Indignation (novel) - Wikipedia

Philip Roth's short novel. Indignation, returns to some of his past familiar themes. However, Roth only touches lightly on these themes such as Jews settling in the USA and finding their feet, sexual freedom and the hope to escape the shackles of conformity.

Indignation, By Philip Roth | The Independent

Philip Roth's astounding and sustained period of late creativity has been notable for one unifying preoccupation: death.

Review: Indignation by Philip Roth | Books | The Guardian

Like another fiction grandmaster of his generation, Alice Munro, Roth seems able to spin infinite surprising tales from a few familiar building blocks, and in Indignation, his 25th novel, he has constructed a taut, haunting (and, as always, funny) story that ranks among his best.

Indignation Quotes by Philip Roth - Goodreads

Philip Roth was born in Newark, New Jersey on 19 March 1933. The second child of second-generation Americans, Bess and Herman Roth, Roth grew up in the largely Jewish community of Weequahic, a neighbourhood he was to return to time and again in his writing.

Indignation by Philip Roth - Penguin Books Australia

Indignation, Philip Roth ''s twenty-ninth book, is a startling departure from the haunted narratives of old age and experience in Roth ''s recent books and a powerful exploration of a remarkable moment in American history. Also in Vintage International

In 1951, Marcus Messner escapes his father's fears about the potential dangers facing his son by attending college at the conservative Winesburg College, where he confronts the customs and constrictions of a different world.

Nous sommes en 1951, deuxi é me ann é de la guerre de Cor é e. Marcus Messner, jeune homme de dix-neuf ans d'origine juive, poursuit ses é tudes au Winesburg College, dans le fin fond de l'Ohio. Il a quitt é le New Jersey oil habite sa famille, dans l'espoir d' é chapper à la domination de son p è re, fou d'angoisse à l'id é e que son fils bien-aim é entre dans l' à ge adulte. En s' é loignant de ses parents, Marcus va tenter sa chance dans l'Am é rique des ann é es 1950. L'inconnu s'offre à lui, avec son cort é ge d'emb ô ches et de surprises. Avec ce roman d'apprentissage, Philip Roth poursuit son analyse de l'histoire de l'Am é rique, celle des ann é es cinquante, des tabous et des frustrations sexuelles, et de son impact sur la vie d'un homme jeune, isol é , vuln é rable.

Against the backdrop of the Korean War, a young man faces life ''s unimagined chances and terrifying consequences. It is 1951 in America, the second year of the Korean War. A studious, law-abiding, intense youngster from Newark, New Jersey, Marcus Messner, is beginning his sophomore year on the pastoral, conservative campus of Ohio ''s Winesburg College. And why is he there and not at the local college in Newark where he originally enrolled? Because his father, the sturdy, hard-working neighborhood butcher, seems to have gone mad -- mad with fear and apprehension of the dangers of adult life, the dangers of the world, the dangers he sees in every corner for his beloved boy. As the long-suffering, desperately harassed mother tells her son, the father ''s fear arises from love and pride. Perhaps, but it produces too much anger in Marcus for him to endure living with his parents any longer. He leaves them and, far from Newark, in the midwestern college, has to find his way amid the customs and constrictions of another American world. Indignation, Philip Roth ''s twenty-ninth book, is a story of inexperience, foolishness, intellectual resistance, sexual discovery, courage, and error. It is a story told with all the inventive energy and wit Roth has at his command, at once a startling departure from the haunted narratives of old age and experience in his recent books and a powerful addition to his investigations of the impact of American history on the life of the vulnerable individual.

"In 1951, the second year of the Korean War. A studious, law-abiding, intense youngster from Newark, New Jersey, Marcus Messner, is beginning his sophomore year on the pastoral, conservative campus of Ohio's Winesburg College. And why is he there and not at a local college in Newark where he originally enrolled? Because his father, the sturdy, hard-working neighborhood butcher, seems to have gone mad - mad with fear and apprehension of the dangers of adult life, the dangers of the world, the dangers he sees in every corner for his beloved boy. So Marcus leaves and, far from home, has to find his way amid the customs and constructions of another American world. Indignation is the story of a young man's education in life's terrifying chances and bizarre obstructions. It is a story of inexperience, foolishness, intellectual resistance, sexual discovery, courage and error, told with all the inventive energy and wit Roth has at his command." -- Book cover.

Now a major motion picture starring Sarah Gadon, Logan Lerman and Ben Rosenfield, and adapted for the screen by James Schamus During the second year of the Korean War in 1951, studious, law-abiding Marcus Messner is beginning his sophomore year on the conservative campus of Ohio's Winesburg College. Marcus has fled from his hometown of Newark, New Jersey, trying to escape his father's oppressive love - a love that is also a mad fear of the dangers of adult life soon to face his son. Whilst at college, Marcus has to traverse an American world that isn't his own: facing off against ardent Christian, Dean Cauldwell, and falling in love with the beautiful Olivia Hutton. Indignation gleams with narrative muscle, as it twists and turns unpredictably, and extends - shockingly - beyond the confines of natural life.

