The Complete Idiot's Guide to Motorcycles, Fourth Edition, is the most complete book on motorcycles, covering everything from how to choose and maintain a motorcycle and how to buy appropriate gear, to how to ride safely, and how to make the most out of trips on the open road.

Jury Instructions on Products Liability, Fourth Edition covers the issues likely to arise in a trial. Judges have given them, juries have followed them, and appeals courts have tested them. Each instruction cites supporting case law, including relevant law review articles and annotations to American Law Reports, to save time and effort in finding support for your request. Jury Instructions on Products Liability explains the issues for the layman, translating complex legal issues into everyday language. Tailor each instruction to fit the unique details of your case and fine-tune the issues to assert more control over jury deliberations. Jury Instructions on Products Liability includes hundreds of instructions on these and other topics: • Duty to warn • Strict products liability • Unavoidably unsafe products • Warranty liability and misrepresentation • Design defect liability • Risk-utility doctrines • Testing and inspection • Industry standards and customs • Comparative negligence • Assumption of risk • Causation The Fourth Edition also addresses the New Restatement of Torts: Products Liability.
