The International Cadet 76 was a smaller lawn tractor, not part of the Cub Cadet garden tractor line. The 76 used a 7-hp vertical crankshaft Briggs & Stratton engine with a belt drive to the transmission, which was a Peerless 3-speed. The 76 was designed for mowing grass, not plowing, and so it did not have a rear

An illustrated history of the garden tractors that make small farms and vast gardens grow--the Cub Cadets, John Deeres, Simplicitys, Fords, Ariens, Wheel Horses, Kabotas, etc.

If you enjoyed Leffingwell's best-selling *The American Farm Tractor*, this stunning volume is an absolute must read! *International Harvester Tractors* beautifully chronicles the history of IH tractors, from the very first tractor through the IH ag division's merger with Case in 1985. In addition

Read Free International Cadet 76 Manual

to hundreds of nostalgic Farmall and IH photographs Leffingwell serves up an unprecedented collection of rare and unusual machines. The machines Leffingwell found in his travels across the US will surprise and delight even the hard-core IH fan! Exceptionally well produced in classic Leffingwell style. Recommended.
