Join the world's hottest pop star on his rollercoaster ride to stardom. Justin tells of his amazing journey from small town school boy to global superstar. Stunningly designed and jam-packed full of exclusive unseen photos of Justin on and off the stage, plus private captured moments, the awesome story of Justin's phenomenal rise to superstardom is a must-have for any true fan.

Justin Bieber's rise from "regular kid" to one of the most famous people on the planet has captivated a nation of devoted fans called "Beliebers." With hit records, 33 million followers on Twitter and the third-largest grossing documentary film of all time, the 18-year-old Canadian pop star dubbed "Super Boy" on Rolling Stone's recent cover has countless fans who hang on his every word. But is there more to this pop idol's startling success than his legendary haircut and unusual talent? "The success I've achieved comes ... from God," Bieber says "I feel I have an obligation to plant little seeds with my fans. I'm not going to tell them, 'You need Jesus,' but I will say at the end of my show, 'God loves you.'" The bold yet humble faith that grounds Bieber's worldview may just be the key to his extraordinary appeal. Recognizing that music and film are the language of this new generation, author and religion journalist Cathleen Falsani's hope is that this book will encourage faith leaders as well as parents to engage with popular culture in a different way so they can better talk to their kids about what matters most.

Justin Bieber chronicles his rise from street performer to global superstar, discusses his favorite charitable causes, and documents his travels around the world, in a volume that includes photographs of the singer on- and offstage.

Accompanied by her fun, fashion-forward and fabulous friends, Harlee's "all-access" press credentials let her get up close and personal with Justin backstage, on the road, and even at major awards ceremonies. Not just a paste-up of Justin Bieber facts, Harlee's columns are full of puzzles, quizzes, and games that bring her devoted readers closer to this top tween celebrity than ever before. Follow Harlee on Justin's trail as she tries to juggle the ups and downs, twists and turns of her everyday teenage life--school, boys, girlfriends, parents, and, of course, staying connected with all things Bieber.

An exploration of how political beliefs are reflected in today's country music features interviews with such artists as the Dixie Chicks, Toby Keith, and Willie Nelson.

Kissing under the mistletoe is all over modern culture, from Harry Potter's first kiss to Justin Bieber's holiday song. Kissing under the mistletoe, a plant that yields white berries can be linked back to a Norse mythology story about the god Baldur. Baldur's mother, Frigg, uses strong magic to ensure that no plant cultivated on Earth can be used as a weapon against her son in the story. Mistletoe is the only plant that is not affected by the spell since it grows on tree branches rather than on the ground. When Loki realizes this, he concocts a mistletoe spear, the weapon that will finally murder Baldur. After her son's death, Frigg declares the mistletoe a sign of love and vows to kiss everybody who passes beneath it, according to numerous versions. "Under the Mistletoe" is a book contributed by 35 authors from the globe who have interpreted the title on their own and have written a piece based on various themes.
