Do You Want To Make Passive Income Online? Do You Want To Learn The Fastest Way Of Doing This? New opportunities make it easier to start an online business these days. However, there is a lot of confusion out there and the misleading information could leave beginners overwhelmed with "information overload". Passive income cuts through the fluff and heads directly to the fastest way you can make passive income online today. You don't even need to have a website these days or deal with the challenge of generating traffic to a new site before you can start making money. The Previous Methods Are Now Much Tougher A few years ago it was easier to start making money online from a blog or a niche website as an affiliate. However, it is now harder to gain traction as a new affiliate marketer due to oversaturation. Several Google algorithm updates have also contributed to making it harder for new sites to rank and get noticed. You can still make money as an affiliate marketer but it could take several months for you to begin to see semi-decent returns from your hard efforts. A Faster Way To Make Money Online Creating your own information product is currently the fastest way for a beginner to start making money online. You don't even have to create a website or struggle with how to generate traffic to start earning these days, thanks to online digital retailers like Amazon, iBooks, Udemy, SkillShare etc. Earn Passive Income With physical products, you only make your profit margins once. With a digital product, you create it once and it generates passive income for you for the rest of its lifecycle. With each information product, you create you're adding digital assets to your portfolio, making you even more passive income. You Don't Need To Be A Guru Or An Expert One of the biggest perceived roadblocks many people face when it comes to creating an information product is the belief that they need to be an "authority" on something. The reality is that the roadblock is just an illusion! To create helpful content you just need to know more about the subject than your target audience does and hence they can learn something from you. In fact, they may find it easier to learn from someone like you rather than a "guru" who may be too advanced and unable to relate to their needs. The best people to learn from are those who are just slightly ahead of you on a particular path. What You'll Learn In This Book: How to find profitable niches for your information products using proven research and selection methods. This ensures you create products that actually sell. Proven techniques for how to communicate your ideas effectively. How to create your content fast using some of the best techniques and tools in the industry. How to choose a name that sells your information product for you. How to sell information products without creating a website or worrying about generating traffic. A step-by-step guide for how to set up your website, if you choose to sell your information product from your own site.
