A heartwarming love story between mother and child When Mama Elephant must leave Little One to ask the skies for rain, the young elephant is worried. Who will care for Little One? Who will sing Mama's special songs? When will she return? Mama is very reassuring - Little One will hear her song on the wind and feel her love in the warmth of the sun, and, after the rains come, they will meet where the moon sets. Exquisitely illustrated and supremely comforting, Meet Me at the Moon is a mother and child love story to be enjoyed again and again.

This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. □ Offers easy subject access to children's picture books □ Features a user-friendly organization □ Provides in-depth indexing and full bibliographic detail

Humanity left Earth several hundreds of years ago. Shifters were among the first to board the space stations escaping from the dying planet. During the long voyage in deep space, mutations changed the paranormal passengers altering their lives forever. As a result, shifters lost their ability to reproduce and enrolled geneticists to ensure their survival. Valentine Lobo is the last werewolf left in all the Coral System. The undisputed leader of planet Lupine, he has been waiting for his genetically engineered bride for centuries. He has no time to court Mirella Canalis, the young woman whom he only sees as a means to an end. After all, her only reason to exist is to give the alpha werewolf an heir. Valentine is arrogant and domineering. He must save House Lobo from oblivion. What will happen when he finally meets sweet and naïve Mirella on his wedding night? A dash of space opera and plenty of steamy paranormal romance.

Prudence Aldrich is a sex addict. Five weeks ago, she checked into the Serenity Hills rehab center to prevent that addiction from ruining every important relationship in her life. Now Prue must face the trail of destruction she left behind, including mending the broken bond with her teenage son, finalizing the divorce from her husband, Nick, and using a newly learned set of skills to ward off her insatiable cravings for male attention—a compulsion that puts her friendship with lifelong pal Lily to the test. Adding ever further complications to the hurdles in her path is the arrival into town of Alistair Prescott, her in-rehab romantic obsession, and the one person in the world most capable of throwing Prue off her recovery. Meanwhile, Serenity Hills counselor Mike Sullivan is undergoing a crisis of his own—one that will drive him to the rediscovery of a lifelong passion . . . and causing him to cross paths again with Prue, his former patient. *A Dress the Color of the Moon* tracks the rocky and sometimes disastrous path to recovery—a recovery that will require Prudence and her friends to face down the demons of their pasts while
