You are to lay His commandments on your own heart, and if you are not keeping His commandments, then when you say something is coming from God, you are a LIAR and a FALSE PROPHET! Jeremiah 23:16, 26. Thus saith the LORD of hosts, Hearken not unto the words of the prophets that prophesy unto you: they make you vain: they speak a vision of their own heart, and not out of the mouth of the LORD.

For a Kentucky girl, coming of age takes a leap of faith in a novel that "will knock you sideways with its Southern charm" (O, The Oprah Magazine). It's summer in Kentucky. The low ceiling of August is pressing down on the religious town of East Winder, and on thirteen-year-old Charmaine Peake who can't shake the feeling that she's being tested. She and her mother get along better with a room between them, but circumstances have forced them to relocate to a tiny trailer by the river. The last in a line of local holy men, Charmaine's father has turned from prophet to patient, his revelation lost in the clarifying haze of medication. Her sure-minded grandmother has suffered a stroke. And at church, where she has always felt most certain, Charmaine discovers that her archrival, a sanctimonious missionary kid, carries a dark, confusing secret. Suddenly Charmaine's life can be sorted into what she wishes she knew and what she wishes she didn't. In a moving, hilarious portrait of mothers and daughters, "one of the most astonishingly talented writers today," brings us into the heart of a family weathering the toughest patch of their lives. But most of all, Angela Pneuman marks out the seemingly unbearable realities of growing up, the strength that comes from finding real friendship, and the power of discovering—and accepting—who you are (Julie Orringer). "Pneuman captures the voice of adolescence and the uncertainty of faith in this endearing novel." —Minneapolis Star-Tribune "Pneuman is a master of dark comedy, and the grimmer the material, the funnier it becomes in her twisted but capable hands. Like her literary ancestor, Flannery O'Connor, she shows how myopic allegedly religious people can be, but she doesn't take cheap shots at religion either." —San Francisco Chronicle

You're never ready for calamity to strike. Carol Kent and her husband Gene were devastated by the news that their son had killed the man who married his ex-wife. Gene and Carol were buoyed in their faith by eight principles, gleaned from the story of Abraham and Isaac: Over the course of eight chapters Carol explores the power of unthinkable circumstances, relinquishment, heartache, community, hope, faith, joy, and speaking up.

The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, Bury My Heart at Wounded Knee generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, Bury My Heart at Wounded Knee inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

A RECOVERY HISTORY AND ROCK N ROLL BOOK ALL ROLLED INTO ONE It just may just be the Book Baby boomers have been waiting for. This self published semi Historical Biography contains elements of the past Sixty years many will feel has taken them back in time. It is the story of a impoverished child who finds Rock n Roll at the age of 14 in 1955. Six years later he is at the height of the Sixties Music Scene on the East Coast. As a Rock n Roll Musician in those years he discovers the true psychic nature of the stirrings of his soul during a stay in the legendary Greenwich Village of the early Sixties. While there he becomes familiar with all the soon to be legends including Bob Dylan. One year later he associates with other soon to be legends including Jimi James Hendrix. The Animals while backing up some of the largest recording acts in the world including Jerry Lee Lewis, The Ronnettes, Shangri-Las-Others. His band the Teemates were the FIRST and foremost exact look and sound alike of the Beatles and the electrifying performances drew huge numbers of screaming girls at their Concerts Soon he and his band are the House band for the legendary Sixties Disc Jockey Scot Muni at Scots entry into the Nightclub business which opened in 1965 called The Rolling Stone Disco. From there the band became the Matinee House band at the legendary Big Band Dixie land nightclub on Broadway called The Metropole Cafe. Within months an LP is released (Which is still in demand today) Sadly he also discovers that with all of its pomp and glory being a musician in those days the subtle risks involved carry a deadly trait as well. Within the rapidly passing years of time his addiction to alcohol soon took its toll until he no longer had any idea of who he was or where to go. But he did find recovery from his addictions. Only to realize that years would be required to undo the damage of a severely damaged emotional state of being.In summary a great many will discover his experience of repairing that damage is available for anyone willing to follow his lead.

Although I have published more than 35 scientific and technical reports, this book is my first attempt at Creative Nonfiction writing. In the early days of my youth, my family lived a nomadic life style, taking possession of unattended shelter wherever we could find it. We lived in tents, crumbling log cabins, abandoned houses, a barn, a school bus, and even a chicken coop. This is the tale of my life during those years as my mother and father slowly (but somewhat reluctantly) lifted themselves out of the post-Depression era into contemporary society. I was 16 before we had a home of our own that had indoor plumbing, electricity, and a telephone. My brothers and I never minded the way we lived and, in fact, were quite happy with our way of life. If I have taken literary liberties in relating a few, otherwise mundane, incidents to spin a yarn, it was only to entertain, not to alter the facts of history. The anecdotes are real, even if the telling is a bit embellished at times.

This book explores changing gender and religious roles for Catholic men and women in the British Isles from Henry VIII's break with the Catholic Church in 1534 to full emancipation in 1829. Filled with richly detailed stories, such as the suppression of Mary Ward's Institute of English Ladies, it explores how Catholics created and tested new understandings of women's and men's roles in family life, ritual, religious leadership, and vocation through engaging personal narratives, letters, trial records, and other rich primary sources. Using an intersectional approach, it crafts a compelling narrative of three centuries of religious and social experimentation, adaptation, and change as traditional religious and gender norms became flexible during a period of crisis. The conclusions shed new light on the Catholic Church's long-term, ongoing process of balancing gendered and religious authority during this period while offering insights into the debates on those topics taking place worldwide today.

With a Hammer for My Heart is the story of Lawanda, a precocious, poverty-stricken fifteen-year-old girl from Cardin, Kentucky, who dreams of attending college. When Lawanda's friendship with an alcoholic World War II veteran named Garland is misinterpreted by their fellow townspeople, a tragedy calls her future into question.
