980 B.C. Having succeeded in bringing peace and prosperity to his people, King Solomon, the son of David, is determined to build a magnificent temple on the rock of Jerusalem. A temple where the sacred Ark of the Covenant could be housed. A temple to rival in splendour the great pyramids of Egypt: a land he both loathed and admired. As no Hebrew

craftsman could succeed in such an enterprise, Solomon summoned an expert mason from Phoenicia: Master Hiram, a strange, solitary man well-versed in the innovative techniques of Egyptian architecture. So began an uneasy friendship between the King and the craftsman. A friendship which bridged two very different cultures and civilisations. A friendship thrown in turmoil when the two men fell in love with the same woman: Balkis, the beautiful Queen of Sheba.

The Road to Kalamata is the real-life adventure story of the 4 Commando team of mercenary soldiers, as told by their leader, Col. Mike Hoare. At the close of 1960, the newly formed independent state of Katanga in central Africa recruited Hoare and his team to suppress a rebellion by the Baluba, a

fierce tribe of warriors rumored to be cannibals and known to torture and dismember any enemy soldiers unlucky enough to be captured. The events recounted in this book occurred in the Congo during the Katanga campaign of 1961. With insight that only an officer with extensive battlefield experience can bring to this subject, Colonel Hoare chronicles the metamorphosis of 4 Commando from a loose assembly of individuals into a highly organized fighting unit, while also taking the reader inside the minds and hearts of men who sell their military skills for money. What emerges is a compelling and

complex portrait of genuine adventurers, "a breed of men which," writes Hoare, "has almost vanished from the face of the earth." Paladin Press is pleased to make available once again this engaging, colorful and thoughtful account, originally published in 1989, complete with a new foreword by the 20th century's most famous mercenary and one of its most eloquent storytellers.
