If your business doesn't have the necessary skills to design and provide in-house training, you may want to consider buying in off-the-shelf or tailor-made courses. You can increase the profile of your business and the skills of your employees by having your in-house training recognised. To do this, you could:

Book & CD-ROM. Ask any manager today and they will say their biggest concern is the competition for talented, good employees. The business costs and impact of employee turnover can be grouped into four major categories: costs resulting from a person leaving, hiring costs, training costs and lost productivity costs. The estimated cost to replace an employee is at least 150 percent of the person's base salary. As you can see, managers must learn to hire, train and keep your employees highly motivated. This book will help you to learn the fundamentals of sound hiring, how to identify high-performance candidates and how to spot evasions. You will learn to create a workplace full of self-motivated employees who are highly purpose-driven. The book contains a wide assortment of carefully worded questions that help to make the process more effective. Innovative step-by-step descriptions of how to recruit, interview, hire, train and keep the best people for every position in your organisation. This book is filled to the brim with innovative and fun training ideas (that cost little or nothing) and ideas for increasing employee involvement and enthusiasm. When you get your employees involved and enthused, you will keep them interested and working with you, not against you. With the help of this book, get started today on building your workplace into one that inspires employees to do excellent work because they really want to!

“Using Train Your Brain, in two years, I’ve gone from zero to a million dollars a year in my business and paid off \$30,000 in debt!” ~ Sarah Thomas, Basehor, KS When Dana Wilde began her direct-sales business, she realized that education for entrepreneurs typically consisted of endless “how-to” explanations: how to market, how to pick up the phone, how to manage your time, how to increase bookings or sales. There always seemed to be a new system to learn, a new surefire method or cutting-edge technique for entrepreneurs to master. In an effort to teach her team members a better and easier way, Dana Wilde created Train Your Brain, a tested and proven system combining elements of both mindset and action ... or as Dana likes to call it, Intentional Action. What Dana discovered by using Train Your Brain is that mindset can be “taught” and that learning simple mindset strategies not only allows you to understand how the brain works but also shows you how easy it is to change your thinking and, as a result, change your outcomes. In Train Your Brain, Dana breaks down the Cycle of Perpetual Sameness—the number one reason why most people only experience incremental change in their lives. More importantly, she also provides the much-needed blueprint to help you get off this counterproductive cycle quickly. Train

Your Brain, with its twenty easy-to-implement “Mindware Experiments,” gives you all the necessary tools needed to get off ... and stay off ... the Cycle of Perpetual Sameness, so you can transform your life and grow your business in record time!

A practical guide to effective business model testing 7 out of 10 new products fail to deliver on expectations. Testing Business Ideas aims to reverse that statistic. In the tradition of Alex Osterwalder’s global bestseller Business Model Generation, this practical guide contains a library of hands-on techniques for rapidly testing new business ideas. Testing Business Ideas explains how systematically testing business ideas dramatically reduces the risk and increases the likelihood of success for any new venture or business project. It builds on the internationally popular Business Model Canvas and Value Proposition Canvas by integrating Assumptions Mapping and other powerful lean startup-style experiments. Testing Business Ideas uses an engaging 4-color format to: Increase the success of any venture and decrease the risk of wasting time, money, and resources on bad ideas Close the knowledge gap between strategy and experimentation/validation Identify and test your key business assumptions with the Business Model Canvas and Value Proposition Canvas A definitive field guide to business model testing, this book features practical tips for making major decisions that are not based on intuition and guesses. Testing Business Ideas shows leaders how to encourage an experimentation mindset within their organization and make experimentation a continuous, repeatable process.

As seen in Fast Company, Inc., Entrepreneur, Quartz at Work, Big Think, Chief Learning Officer, Chief Executive Officer, and featured in the Financial Times, and Forbes Recommended Reading for Creative Leaders. The workplace is going through a large-scale transition with digitization, automation, and acceleration. Critical skills and expertise are imperative for companies and their employees to succeed in the future, and the most forward-thinking companies are being proactive in adapting to the shift in the workforce. Kelly Palmer, Silicon Valley thought-leader from LinkedIn, Degreed, and Yahoo, and David Blake, co-founder of Ed-tech pioneer Degreed, share their experiences and describe how some of the smartest companies in the world are making learning and expertise a major competitive advantage. The authors provide the latest scientific research on how people really learn and concrete examples from companies in both Silicon Valley and worldwide who are driving the conversation about how to create experts and align learning innovation with business strategy. It includes interviews with people from top companies like Google, LinkedIn, Airbnb, Unilever, NASA, and MasterCard; thought leaders in learning and education like Sal Khan and Todd Rose; as well as Thinkers50 list-makers Clayton Christensen, Daniel Pink, and Whitney Johnson. The Expertise Economy dares you to let go of outdated and traditional ways of closing the skills gap, and challenges CEOs and business leaders to embrace the urgency of re-skilling and upskilling the workforce.