Everything is over for Simon Axler, the protagonist of the history. One of the leading American stage actors of his generation, now in his sixties, he has lost his magic, his talent and his assurance. His Falstaff and Peer Gynt and Vanya, all his great roles, 'are melted into air, into thin air'. When he goes on stage he feels like a lunatic and looks like an idiot. His confidence in his powers has drained away; he imagines people laughing at him; he can no longer pretend to be someone else. His wife has gone, his audience has left him, his agent can't persuade him to make a comeback. Into this shattering account of inexplicable and terrifying self-evacuation bursts a counterplot of unusual erotic desire, a consolation for the bereft life so risky and aberrant that it points not towards comfort and gratification but to a yet darker and more shocking end. In this long day's journey into night, told with Roth's inimitable urgency, bravura and gravity, all the ways that we persuade ourselves of our solidity, all our life's performances - talent, love, sex, hope, energy, reputation - are stripped off.

Set in a Newark neighborhood during a terrifying polio outbreak, Nemesis is a wrenching examination of the forces of circumstance on our lives. Bucky Cantor is a vigorous, dutiful twenty-three-year-old playground director during the summer of 1944. A javelin thrower and weightlifter, he is disappointed with himself because his weak eyes have excluded him from serving in the war alongside his contemporaries. As the devastating disease begins to ravage Bucky ''s playground, Roth leads us through every inch of emotion such a pestilence can breed: fear, panic, anger, bewilderment, suffering, and pain. Moving between the streets of Newark and a pristine summer camp high in the Poconos, Nemesis tenderly and startlingly depicts Cantor ''s passage into personal disaster, the condition of childhood, and the painful effect that the wartime polio epidemic has on a closely-knit, family-oriented Newark community and its children.

What kind of choices fatally shape a life? How does the individual withstand the onslaught of circumstances? These are the dark questions that animate Nemesis, the quartet of thematically related short novels that are published here together for the first time in this final volume of The Library of America ''s definitive edition of Philip Roth ''s collected works. Everyman (2006) is the sparse and affecting story of one man ''s lifelong skirmish with mortality. Set against the backdrop of the Korean War, Indignation (2008) is the extraordinary narrative of a young man struggling against the conformity of McCarthy-era America and his father ''s overwhelming fear. In The Humbling (2009), aging actor Simon Axler embarks on a risky and aberrant affair in a desperate attempt to recoup his lost artistic gifts. And in Nemesis (2010), Roth offers an exacting portrait of the emotions—fear and anger, bewilderment and grief—bred by a polio epidemic in Newark in the summer of 1944. Philip Roth is the only living American novelist to have his work published in a comprehensive, definitive edition by The Library of America. He has received the Pulitzer Prize, the National Book Award and the National Book Critics Circle Award twice, the PEN/Faulkner Award three times, the National Medal of Arts, and the Gold Medal in Fiction, the highest award of the American Academy of Arts and Letters. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation ''s literary heritage by publishing, and keeping permanently in print, America ''s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

It is 1998, the year in which America is whipped into a frenzy of prurience by the impeachment of a president, and in a small New England town, an aging classics professor, Coleman Silk, is forced to retire when his colleagues decree that he is a racist. The charge is a lie, but the real truth about Silk would have astonished his most virulent accuser. Coleman Silk has a secret. But it's not the secret of his affair, at seventy-one, with Faunia Farley, a woman half his age with a savagely wrecked past--a part-time farmhand and a janitor at the college where, until recently, he was the powerful dean of faculty. And it's not the secret of Coleman's alleged racism, which provoked the college witch-hunt that cost him his job and, to his mind, killed his wife. Nor is it the secret of misogyny, despite the best efforts of his ambitious young colleague, Professor Delphine Roux, to expose him as a fiend. Coleman's secret has been kept for fifty years: from his wife, his four children, his colleagues, and his friends, including the writer Nathan Zuckerman, who sets out to understand how this eminent, upright man, esteemed as an educator for nearly all his life, had fabricated his identity and how that cannily controlled life came unraveled. Set in 1990s America, where conflicting moralities and ideological divisions are made manifest through public denunciation and rituals of purification, The Human Stain concludes Philip Roth's eloquent trilogy of postwar American lives that are as tragically determined by the nation's fate as by the "human stain" that so ineradicably marks human nature. This harrowing, deeply compassionate, and completely absorbing novel is a magnificent successor to his Vietnam-era novel, American Pastoral, and his McCarthy-era novel, I Married a Communist.

In this funny and chilling novel, the setting is a small town in the 1940s Midwest, and the subject is the heart of a wounded and ferociously moralistic young woman, one of those implacable American moralists whose "goodness" is a terrible disease. When she was still a child, Lucy Nelson had her alcoholic failure of a father thrown in jail. Ever since then she has been trying to reform the men around her, even if that ultimately means destroying herself in the process. With his unerring portraits of Lucy and her hapless, childlike husband, Roy, Roth has created an uncompromising work of fictional realism, a vision of provincial American piety, yearning, and discontent that is at once pitiless and compassionate.
