Henry VIII (1509-1547) is one of history ' s most famous monarchs. His radical political and religious upheavals reshaped the Tudor world. He is best known for his six marriages and his life-long pursuit of a male heir. His six wives and their lives are the subject of much fascination and speculation that continues to this day.

Who were Henry VIII's wives? - Royal Museums Greenwich
The portrait of Henry VIII in a dark tunic with a fur collar (NPG 4690) was painted around 1520 and follows the format of earlier portraits of English kings. The spandrels in the top corners contain the Tudor heraldic emblems of the rose and portcullis and the composition consciously imitates the portraiture of the Burgundian court.

and its influence on strategies and tactics for waging war and making peace in the 1540s.

The New York Times bestselling history of the legendary six wives of Henry VIII--from the acclaimed author of Marie Antoinette. Under Antonia Fraser's intent scrutiny, Catherine of Aragon emerges as a scholar-queen who steadfastly refused to grant a divorce to her royal husband; Anne Boleyn is absolved of everything but a sharp tongue and an inability to produce a male heir; and Catherine Parr is revealed as a religious reformer with the good sense to tack with the treacherous winds of the Tudor court. And we gain fresh understanding of Jane Seymour's circumspect wisdom, the touching dignity of Anna of Cleves, and the

youthful naivete that led to Katherine Howard's fatal indiscretions. The Wives of Henry VIII interweaves passion and power, personality and politics, into a superb work of history.

Published between 1862 and 1932, and reissued here in multiple parts, this monumental calendar of documents remains an essential starting point for the serious study of Tudor history. An experienced editor of historical texts, John Sherren Brewer (1809-79) had no prior training in the

history of the period, yet he brought to the project the necessary industriousness and an impeccable command of Latin. Four volumes appeared before his death, whereupon James Gairdner (1828-1912), his former assistant, took up the editorial reins. Continuing Brewer's method of ordering chronologically all available documents from 1509 to 1547, and reproducing some passages while paraphrasing or omitting others, Gairdner brought the project to its conclusion, aided himself by R. H. Brodie (1859-1943) in preparing the later volumes. Part 2 of Volume 3 (1867) has been split into two for this reissue: this first half covers the period from July 1521 to 21 October 1522.