Charan has seen the business world from both ends of the spectrum. While growing up in India, working in his family shoe business, he came to understand how a business works and the critical elements of success. A powerful lesson in what is really important in business, this remarkable book takes the lessons of the peddler and reveals how they can be used by the rest of us.

Don't waste another second of your time struggling to train your team! I have years of experience successfully fixing team training for dozens of the country's leading businesses! Imagine getting problem solving, figuring out people's personalities and effective communication for your business, in as little time as possible, with virtually no effort on your part! Sound impossible? It's really not... I've been helping businesses achieve these remarkable results for many years, by effectively eliminating the issues that come up with effective team training. Simply put, I understand all the different aspects that need to be taken into careful consideration before team training even begins. And I can teach you the secrets too... To Date, Many Individuals And Businesses Have Benefitted From My Ability To Know What Is Needed To Train Teams Effectively In the years that I've been providing my knowledge to people like you and companies like yours, I've been able to help many small and large businesses ELIMINATE the struggle of team training and learn the secrets of doing it easily and correctly. And most of those companies are now enjoying well trained teams, as a direct result of my recommendations. Would you like to see some proof of my results? Here are case studies of several of several people, who enjoyed exceptional results after following the action plan I laid out for them: {insert testimonials here} Here's How I Approach The Team Training Problems That Are Causing Your Business To Fall Behind Over the years, I've examined team training from every conceivable angle, as I searched for the most efficient and effective way to resolve the issues that come with it. And what I've discovered through all of my research is that to be truly successful in putting an end to unsuccessful training -- and start enjoying all well oiled business machine -- you need to be a leader that instills the motto of working together towards the effective and successful achievement of a goal. "I've Found The Best Solution To Fixing Your Team Training Issues, And I'll Show You EXACTLY How To Do It Too!" When you use this product me, you'll get a complete and thorough examination of the problem you're facing, along with a full set of recommendations you can implement yourself, in order to put an end to a team that is lacking the correct training and enjoy the benefits that come with a well trained team. This product gets started by giving you all the basics on team training. Starting at the beginning is crucial. Once you have gotten a background on the issue, you'll get more indepth recommendations, and the product will deliver the following: The benefits of problem solving The benefits of personality assessments All the benefits of communication

Entrepreneur, CEO, or business leader: no matter your title, the success of your company is a responsibility-and weight-that lies squarely on your shoulders. In the beginning, increased control was an asset that bought you peace of mind. But now, without the structure your business needs to thrive, you're overworked, overwhelmed, and unsure of the path ahead. Fortunately, everything that makes your company work can be captured and put to work for you. In The Business Playbook, serial entrepreneur Chris Ronzio walks you through his proven framework for building a playbook: the profile of your business, the people who work in it, the policies that guide it, and the processes that operate it. He shows you how to codify your culture and create a living document that allows you to let go of day-to-day responsibilities and empower your team to run the business without you. If you want to build a company that doesn't rely on you putting in more hours, this book will show you the way.

The long-awaited follow-up to the international bestsellers, Business Model Generation and Value Proposition Design Alex Osterwalder and Yves Pigneur’s Business Model Canvas changed the way the world creates and plans new business models. It has been used by corporations and startups and consultants around the world and is taught in hundreds of universities. After years of researching how the world’s best companies develop, test, and scale new business models, the authors have produced their definitive work. The Invincible Company explains what every organization can learn from the business models of the world’s most exciting companies. The book explains how companies such as Amazon, IKEA, Airbnb, Microsoft, and Logitech, have been able to create immensely successful businesses and disrupt entire industries. At the core of these successes are not just great products and services, but profitable, innovative business models--and the ability to improve existing business models while consistently launching new ones. The Invincible Company presents practical new tools for measuring, managing, and accelerating innovation, and strategies for reducing risk when launching new business models. Serving as a blueprint for your growth strategy, The Invincible Company explains how to constantly stay ahead of your competition. In-depth chapters explain how to create new growth engines, change how products and services are created and delivered, extract maximum profit from each type of business model, and much more. New tools—such as the Business
