Widely regarded as one of America's leading strength and fitness professionals, Brad Schoenfeld has won numerous natural bodybuilding titles and has been published or featured in virtually every major fitness magazine. Now the best-selling author brings his expertise to a resource that has everything needed for completing a total-body transformation in just six months. The M.A.X. Muscle Plan 2.0, Second Edition, is packed with step-by-step directions for 106 of the most effective exercises and over 200 photos that demonstrate the revolutionary muscle-building program. Schoenfeld provides a science-based program specifically designed to promote lean gains and help you reach your ultimate muscular potential. The book's three-phase total-body program can be customized to your individual needs to dramatically transform your physique in just six months' time. For those who are relatively new to resistance training or are coming back from a prolonged layoff, there is a M.A.X. break-in routine designed to prepare the body to deal with the rigorous nature of the M.A.X. Muscle Plan program. Further, there are chapters devoted to providing cardio training guidelines and nutrition recommendations, based on the latest scientific research, that complement the M.A.X. Muscle Plan program. The second edition has been completely revamped to include updated science and research-based evidence as well as 12 sidebars that break down specific topics and offer applied examples. Two new chapters have also been added: a chapter with detailed information on the M.A.X. Muscle Plan warm-up and a Q&A chapter that provides answers to 13 common questions Schoenfeld has received since the first edition of the book. Results from The M.A.X. Muscle Plan 2.0 speak for themselves; thousands have successfully transformed their bodies by following the program. It is the blueprint for achieving—and maintaining—maximal muscle development. CE exam available! For certified professionals, a companion continuing education exam can be completed after reading this book. The M.A.X. The most advanced approach to "PowerBuilding", the perfect balance of aesthetic development and strength, combines methods of training at the highest levels of both bodybuilding and powerlifting. Implemented into phases to create the most efficient adaptive response to results, Hybrid Ability is beneficial for any athlete, gym goer, or fitness enthusiast. It lays out a 12 week program, and goes in depth into multiple aspects of the mindset and approach that yields not only progress in the gym, but what creates champions. The program was created directly from the training journal of Nam Shartzter, who is a top contender at the national level in bodybuilding, and is currently the #1 ranked squatter, and on the top 10 All Time Best World Ranking List in Powerlifting. He goes in depth and uses personal references to explain small cues to apply in training; physically and mentally, that have contributed to his experiences as a multiple sport division 1 athlete and his rise to the top in both powerlifting and bodybuilding.

Matt "Kroc" Kroczaleski is a world champion, record holding powerlifter and an NPC bodybuilder known for his grueling, high

intensity workouts. Insane Training is what Kroc is famous for. Not for the faint of heart or average gym-goer, this is for athletes who want to take their training to the max. Are you INSANE enough to try? · Learn how to squat for maximum poundage; · Lift weights anywhere with a little creativity; · Push yourself to the limit with the 1000 rep arm training session; · Smash through your workout plateaus; · Become the ultimate INSANE TRAINING beast!

If muscle growth seems nonexistent, but you don't have time to spend more hours in the gym each day, don't give up. There is a better way. Featuring a revolutionary approach to male physique transformation, *Elite Physique: The New Science of Building a Better Body* offers a fresh approach to body sculpting. Based on scientifically proven strategies for making workouts more effective, *Elite Physique* features over 100 exercises and 50 exercise videos for men seeking training programs designed to build muscle, burn fat, or target those problem areas that are slower to respond to training. Written by Dr. Chad Waterbury, a physical therapist who understands how bodies change with age, *Elite Physique* shows you how to make radical physical changes by manipulating sets, reps, and frequency and by deciding when and how to use advanced training methods. You'll start by performing an honest physical assessment to establish a starting point and more accurately gauge your progress. As you move into exercises for the lower body and upper body, you'll find tips on altering exercises to alleviate stress on primary joints like the shoulders, elbows, wrists, lower back, hips, and knees. Video clips offer demonstrations of many of the exercises, highlighting proper technique and common mistakes. You'll learn the finer points of sculpting the midsection and will be able to create programs to target a lagging body part, either as an add-on to full-body training or as a stand-alone high-frequency training plan. Waterbury also includes advice on how to make staple lifts such as squats, deadlifts, and presses more joint friendly for older, more physically battered lifters. He breaks down how training must change as you age—with a program for a 20-year-old looking different than one for a 50-year-old—to safely pursue your goal of a lean, muscular physique. Designed for men looking for the most effective approach to ignite their physique transformation, *Elite Physique* is a go-to resource. CE exam available! For certified professionals, a companion continuing education exam can be completed after reading this book. The *Elite Physique Online CE Exam* may be purchased separately or as part of the *Elite Physique With CE Exam* package that includes both the book and the exam. Note: A code for accessing the online video is included with this ebook.
