What if you were guaranteed that every new customer buying from you would spend the next 5 years buying more products at ever higher price points? Or you were certain every dollar spent on your advertising would return extra dollars to you down the road? Or you could finally look at your marketing efforts as investments, rather than expenses? Now, you can

... by following the proven strategies and techniques for "Buying Customers" outlined here for the first time by ActionCOACH Founder and Chairman Brad Sugars. Not only will you discover the "secrets" of buying new customers at great prices for your business, you'll turn your company into a "customer buying machine" that:

1. Buys quality customers at value prices...
2. Keeps customers coming back for more...
3. Gives customers great reasons to tell others about your business

Chasing new customers is the old way of "business as usual"... Buying Customers is the new way of "business unusual" ... one that will not only transform your own company, but your entire way of thinking about business forever!

complex financial strategies, structuring deals, and disciplined investment systems that consistently produce profitable results. His ethos is to "create wealth without creating a job." In the span of 21 months, and before his 40th birthday, Justin's investments drove enough passive income for both he and his wife Jennifer to leave their jobs. Following his simple investment system and 10 Commandments of Lifestyle Investing(c), Justin negotiated deals with over 100 companies, multiplied his net worth to over eight figures, and maintained a family-centric lifestyle in less than two years. Just two years later, he doubled his net worth again. He now consults and advises entrepreneurs and executives on lifestyle investing. Justin hosts the podcast The Lifestyle Investor(R)

can give you the knowledge which will be the catalyst for change in your life. Everyone dreams of doing something that they love for the rest of their life.

No college student looks towards the next thirty years and thinks "I don't care if I have to sit in an office for forty hours a week and work with a job I didn't go to school for." Although with the current state of the economy, many people have chosen money over passion with regards to their career, everyone would choose a job that they love over settling for something they never wanted if money is taken out of the equation. Regardless of what your career focus is, every person wants the same thing when it comes to receiving work benefits: plenty of time off to spend with friends and family, unlimited well-deserved vacation time, lots of disposable income, and a salary

large enough to get out of debt. Often, we must sacrifice one of these things for another. Such as giving up free time with loved ones to earn a bigger salary. But what if I told you that you could have your cake and eat it too? You can work doing something you love, have plenty of disposable time and income, and live a financially free life? How is this possible? Through passive income. Online passive income is a relatively new concept. The internet has provided thousands of jobs that are available on a global basis, which was thought to be nearly impossible just twenty years ago. However, it has only been in the last few years that living off a passive income has become a common lifestyle. There are hundreds of ways to make online, but only a select few that allow you to make money without

lifting a finger. You have heard the term "making money while you sleep;" that is the foundational concept of passive income. It is when you establish a stream of income that requires very little maintenance, yet still generates money that goes right into your bank account. What you will learn in this book? In this guide, you will learn everything you need to know about passive income and integrating it into your life in a sustainable way. Through real methods and techniques, you will learn the very best ways to create passive income by working online so that you can become financially free. One inescapable fact about passive income is that you can find a million different programs or offers that guarantee fast cash in just a matter of months, only to be scammed out of your own money through a
