Kannada Language, History of Kannada language
The origin of Kannada language, also known as kannarese, can be traced to the early Christian era. Kannada is one of the most well known Dravidian languages of India. It is as old as Tamil, the truest language of the Dravidian family. It is spoken predominantly in the state of Karnataka in India (one of the four southern states in India), though a significant number of Kannada speaking people can also be found in the other states.

Kannada Language, The Language of Kannada, History of ...
Kannada (/ ? k ?? n ? d ?, ? k æ n-/; ????? [?k?n???a?]; less commonly known as Kanarese) is a Dravidian language spoken predominantly by the people of Karnataka in south western region of India. The language is also spoken by linguistic minorities in the states of Maharashtra, Andhra Pradesh, Tamil Nadu, Telangana, Kerala and Goa; and also by Kannadigas abroad.

Indian History pdf-with Special Reference to Karnataka ...
Kannada is the second oldest of the four major Dravidian languages with a literary tradition. The oldest Kannada inscription was discovered at the small community of Halmidi and dates to about 450 ce. The Kannada script evolved from southern varieties of the Ashokan Brahmi script.

Kannada language | Britannica
Kannada is one of the most well known Dravidian languages of India. It is as old as Tamil, the truest language of the Dravidian family. It is spoken predominantly in the state of Karnataka in India. Though a significant number of Kannada speaking people can also be found in USA, UAE, Singapore, Australia and UK, all of which have migrated from India.

Kannada Language, History Of Kannada Language, Kannada ...
In writing Kannada, Kannada script (originated from old Brahmi script and closely related to Telugu script) with specific distinctions is used. The contribution of early missionaries to the study and development of the language is freely acknowledged by the people of the state. Hinduism is the main religion. Christians are a minority.

The author, a historian of repute, confronts important issues of Indian history in this classic work. He raises such questions as "Was there an Aryan Invasion of India in the past?", "Is the caste system a bane or a boon?", "Did Indian women enjoy equal rights in ancient times?", "Was Democracy an alien concept to Vedic Indians?", "Why Buddhism became extinct in the country of its origin?", "What is India's lasting contribution to the field of Science, Mathematics, Astronomy, Medicine, Chemistry, Metallurgy, etc.?", "Was Indian Culture greatly impacted by foreign religions?", "How did India influence its neighbouring Eastern and Western countries?", "Is Sanskrit only an off-shoot of the Indo-European Languages Group?", "What was the scale of the social, economic and political implosion detonated by two centuries of British Colonial Rule?". The author has answered the above vexing questions based on an intensive study of Archaeology, Epigraphy, Numismatics, original records in different languages and the travelogues of foreign visitors. (Translator's Note).

Who were the Harappans? How are they related to present-day Indians? Was there never an "Aryan Invasion"? The Sarasvati Civilization: A New Paradigm in Ancient Indian History brings together evidence from satellite imagery, geology, hydrodynamics, archaeology, epigraphy, textual hermeneutics, and DNA research to place together ancient Indian history in the light of new discoveries and facts which were simply not available to colonial historians of the 19th century and have been overlooked thereafter. At the heart of the ancient Indian Civilization was the mighty Sarasvati river which was in full flow 5000-6000 years ago. 60-80 % of the so-called Indus Valley Civilisation sites which have been discovered are not on the banks of the Indus but on the course of the Sarasvati. The drying-out of the river is the most significant factor in the history and migrations of the ancient Indians. With new evidence, the time has come for a significant paradigm shift in Indology. This book breaks new ground to lay the foundation for an authentic Indian history.

Rodeo researcher and writer Reba Perry Blakely discusses Indian history in the State of Washington, especially the Treaty of Walla Walla. She also attempts to interest the National Cowboy Hall of Fame in financing a book on the subject that she proposes to write and talks about her own family history.

The idea of transitions in Indian history emerged early when the term 'transition' denoted shifts from one period to another. The notion of transition itself has moved beyond being primarily economic to include dimensions of society, culture and ideology. This volume brings together scholarly works that re-examine and re-define the concept of transition by looking into a range of subjects including religion, culture, gender, caste and community networks, maritime and mercantile modes, ideas of nationalism and historiographies across geographical and temporal settings. With contributions by leading scholars from South Asia, this book will be useful to scholars and researchers of ancient history, modern Indian history, sociology and social anthropology, and South Asian studies.

A Single-Volume Study Of Ancient Indian History Delineating The Various Facets, Both Political And Cultural, And Incorporating The Fruits Of Recent Researches That Have Abundantly Appeared Since 1950, Has Not Been Attempted Before. Author Has Tried To Maintain A Delicate Balance Between Political History And Social, Economic And Cultural History Of Ancient India.The Book Covers The Pre-Historic India, The Vedic Age, The Post-Vedic Civilization, North India In The Sixth Century B.C. It Also Explains New Religious Movements And Their Socio-Economic Background, Maurya Age, Political Disintegration And Foreign Invasions. The Gupta Empire, The Prominence Of North Under Harshavardhana And Its Eclipse, Bengal Under The Palas And The Senas, Dynasties Of North India, Arabs And Turks In India, Indias Intercourse With The Outside World, Have Been Discussed In Depth.History Of Deccan And South India, Hitherto Not Given Due Weightage And Culture And Civilization Of Ancient India In All Its Variegated Hues, Have Received Due Attention. Some New Topics Like Espionage, Slavery, Guilds, Urbanisation, Feudalism And Science And Technology In Ancient India, Have Been Incorporated To Make The Book As Uptodate As Possible. Apart From Meeting The Requirements Of Undergraduate And Postgraduate Students Of Indian Universities, The Book Will Serve As A Useful Guide To Candidates For Civil Service Examination (Both Preliminary And Main).
