Dating. Isn't there a better way? Reorder your romantic life in the light of God's word and find more fulfillment than the dating game could ever give - a life of purposeful singleness.

**Purpose Driven Romance** The last thing singles want is more rules. But if you're looking for an intentional, God-pleasing game plan for finding a future spouse, Joshua Harris delivers an appealing one. A compelling new foreword, an all-new "8 Great Courtship Conversations" section, and updated material throughout makes this five-year revision of the original *Boy Meets Girl* a must-have! Harris illustrates how biblical courtship—a healthy, joyous alternative to recreational dating—worked for him and his wife. *Boy Meets Girl* presents an inspiring, practical example for readers wanting to pursue the possibility of marriage with someone they may be serious about. Are you ready for "romance with purpose"? If you're fed up with self-centered relationships that end in disillusionment, it's time to rethink romance. Finding the loving, committed relationship you want shouldn't mean throwing away your hopes, your integrity, or your heart. In *Boy Meets Girl*, Joshua Harris—the guy who kissed dating goodbye—makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need. Think of it as romance chaperoned by wisdom, cared for by community, and directed by God's Word. Filled with inspiring stories from men and women who have rediscovered courtship, *Boy Meets Girl* is honest, romantic, and refreshingly biblical. Keep God at the center of your relationship as you discover how to:

- Set a clear course for your romance
- Get closer without compromise
- Find support in a caring community
- Deal with past sexual sin
- Make the right decisions about your future

**New! Courtship Conversations** Eight ideas for great dates that will help grow and guide your relationship. **Story Behind the Book** "I wrote *I Kissed Dating Goodbye* to challenge singles to drop the worldly approach to serial dating and reconsider the way they pursued romance in light of God's Word. Since then, I've received letters asking questions like, So, what comes between friendship and marriage? and, How can you know when you are ready for marriage? *Boy Meets Girl* answers those questions. Now as a happily married man I can look back on my courtship with Shannon and see from personal experience that God is faithful. If you trust Him enough to wait on romance in dating, He will lovingly guide you as you pursue it in courtship...right to that wonderful moment when you kneel together at the altar." — Joshua Harris

The generation born into evangelical purity culture has grown up, but many still struggle with its complicated legacy. Examining purity culture's teachings through the lens of Scripture, Rachel Joy Welcher charts a path forward in the ongoing debates about sexuality—one that rejects legalism and license alike, steering us back instead to the good news of Jesus.

Offers wisdom and guidance for Christians to strengthen their faith, discussing how God speaks to individuals, how Jesus' death on the cross paid for sins, who the Holy Spirit is, and more.

God designed us to build our lives around a local church. Bestselling Joshua Harris reveals how and why to fall in love with, and stay committed to, the church.

The control freak. The angry man. The lazy guy. The unteachable guy. The promiscuous man. The unbeliever. The lone ranger. The unchurched guy. The new convert. The commitment-phobe. For any woman who has struggled with failed relationships, this may seem like a familiar list. These are the men your friends and family have in mind when they

think, “she’s with the wrong guy.” And while the reasons women choose these types of men are complicated and varied, ultimately, they will all let you down. In *She’s Got the Wrong Guy*, Deepak Reju offers a different kind of dating book, discussing the types of guys women should not marry and offering biblical reasons why they aren’t suitable spouses. Writing from his years of experience as a pastor and counselor, Reju shares with women his perspective on how to assess a relationship’s strengths from the beginning, how to identify possible pitfalls, and how to have the courage to wait for a relationship that will be a blessing for both of you. Using stories that single women can relate to and highlighting contemporary issues in the modern world of dating, Reju gives readers clear, biblical direction on how to have positive, life-giving relationships with members of the opposite sex. With a strong, Christ-centered focus, women will better understand why they “settle” for less than what God intends for their romantic relationships and learn to put their hopes and find their happiness in Jesus, not marriage.

In the strange, us-versus-them Christian subculture of the 1990s, a person’s faith was measured by how many WWJD bracelets she wore and whether he had kissed dating goodbye. Evangelical poster child Addie Zierman wore three bracelets asking what Jesus would do. She also led two Bible studies and listened exclusively to Christian music. She was on fire for God and unaware that the flame was dwindling—until it burned out. Addie chronicles her journey through church culture and first love, and her entrance—unprepared and angry—into marriage. When she drops out of church and very nearly her marriage as well, it is on a sea of tequila and depression. She isn’t sure if she’ll ever go back. *When We Were on Fire* is a funny, heartbreaking story of untangling oneself from what is expected to arrive at faith that is not bound by tradition or current church fashion. Addie looks for what lasts when nothing else seems worth keeping. It’s a story for doubters, cynics, and anyone who has felt alone in church.
