Amazon.com: Customer reviews: I Am a Wonder Woman

I am Wonder Woman In my circle of friends, I started being referred to as "Wonder Woman," mostly because of the amount of projects I tackled and how much I could pack into one day. "You seem to be able to do it all!" they'd say (not by any means true, by the way-) and though I protested, the name followed as a compliment from my friends, mostly because they knew I loved comic books.

I Am A Wonder Woman Convert • Geek Insider

You're Comic Book Wonder Woman! You are the Wonder Woman from the pages of Comics. Like the long-running DC superhero you are complex and ever changing. Your fashion sense, romantic sensibilities, politics and habits are not the same now as they were in the past, and will most certainly change in the future.

Wonder Woman has been around for many, many years and remains to this day one of the best comic book characters. It's actually surprising it took DC this long to come out with a movie for her, but the movie released in 2017 was undoubtedly the best DC movie yet.. Part of what makes Wonder Woman so great is that she empowers other women. She has a habit of saying the right words to make women ...

Kids who love action-packed stories will be excited to see Wonder Woman fighting for justice in this I Can Read book. Meet Diana, Princess of the Amazons, and discover how she becomes the amazing Wonder Woman! Full of super hero action, Wonder Woman Classic: I Am Wonder Woman is a Level Two I Can Read book, geared for kids who read on their own but still need a little help.

Heartfelt and delightful, I'm Not Wonder Woman encourages, inspires, and challenges women to "discover the real you." Best-selling author Sheila Walsh then invites readers to embrace life and celebrate the joy of being a wonderful woman! Somewhere between being Wonder Woman and wondering what is wrong with you is a greater reality: God created you to be a wonderful woman. Instead of trying to live up to an unrealistic role, best-selling author Sheila Walsh invites you to take off your cape and boots, set aside your crumpled suit, and discover the authentic woman, beloved and valued by God. In this book, Sheila helps you understand that in God's eyes, you are already a beautiful and creative woman.

A riveting work of historical detection revealing that the origin of Wonder Woman, one of the world's most iconic superheroes, hides within it a fascinating family story--and a crucial history of twentieth-century feminism Harvard historian and New Yorker staff writer Jill Lepore has uncovered an astonishing trove of documents, including the never-before-seen private papers of William Moulton Marston, Wonder Woman's creator. Beginning in his undergraduate years at Harvard, Marston was influenced by early suffragists and feminists, starting with Emmeline Pankhurst, who was banned from speaking on campus in 1911, when Marston was a freshman. In the 1920s, Marston and his wife, Sadie Elizabeth Holloway, brought into their home Olive Byrne, the niece of Margaret Sanger, one of the most influential feminists of the twentieth century. The Marston family story is a tale of drama, intrigue, and irony. In the 1930s, Marston and Byrne wrote a regular column for Family Circle celebrating conventional family life, even as they themselves pursued lives of extraordinary nonconformity. Marston, internationally known as an expert on truth--he invented the lie detector test--lived a life of secrets, only to spill them on the pages of Wonder Woman. The Secret History of Wonder Woman is a tour de force of intellectual and cultural history. Wonder Woman, Lepore argues, is the missing link in the history of the struggle for women's rights--a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later. This edition includes a new afterword with fresh revelations based on never before seen letters and photographs from the Marston family's papers. With 161 illustrations and 16 pages in full color

Diana, Princess of the Amazons, journeys to the World of Man in this coming-of-age young adult story.

A fun and feminist look at forgotten women in science, technology, and beyond, from the bestselling author of THE FANGIRL'S GUIDE TO THE GALAXY You may think you know women's history pretty well. But have you ever heard of. . . · Alice Ball, the chemist who developed an effective treatment for leprosy--only to have the credit taken by a man? · Mary Sherman Morgan, the rocket scientist whose liquid fuel compounds blasted the first U.S. satellite into orbit? · Huang Daopo, the inventor whose weaving technology revolutionized textile production in China--centuries before the cotton gin? Smart women have always been able to achieve amazing things, even when the odds were stacked against them. In Wonder Women, author Sam Maggs tells the stories of the brilliant, brainy, and totally rad women in history who broke barriers as scientists, engineers, mathematicians, adventurers, and inventors. Plus, interviews with real-life women in STEM careers, an extensive bibliography, and a guide to women-centric science and technology organizations--all to show the many ways the geeky girls of today can help to build the future. Table of Contents: Women of Science Women of Medicine Women of Espionage Women of Innovation Women of Adventure

The official novelization of the eagerly anticipated movie, Wonder Woman. Before she was Wonder Woman, she was Diana, princess of the Amazons, trained to be an unconquerable warrior. Raised on a sheltered island paradise, when an American pilot crashes on their shores and tells of a massive conflict raging in the outside world, Diana leaves her home, convinced she can stop the threat. Fighting alongside man in a war to end all wars, Diana will discover her full powers... and her true destiny.

Details Wonder Woman's childhood as a warrior princess on a secret, faraway island, and describes why she decides to leave the Amazons and help save the world.

Warrior. Princess. Hero. Diana's destiny is to be the world's greatest female super hero... if she can survive this action-packed adventure! Young Princess Diana is fierce and whip-smart, and she loves her island home of Themyscira. Her deepest wish is to be able to train with the rest of the Amazons and protect her homeland--but she's told it's out of the question. This is the year Diana hopes to persuade her mother, Queen Hippolyta, to let her learn how to fight when the world's most powerful women gather on Themyscira for a festival to celebrate their different cultures. But at the start of the festivities, an unexpected and forbidden visitor--a boy!--brings news of an untold danger that threatens Themyscira and all of its sacred
