November 27, 2020. Istanbul: Memories and the City by Orhan Pamuk. My rating: 2 of 5 stars. I have this sense that Istanbul ought to be the great city of the world, based upon its long history and grand location. Pamuk, the great Turkish novelist and Nobel prize winner, instead writes about the melancholy of the city almost two centuries into its decline from being one of the great cosmopolitan capitals of the world.

"It was in Cihangir that i first learned Istanbul was not an anonymous multitude of walled-in lives - a jungle of apartments where no one knew who was dead or who was celebrating what - but an archipelago of neighbourhoods in which everyone knew each other.".— Orhan Pamuk. Orhan Pamuk

A portrait, by turns intimate and panoramic, of one of the world's great cities, by its foremost man of letters. Blending reminiscence with history; family photographs with portraits of poets and pashas; art criticism, metaphysical musing, and, now and again, a fanciful tale, Pamuk invents an ingenious form to evoke his lifelong home, the city that forged his imagination. He begins with his childhood, his first intimations of the melancholy awareness of living in the seat of ruined imperial glories, in a country trying to become "modern" at the crossroads of East and West. Against a background of shattered monuments, neglected villas, ghostly backstreets, and, above all, the fabled waters of the Bosphorus, he charts the evolution of a rich imaginative life, which furnished a daydreaming boy refuge from family discord and inner turmoil, and which would continue to serve the famous writer he was to become. --From publisher description.

As he companionably guides us across the Bosphorus, through Istanbul's historical monuments and lost paradises, its dilapidated Ottoman villas, back streets and waterways, he also introduces us to the city's writers, artists and murderers. Like the Dublin of Joyce and Jan Morris' Venice, Pamuk’s Istanbul is a triumphant encounter of place and sensibility, beautifully written and immensely moving.

Since his boyhood in a poor village in Central Anatolia, Mevlut Karatas has fantasized about what his life would become. Not getting as far in school as he'd hoped, at the age of twelve, he comes to Istanbul—"the center of the world"—and is immediately enthralled both by the city being demolished and the new one that is fast being built. He follows his father's trade, selling boza on the street, and hopes to become rich like other villagers who have settled on the desolate hills outside the booming metropolis. But chance seems to conspire against him. He spends three years writing love letters to a girl he saw just once at a wedding, only to elope by mistake with her sister. And though he grows to cherish his wife and the family they have, his relations all make their fortunes while his own years are spent in a series of jobs leading nowhere; he is sometimes attracted to the politics of his friends and intermittently to the lodge of a religious guide. But every evening, without fail, he still wanders the streets of Istanbul, selling boza and wondering at the "strangeness" in his mind, the sensation that makes him feel different from everyone else, until fortune conspires once more to let him understand at last what it is he has always yearned for. Told from the perspectives of many beguiling characters, A Strangeness in My Mind is a modern epic of coming of age in a great city, and a mesmerizing narrative sure to take its place among Pamuk's finest achievements.

A superb, authoritatively written insider’s account of Iran, one of the most mysterious but significant and powerful nations in the world.

A Vintage Shorts Travel Selection The Nobel Prize–winning novelist Orhan Pamuk reminisces on growing up on the banks of the mysterious Bosphorus in Istanbul. From the ghostly yalis, splendid waterside mansions built by the great Ottoman families during the eighteenth and nineteenth centuries, to the crowds of vessels—Russian frigates, rickety fishing boats, and ferries—that plied its waters, Pamuk takes readers on a tour of the great river. A selection from the shimmering and evocative Istanbul: Memories and the City, “Along the Bosphorus” is the essential guide to the city’s watery way. An eBook short.

A photographic record of daily life in Istanbul from the 1940s to the 1980s. It shows the city’s melancholy aesthetic as it oscillates between tradition and modernity.
