathan. All he

## Where To Download Holmes Own Story

dreams of is hanging out with his older brother, watching Raiders of the Lost Ark, and enjoying summer vacation far away from the neighborhood bullies. When he overhears his parents talking about a family crisis, he seeks sanctuary from his troubles. In an abandoned lighthouse, Nathan discovers a portal to a berry-colored world where time has little meaning and he, finally, is in control. There, his imagination takes him on wondrous adventures, across seas and through the air, with new extraordinary friends of his own creation. In his magical hideaway, Nathan is safe from the anxieties of his life—but can he bring himself to face the real world?

H.H. Holmes was a doctor, real estate speculator, pharmacist, bigamist, swindler, and America's first media

## Where To Download Holmes Own Story

superstar serial killer. As he awaited trial, he put out a series of autobiographical documents, press releases, and interviews that revealed his sociopathic tendencies--and lied about his crimes. The infamous killer of the Chicago World's Fair published a memoir and a confession, both of which conceal more than they reveal of the truth. Then he gave a speech at his hanging that recanted everything. This series of documents is edited into a seamless narrative with newspaper clippings that shows the dark but charming side of a man who had nine confirmed kills and who claimed to have killed 27. This edition ends with a description by Matt Lake, author of *Weird Pennsylvania*, of the strange secret burial of the hanged Holmes, and recent exhumation that calls into question everything we thought we
