"Trim Healthy Mama is more than a nutrition book, although you'll be armed with knowledge that will revolutionize your life. It is more than a recipe book, although you will find hundreds of quick and tasty recipes to satisfy your family and trim your waistline at the same time. Serene and Pearl coach you all the way through to freedom from food restriction and excess pounds. They go far beyond food and talk exercise, how to balance your hormones, and how to keep the fire alive in your marriage relationship." --from book description, Amazon.com.

Forget the Fad Diets, Join the Food Freedom Movement! Counting calories is out. All the food groups are in. Becoming trim and healthy doesn't have to be difficult or painstaking anymore. After trying almost every fad diet out there, Serene Allison and Pearl Barrett, creators of the Trim Healthy Mama movement, took matters into their own hands. Through trial and error and much research, they created the Trim Healthy Mama Plan, the breakthrough lifestyle program to help readers of all ages and stages get healthy, slim down and keep off the weight once and for all. Based on the authors' successful self-published book, this simplified, improved, practical plan shows readers a unique way to lose weight and get healthy by eliminating sugar, and still eating hearty, delicious food. The biblically-sound and highly effective eating approach centers on Satisfying meals (which include more fats and protein) and Energizing meals (which include more carbs and protein), as they are the key to success. Scrumptious whole, unprocessed foods, including fats, blood sugar friendly grains, proteins, fruits, and vegetables, are eaten in a way that boosts metabolism, yet still fits into anyone's hectic lifestyle. It's family friendly and effective for pregnant and nursing mothers, pre or post- menopausal women, and also those without weight or health issues—even men and growing children. The book includes menu plans, a list of key super foods to eat on plan, time-saving tips, and pantry stocking and lifestyle advice to help readers successfully reach their goals. Join the Trim Healthy Mama movement and along with thousands of others, and discover the groundbreaking, easy-does-it, and delicious way to eat for health and weight loss.

In this second edition of a best-selling handbook all the chapters have been completely revised and updated, while four completely new chapters have been added. In order to meet the needs of the practitioner, emphasis is placed on describing precisely the technology and know-how involved. Adopting a didactic and comprehensible approach, the book guides the reader through theory and applications, thus ensuring its warm welcome among the scientific community. An excellent, essential and exhaustive overview.

In their debut cookbook, the Trim Healthy Mamas share hundreds of delicious, healthy recipes to help readers successfully slim down while eating well. This companion cookbook to the bestselling Trim Healthy Mama Plan is just what readers have been waiting for. It features simple, mouthwatering, recipes for breakfast, lunch and dinner--including slow cooker and one-pot meals, hearty soups and salads, omelets and waffles, pizzas, breads and more. No Trim Healthy Mama should be deprived, so there are also favorite snacks, delectable desserts, and the smoothies, sippers and teas fans love. With pantry-stocking advice, time-saving tips, and information on how to cook for the entire family, the Trim Healthy Mama Cookbook offers a delicious and nutritious way to make trim and healthy meals with less stress--so you have more time with your loved ones.

From the bestselling authors of the Trim Healthy Mama Plan and Trim Healthy Mama Cookbook, a new cookbook for the whole family! The Trim Healthy Mamas have helped hundreds of thousands of women lose weight and live healthier lives with their bestselling cookbook and eating plan and now they are ready to help the entire family! After experiencing incredible life transformations of their own, readers want to be able to help their families feel better and trim down, too. Trim Healthy Table is just the answer. It bursts with over 300 family friendly, delicious and trimming recipes, along with practical advice on how to healthfully nourish your family without going insane and chaining yourself to the kitchen. Bestselling authors and sisters Serene Allison and Pearl Barrett have 18 children between them and their two families have been thriving on the Trim Healthy Mama plan for years. Trim Healthy Table contains all their best tips, tricks and encouragement for families, whether large or small. Serene and Pearl shamelessly share cunning ways to get picky eaters gobbling down veggies and other healthy foods they usually detest. You will learn how to painlessly use whole, unprocessed foods, including blood-sugar friendly carbs, fats, proteins, fruits and vegetables to create meals even the fussiest kids (and husbands) will love. You'll also learn how one basic meal can make a whole family happy even with different nutritional needs. The quick and easy recipes include lots of one-pot dishes such as, skillet meals, slow cooker meals, electric pressure cooker meals, casserole and soups. With the recipes you can wake up to hearty breakfasts, prepare bars for on-the-go or try a creamy, quick-to-make smoothie, even Indulge yourself with the many trimming desserts...cake for breakfast is celebrated! And, if you're simply looking for single serve 5 – 10 minute meals, the Hangry Meal chapter has you covered. In addition to the hundreds of recipes, included is a Simple Start Guide to the Trim Healthy Plan which concisely explains how you can trim down by getting your blood sugar under control and how to, ever so gently, help other members in your family who may be struggling with weight issues. So, gather your family, bring them to the Trim Healthy Table... eat up... and trim down!

international in their subject matter and are of the modern era — financial markets, monetary and fiscal policies aimed at inflation and debt control, globalization and the importance of trade flows in economic structure, and concerns about slow growth and the risk of deflation, are included. This textbook is intended for a one-semester course, and can be used in a two-semester sequence with the companion textbook, Principles of Microeconomics. The three introductory chapters are common to both textbooks."--BCcampus website.

Baking Artisan Bread provides an unimimidating, formula-based approach to baking bread at home. With step-by-step, photo-illustrated instructions, chef Cyril Hitz shows you how with just 10 formulas you can create more than 30 different breads. After a full exploration of the ingredients, equipment, and techniques of bread baking, move confidently into the kitchen to bake a range of bread types with easy-to-follow recipes for these doughs: Baguette Ciabatta Whole Wheat Pane Francese Pizza Bagel Pain de Mie Challah Brioche Croissant Once you've mastered these staples, expand your repertoire with variations on each formula. Baguette dough yields a bouquet of breadsticks, buttery brioche becomes an elegant fruit Danish, challah transforms into delicately flavored orange aniseed wheels, and so on—deliciously. Baking bread is fun, but the fruits of the labor are often copious. Cyril comes to the rescue with some basic recipes that include bread as a main ingredient, including bread crumbs, croutons, bagel chips, French toast, and bread pudding. A second set of extras includes formulas to help make your bread creations sing, with washes and glazes as well as ideas for sweet and savory embellishments to guide your culinary creativity. With simple ingredients and most of the equipment needed already in the kitchen, you'll be filling your home with the heavenly aroma of baking bread in no time!
