This textbook provides students with the knowledge of basic accounting principles and practices concerned with preparing and presenting corporate accounts in a systematic manner. The unique feature of this book is the simplicity of presentation which enables students to understand the subject and solve practical problems with ease. The main strengths of the book are the plentiful illustrative examples and the end-of-chapter exercises with answers. The wide coverage and user-friendly approach makes the book to comprehensively meet the requirements of students studying Corporate Accounting as a subject at B.Com & BBA examinations of different Indian universities based on Choice Based Credit System (CBCS).
