The first passenger processed through Ellis Island, 17-year-old Irish immigrant Annie Moore, originally hailed from County Cork. She arrived in America with her two brothers, Anthony and Philip.

The remarkable impact of Irish-American culture on the USA

Irish immigration to America after 1846 was predominantly Catholic. The vast majority of those that had arrived previously had been Protestants or Presbyterians and had quickly assimilated, not least because English was their first language, and most (but certainly not all) had skills and perhaps some small savings on which to start to build a new life.

New York is home to the largest percentage of Irish Americans in the country. The state boasts an Irish-American population of 13%. Nationwide, the Irish-American population averages 11.2%. New York City also has the distinction of being host to the first St. Patrick 's Day Parade. It took place on March 17, 1762, and featured Irish soldiers in the English military.

8 Interesting Facts About the Irish American Population

Irish immigrants of this period participated in significant numbers in the American Revolution, leading one British major general to testify at the House of Commons that "half the rebel Continental Army were from Ireland." Irish Americans signed the foundational documents of the United States—the Declaration of Independence and the Constitution—and, beginning with Andrew Jackson, served as ...

Irish Americans - Wikipedia

The Irish and German immigrants both had a lasting political effect on American society. As the Irish and German were faced with little to no opportunity in America they entered local politics. Searching for mutual support in other immigrants, this society of people organized together and became a strong facet of the Democratic Party.

Irish and German Immigration into the United States ...

Although several ports of entry were available to ships leaving Ireland (and Liverpool in England), the vast majority of Irish immigrants to America arrived in New York. Ancestry has passenger lists for the port of New York from 1820 to 1891. Those dating from 1851 are easier to search and have the most information.

US immigration records: find records of your Irish ...

From 1820 to 1870, over seven and a half million immigrants came to the United States — more than the entire population of the country in 1810. Nearly all of them came from northern and western Europe — about a third from Ireland and almost a third from Germany.

Irish and German Immigration [ushistory.org]

Americans stereotyped the Irish as lazy, unintelligent, carefree criminals and alcoholics. Daniels points out that the term “ paddy wagon ” comes from the derogatory “ paddy, ” a nickname for “ Patrick ” widely used to describe Irish men. Given this, the term “ paddy wagon ” basically equates being Irish to criminality.

How Irish Immigrants Overcame Discrimination in America

The Irish immigrants left a rural lifestyle in a nation lacking modern industry. Many immigrants found themselves unprepared for the industrialized, urban centers in the United States.

William R. Grace became New York City's first Irish American mayor in 1880. Four years later, Hugh O'Brien won the same position in Boston. The political machines provided avenues for Irish Americans to get jobs, to deal with naturalization issues, even to get food or heating fuel in emergencies.

Irish Identity, Influence and Opportunity | Irish ...

Competition for jobs between native-born Americans and immigrants, along with a rise in anti-Catholic sentiment, led to much ill will toward the Irish. The political manifestation of this movement, called the American Party or "Nativists," used the Irish as scapegoats for society's problems and party activists created a volatile atmosphere in ...

Irish Immigrants in 19th Century Maine - Maine Memory Network

Between 1710 and 1775, around 200,000 of these Scots-Irish emigrated to what was to become the United States for many of the same reasons that they left Scotland. The majority of these new immigrants ended up first in Pennsylvania.

Describes the experiences of Irish immigrants upon arriving in America during the time of the Irish potato famine. Reader's choices reveal historical details about where they settled, the jobs they found, and the difficulties they faced.

Drawn from personal letters, journals, and diaries of actual immigrants, a riveting three-dimensional book, filled with interactive foldouts, pockets, and envelopes that contain a vast array of documents, details the Irish in America and their extraordinary rise from adversity and prejudice to affluence and eminence.

"YOU are a young Irish immigrant moving to New York in 1846. You have no money, no job, and your whole family back home is counting on you to help them through the terrible potato famine. Will you succeed?"

Discusses the reasons Irish people left their homeland to come to America, the experiences immigrants had in the new country, and the contributions this cultural group made to American society. Includes sidebars and activities.

Irish Immigrants in the Land of Canaan is a monumental and pathbreaking study of early Irish Protestant and Catholic migration to America. Through exhaustive research and sensitive analyses of the letters, memoirs, and other writings, the authors describe the variety and vitality of early Irish immigrant experiences, ranging from those of frontier farmers and seaport workers to revolutionaries and loyalists. Largely through the migrants own words, it brings to life the networks, work, and experiences of these immigrants who shaped the formative stages of American society and its Irish communities. The authors explore why Irishmen and women left home and how they adapted to colonial and revolutionary America, in the process creating modern Irish and Irish-American identities on the two sides of the Atlantic Ocean. Irish Immigrants in the Land of Canaan was the winner of the James S. Donnelly, Sr., Prize for Books on History and Social Sciences, American Council on Irish Studies.

This is a fantastic resource and a must-have when writing your Irish family history. When did your Irish ancestors immigrate, where did they leave, why did they leave, how did they get here? The author hopes you find the answer to some of these questions. The book will give insight into the immigration of your ancestors. Irish immigration had many factors, and the Great Potato Famine only magnified the main causes.

Follows the Irish from their first arrival in the American colonies through the bleak days of the potato famine, the decades of ethnic prejudice and nativist discrimination, the rise of Irish political power, and on to the historic moment when John F. Kennedy was elected to the highest office in the land.

This book focuses on the intersection between the assimilation of the Irish into American life and the emergence of an American popular culture, which took place at the same historical moment in the late 19th and early 20th centuries. During this period, the Irish in America underwent a period of radical change. Initially existing as a marginalized, urban-dwelling, immigrant community largely comprised of survivors of the Great Famine and those escaping its aftermath, Irish Americans became an increasingly assimilated group with new social, political, economic, and cultural opportunities open to them. Within just a few generations, Irish-American life transformed so significantly that grandchildren hardly recognized the world in which their grandparents had lived. This pivotal period of transformation for Irish Americans was heavily shaped and influenced by emerging popular culture, and in turn, the Irish-American experience helped shape the foundations of American popular culture in such a way that the effects are still noticeable today. Dowd investigates the primary segments of early American popular culture—circuses, stage shows, professional sports, pulp fiction, celebrity culture, and comic strips—and uncovers the entanglements these segments had with the development of Irish-American identity.
