While sexually explicit writing and art have been around for millennia, pornography—as an aesthetic, moral, and juridical category—is a modern invention. The contributors to Porn Archives explore how the production and proliferation of pornography has been intertwined with the emergence of the archive as a conceptual and physical site for preserving, cataloguing, and transmitting documents and artifacts. By segregating and regulating access to

sexually explicit material, archives have helped constitute pornography as a distinct genre. As a result, porn has become a site for the production of knowledge, as well as the production of pleasure. The essays in this collection address the historically and culturally varied interactions between porn and the archive. Topics range from library policies governing access to sexually explicit material to the growing digital archive of "war porn," or eroticized combat imagery; and from same-sex amputee porn to gay black comic book superhero porn. Together the pieces trace pornography as it crosses borders, transforms technologies, consolidates sexual identities, and challenges notions of what counts as legitimate forms of knowledge. The collection concludes with a valuable resource for scholars: a list of pornography archives held by institutions around the world. Contributors. Jennifer Burns Bright, Eugenie Brinkema, Joseph Bristow, Robert Caserio, Ronan Crowley, Tim Dean, Robert Dewhurst, Lisa Downing, Frances Ferguson, Loren Glass, Harri Kahla, Marcia Klotz, Prabha Manuratne, Mireille Miller-Young, Nguyen Tan Hoang, John Paul Ricco, Steven Ruszczky, Melissa Schindler, Darieck Scott, Caitlin Shanley, Ramon Soto-Crespo, David Squires, Linda Williams

Molly has now graduated high school and is about to start college but she has that summer in between, the best time to let go and get wild! She gets to play in her very own Manhattan apartment for the summer every which way. Her and her buxom naughty pal get it on with plenty of hot dudes and girls, including debauching an Asian girl, and using some unbelievably huge toys to stretch all openings to the limit!

Frank Quitely's amazing, finely detailed artwork has been gracing the pages of DC Comics since he began illustrating stories in THE BIG BOOK series, from DC's Paradox Press imprint, in the mid-90's. Quitely quickly earned a name for himself illustrating fellow Scotsman Grant Morrison's FLEX MENTALLO, JLA EARTH 2, as well as Neil Gaiman's SANDMAN: ENDLESS NIGHTS. Graphic Ink: The DC Comics Art of Frank Quitely collects all of Quitely's BIG BOOK stories, his ALL STAR SUPERMAN and BATMAN & ROBIN: REBORN covers and much, much more!

A superhero never sleeps, and the sex-psycho Jack the Stripper plays his dirty tricks.

While exploring the astral rifts, Madrid encounters a band of hunky, oh-so-innocent young monks who desperately need her help. She agrees, but not only will this decision test her resolve not to be the person she was, it will pit her against Natasha, the Queen of the Undead!

Yeah! Midnightman has all the advantages comic hero needs: He's good looking, muscular and has quite a bulge in his pants. By the way: He's never tired of adventures and happens to stumble from one breathtaking story into the next. We don't know why he always has to fight against hunky sex maniacs who evoke greedy, well hung demons with their fully loaded sperm cannons. But honestly: Do we care? The important thing is that IcemanBlue's comics are an awful lot of fun, damned horny and make you want more. What more could we ask?

The characters in this highly erotic graphic novel are more than just room-mates, much more. Readers will be amazed at just how quickly they swap between themselves and they're not afraid to share with others at parties either. Gorgeous full colour artwork with a knack for depicting irresistibly sweet chicas.

In a country where all races of human and creature live together, love is blossoming as people don't worry about each other's quirks or appearances. Among them is a clumsy dullahan who's head over heels about her track star boyfriend, a confused boy who questions how to talk to his mermaid crush, and a cute centaur wondering how to confess to her childhood friend. Everyone seems to be catching the love bug except for Setsuka, an icy oni who usually gives humans the cold shoulder. That changes when a determined, kind classmate named Eiji confesses his love to her, lighting a small spark in her chest. With advice from her monstrous friends and equally lovestruck sister, Setsuka's cold heart might turn red hot soon enough!

Dolly's a very good girl -- she's just drawn to be bad! With a body that defies both logic and gravity, our girl's curves have caused men to drive up onto sidewalks just to get a better look! Dolly's "daddy", Blas Gallego created his little darling in a series of full page comic strips that details the daily bump and grind of life as a sex magnet! Much beloved throughout Europe, our little darling is making a trip across the seas to an all-new collection of her misadventures. "The Very Breast of Dolly" contains the entire run of Dolly, and as an added bonus, an "orgy of orgies" -- Gallego's amazing series of full color paintings chronicling the history of excessive sex!

She was the world's first pin-up girl and glamour model. She teased, thrilled and titillated a generation of fighting men, her likeness graced bombers, tanks and tattoos and at the height of her popularity she was enjoyed by over four million readers a day! The new Jane anthology, the first in 20 years collects, together a year's worth of classic cartoon strips as well as some extremely rare, full-color pin-up art not seen in print for over sixty years.
