Yellow hates Red, so does Green, and no one likes Orange! Can these crayons quit arguing and learn to cooperate? Shane DeRolf's deceptively simple poem celebrates the creation of harmony through diversity. In combination with Michael Letzig's vibrant illustrations, young readers will understand that when we all work together, the results are much more colorful and interesting.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Give students the tools they need to meet--and exceed--the new language-arts standards in just ten minutes a day! Each book in this series contains 100 reproducible cards stocked with high-interest mini-passages and key questions to quickly hone comprehension skills. Focus topics include main idea and details, making inferences, summarizing, predicting, citing text evidence, author's purpose, and much more. Perfect for whole-class, group, or independent learning.

Concise and focused, the Wonders Reading/Writing Workshop is a powerful instructional tool that provides students with systematic support for the close reading of complex text. Introduce the week's concept with video, photograph, interactive graphic organizers, and more Teach through mini lessons that reinforce comprehension strategies and skills, genre, and vocabulary Model elements of close reading with shared, short-text reads of high interest and grade-level rigor

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. From the author-illustrator of Bright Star, Dreamers is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, Soñadores, is also available. Winner of the Pura Belpré Illustrator Award! A New York Times / New York Public Library Best Illustrated Book A New York Times Bestseller Recipient of the Flora Stieglitz Strauss Award A 2019 Boston Globe - Horn Book Honor Recipient An Anna Dewdney Read Together Honor Book Named a Best Book of 2018 by Kirkus Reviews, Publishers Weekly, School Library Journal, Shelf Awareness, NPR, the Boston Globe, the Chicago Tribune, the Chicago Tribune, Salon.com-- and many more! Nonfiction Honoree A Bulletin of the Center for Children's Books Blue Ribbon title A Bank Street Best Children's Book of the Year A CLA Notable Children's Book in Language Arts Selected for the CBC Champions of Change Showcase

Applying the Standards: STEM for fifth grade offers 64 pages of highly engaging STEM tasks. It includes a problem-solving rubric and guided pages that walk students through completing each step of the STEM process. Fifth graders will complete tasks in areas such as the human body, furniture design, pendulum physics, environmental building, and friction. The Applying the Standards: STEM series emphasizes creativity and innovation in science, technology, engineering, and math. This is a series of six 64-page books for students in kindergarten through grade 5. A variety of topics are covered with 30 engaging tasks, and a culminating reflection question for each task encourages students to think about and apply their newfound learning and knowledge.

A moving story about one family's daring journey from Poland to America and their hope for a better future in their new home. Kryisia does not want to leave her home and her friend, Michi, but there are soldiers with guns on the streets and her mother says that they must go. Kryisia, her two brothers, and her mother pack their favorite belongings and begin the long, harrowing journey to America. Kryisia is scared but she finds courage when she thinks of her father waiting for her in America with the promise of a better tomorrow. Inspired by Maxinne Rhea Leighton's father's journey from Poland to America, this is a powerful reminder of the beacon of hope and opportunity that Ellis Island symbolized and the importance of family at Christmastime.

A lonely little bird named Choco goes in search of a mother.

In this e-book edition, Tomie dePaola retells his classic story against a charming musical score. Strega Nona—"Grandma Witch"—is the source for potions, cures, magic, and comfort in her Calabrian town. Her magical ever-full pasta pot is especially intriguing to hungry Big Anthony. Big Anthony is supposed to look after her house and tend her garden, but one day, when she goes over the mountain to visit Strega Amelia, he recites the magic verse over the pasta pot, with disastrous results.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.
