Lazarus (The Henchmen MC Book 7) eBook: Gadziala, Jessica ...

As with all Henchmen tales, their story does not run smoothly, and as often happens in criminal-laden Navesink Bank, bad things happen. This is a thrilling, heart-warming book - thoroughly engaging and absolutely brilliant. As with all Jessica Gadziala books, I dropped everything to read this ARC and loved every second of it.

The war was over. The dust had settled. The numbers were increasing. Everything had finally started to calm down. Until one night on a walk, I came across her...

They knew she was going to strike back for taking down her empire, for imprisoning her for years.All those years stuck in a cell gave her a lot of time

Get Free Lazarus The Henchmen Mc Book 7

to think, to plot, to plan her revenge. But they couldn't have anticipated this.* This can not be read as a standalone.** This is also not a romance. This is a dramatic suspense story told from many POVs including old favorites and some new faces, all dealing with the events before, during, and after V's eventual demise.

Cyrus - Family. Brotherhood. Music. Women. That was pretty much my life. And it was one I was happy with too. Until I came across her- the one woman I knew I had no right to put my hands on, the woman who I still felt such a connection with that, even though I knew I had to keep my hands - and other body parts - to myself, I wanted to be in her life. So I became her friend. Except, this sweet, shy, bookworm was making being honorable a hell of a lot harder than I expected. Reese Family. Books. To be perfectly honest, that was pretty much all my life was about. And I was happy with that. I lived a thousand lives. I saw and felt things in stories I never could have otherwise. Besides, real life was never as good as books. Until I came across him. He was leading man material if I ever saw it. You know, just not for me. He made that perfectly clear. We were going to be friends. Friends. That was it. Except, maybe that simply wasn't enough...

MAZE: In concept, the plan was simple: prospect at The Henchmen MC. In practice, however, it was anything but. One, because I was a woman. Two, because it was a brotherhood. And three, because Repo, the man who was in charge of making my life a living hell until I quit or screwed up enough to get thrown out, also happened to be the hottest guy I had come across in ages. The problem was, if I didn't get in and stay in despite the hazing from the members and the undeniable attraction building between me and Repo, there was a very good chance I would be found by them. And if I was found by them, well, I was dead. REPO: How the hell was I supposed to get her out of the MC when, one, I didn't agree with the fact that because she was a woman, she had no place in The Henchmen. Two, because she was strong, smart, capable, and determined to get a patch. And three, because, well, I wanted her. The problem was, if I didn't get her kicked out, I would be screwing up a job that was important to the prez. But the problem was also that if I kicked her out, there was no way I was going to get a shot with her. I didn't know, however, that the real problem was a lot more complicated and a lot more dangerous than disappointing my boss or not getting laid... the problem was Maze had demons and they were hot on her trail...

CASH My life has been about three things- brotherhood, good times, and women. Easy. Nothing complicated. That was until Willow Swift came barging back into my life, face bloodied, banging at the gates of The Henchmen compound calling in a favor owed. Now a marker is a marker and I had to make good, but if there was one woman in the world I didn't need in my life, it was the hard-as-stone, hot-as-sin Willow Swift and whatever mysterious ghosts from her past that were haunting her present. WILLOW My life has been nothing but two things: hard and complicated. The last person I wanted in my business was the notorious love-em and leave-em Cash, but I needed help and he was the only one I could lean on without worrying about him finding out about my past. But I was starting to wonder if maybe he was his own kind of dangerous bent on making me believe in some things I had long since learned were not possible for me- like falling for a guy I could not, ever, let see the real me.

Pagan- Fighting. F@cking. F@cking things up. That was my life. That was how I got out of the world I had been raised in. And it was how I intended to keep living my life. That was, of course, until I came across her. The game changer. Kennedy- Hard work. That was pretty much all you could say my life consisted of. It was what got me out of a rough childhood. It was what made me get my first taste of success. Before things went to hell, that is. But it was what was going to get me back on my feet too. So I didn't need any distractions. Certainly not one that came covered in scars, blood, leather, and in a cloud of cigarette smoke. Yet, there he was. And I was thinking maybe a distraction wouldn't be that bad, right?

It meant war. DUKE The relative peace we have known for years was gone in one violent act. Then, among the ever-present and increasingly bloody unknown threat, I met her. But when passions ignite, complicating an already impossible situation, I am left to wonder if there is a way to overcome the dark and twisted secrets of my past that would allow me to have any kind of future with her. PENNY I was just a normal girl. I swear. One moment, I was just living my usual boring life. The next, I found myself in the middle of some kind of underground war between an outlaw biker gang and some faceless enemy. Trapped in a whole new world and in ever-increasing close proximity to the tall, strong, long blond-haired, deep blue-eyed biker named Duke, yeah, let's just say things got even more interesting. But Duke had secrets. And when they came into the light, I realized they were the kind that I wasn't sure I could live with...

Reeve I had long since given up hope of the pursuit of genuine happiness. It wasn't possible after all the sh*t I had been through. I had my siblings, my club, a purpose in life. It was enough. Until I came across her. She represented everything that I knew I couldn't have - stability, a future, a way out of my past. And, it seemed, the harder I tried to keep her at a distance, to protect her from my reality, she only got in deeper, only pulled me closer. Then, one night, an old face popped up in Navesink Bank. And everything changed forever. Rey I liked my life. I liked the freedom and simplicity of it, even if it was, perhaps, a little lonely. Then one night, there he was. With the saddest eyes I had ever seen. He represented everything my life didn't need - chaos, violence, uncertainty. But, at the same time, everything it was lacking - companionship, connection. He tried to fight it, to keep up his

Get Free Lazarus The Henchmen Mc Book 7

guards, to keep me at arm's length. But, well, fate had other plans. That was the night everything changed. Down an alley, facing down a new, yet familiar, big bad in Navesink Bank, forcing us together, making us confront the reality of what was happening between us. Trapped together, waiting for the winds to blow over, he finally trusted me enough to let me in, to give us a shot, to invite me into his family. That is, if all of us survived the upcoming storm...

Roderick He joined the MC for many reasons. To be able to financially take care of his mother and sisters, to have fun, to let loose, to meet women. But only casually. Only for a night or two. He wasn't ready to settle down. Until one day, when the president gives him a job. Just drop the guns, get the money, come home. Don't f- it up. Except everything goes to hell. And he has just six weeks to find the woman who stole the guns, work with her to track down replacements, and try not to get too distracted. The problem being, Livianna - the gun-running leader of a rag-tag group of arms dealers turns out to be one hell of a distraction...

Virgin - Growing up in MCs, he was used to the status quo. Brotherhood. Parties. Women in passing. And he was sure that was all he would ever want - or need. Until one night, he came across her. Freddie - She had ten years to make up for. Old bonds to reinforce. Revenge to plot and execute. The last thing she expected was an arms-dealing biker to come into her life, making her second-guess all her plans for her future...
