Le Vide Patrick Senecal - w1.kartrocket.com

Patrick Sénécal a le don de mettre mal à l'aise. Non parce qu'il va dans le trash ou dans l'excès mais parce qu'il assène des vérités qui peuvent déranger. Avec Le vide, pavé de 900 pages, c'est une vision de notre société que nous dépeint l'auteur et qui m'a marqué parce qu'elle fait réfléchir sur...

Sergent-détective à la police municipale de Drummondville, il enquête sur un quadruple meurtre qui toutes les apparences d'un crime passionnel.

Patrick Senecal - Le Vide T01 Vivre au Max 2011 - LIVRE ...

"Le Vide" de Patrick Sénécal - La chronique au bord du gouffre... Avec "Le Vide", on se sent happé dans un univers tourbillonnant, un abysse sans fond.C'est une expérience aux confins de la folie que nous délivre un Patrick Sénécal qui pète la forme. "Le Vide", c'est tout d'abord une intrigue très originale dans l'approche, encore plus quand on sait qu'elle a été écrite en 2006.

Drummondville, Québec. Diane Nadeau tue son ex, sa nouvelle femme et leurs jumeaux au fusil de chasse. Elle essaie de se donner la mort ensuite, mais un policier l'arrête. Interrogée, elle refuse de parler et réclame qu'on la laisse se suicider. Frédéric Ferland est psy. Blasé, rongé par l'ennui, il recherche l'excitation par tous les moyens mis à sa disposition, légaux puis beaucoup moins... Mais invariablement, la lassitude le rattrape. Max Lavoie était PDG d'une très grande entreprise, héritée de son père. Milliardaire humaniste, il se destinait à l'enseignement, mais a dû prendre la succession contre son gré et s'est efforcé de «moraliser» son entreprise sans grand succès. Suite à une visite d'usine en Gaspésie, deux ans plus tôt, il est revenu accompagné d'un garçon mutique de 11 ans qui désormais le suit partout. Depuis, il a vendu presque toute ses actions, a quitté le comité d'entreprise et s'est jeté corps et âme dans une émission racoleuse et dégradante au succès fulgurant : «Vivre au max». Le show de télé-réalité débute sa saison 2 malgré les débats, scandales et plaintes. Max Lavoie, qui la finance, la produit et la présente propose aux participants de réaliser leur rêve ultime : expériences sexuelles hors-normes, défi physique insensé, revanche personnelle ou, beaucoup plus rarement, geste philanthropique. Tous sont liés, consciemment ou inconsciemment, par le même lien tragique et implacable : le vide qui peu à peu s'ouvre sous leurs pieds.

the gripping, dark tale of a man searching for answers. What happens in the mind of a man when, all of a sudden, he loses all reason for living? When everything in his life collapses around him and he is left with nothing, wondering why fate has been so scornfully unremitting. What stops one from becoming monstrous when morality is no longer an issue? Those are the questions facing the central character of Against God.

Pierre Sauvé : A l'orée de la quarantaine, veuf, père d'une fille de vingt ans. Sergent-détective à la police municipale de Drummondville, il enquête sur un quadruple meurtre qui a toutes les apparences d'un crime passionnel. Frédéric Ferland : Début de la cinquantaine, divorcé, père de deux adultes qu'il ne voit guère, il cherche depuis des années l'excitation ultime, celle qui donnera un sens à son existence et à la vie en général, qu'il a toujours trouvée terne. Psychologue, il exerce sa profession dans la ville de Saint-Bruno. Maxime Lavoie : Trente-sept ans, célibataire, idéaliste... et milliardaire. Il y a deux ans, il a quitté ses fonctions de président de Lavoie inc. pour devenir le producteur et l'animateur de Vivre au Max, l'émission de télé-réalité la plus controversée de l'heure... mais aussi la plus populaire. Trois hommes différents, trois existences que tout sépare. Or, contre toute attente, leurs chemins se croiseront bientôt et leur vie en sera bouleversée à jamais. Tout comme celle de milliers de gens... tout comme la vôtre !

For fans of Stephen King's *Misery* and Jo Nesbø's *The Snowman* comes an engrossing thriller about a monster who becomes a victim and a victim who becomes a monster. From Patrick Senecal, the Quebec author who has sold over a million books worldwide. One sunny fall day, Dr. Bruno Hamel's life changes forever. His beloved seven-year-old daughter, Jasmine, is the victim of a tragic crime. Grief-stricken, Hamel sets in play a meticulous plan. He will kidnap the man responsible for his daughter's death and make him pay horribly for what he has done. He manages to ambush a police transport and disappear with his target. But Hamel hasn't accounted for Hervé Mercure, a detective with a troubled past who becomes certain he can track down Hamel by studying clues in his past—and in the increasingly unsettling phone calls Hamel makes to his partner, Sylvie. Both riveting and provocative, this daring thriller is an enthralling meditation on what it means to be human—and to battle the monster within and without.

Thirty years on the beat in Montreal's teeming immigrant district have caused Lieutenant La Pointe to develop a tough brand of rough justice that finally fails him as he confronts the realities of a police force and a justice system that has dramatically evolved over the years. Reprint. 25,000 first printing.

"Superb and subtle psychological suspense."—Lee Child A haunting novel from the author of *The Weight of Blood* about a young woman's return to her childhood home—and her encounter with the memories and family secrets it holds ITW THRILLER AWARD FINALIST Arrowood is the most ornate and grand of the historical houses that line the Mississippi River in southern Iowa. But the house has a mystery it has never revealed: It's where Arden Arrowood's younger twin sisters vanished on her watch twenty years ago—never to be seen again. After the twins' disappearance, Arden's parents divorced and the Arrowoods left the big house that had been in their family for generations. And Arden's own life has fallen apart: She can't finish her master's thesis, and a misguided love affair has ended badly. She has held on to the hope that her sisters are still alive, and it seems she can't move forward until she finds them. When her father dies and she inherits Arrowood, Arden returns to her childhood home determined to discover what really happened to her sisters that traumatic summer. Arden's return to the town of Keokuk—and the now infamous house that bears her name—is greeted with curiosity. But she is welcomed back by her old neighbor and first love, Ben Ferris, whose family, she slowly learns, knows more about the Arrowoods' secrets and their small, closed community than she ever realized. With the help of a young amateur investigator, Arden tracks down the man who was the prime suspect in the kidnapping. But the house and the surrounding town hold their secrets close—and the truth, when Arden finds it, is more devastating than she ever could have imagined. Arrowood is a powerful and resonant novel that examines the ways in which our lives are shaped by memory. As with her award-winning debut novel, *The Weight of Blood*, Laura McHugh has written a thrilling novel in which nothing is as it seems, and in which our longing for the past can take hold of the present in insidious and haunting ways. Praise for Arrowood "This robust, old-fashioned gothic mystery has everything you're looking for: a creepy old house, a tenant with a secret history, and even a few ghosts. Laura McHugh's novel sits at the intersection of memory and history, astutely asking whether we carry the past or it carries us."—Jodi Picoult "An eloquently eerie tale."—Booklist "Poignant . . .

lyrical.”—Publishers Weekly (starred review) “A chilling, twisting tale of family, memory, and home . . . This engaging and thrilling tale about a young woman’s homecoming, the vagaries of memory, and the impact of tragedy on both a town and a family is a terrific choice for Laura Lippman and Sue Grafton readers.”—Library Journal (starred review)

Andy Gage was born in 1965 and murdered not long after by his stepfather. . . . It was no ordinary murder. Though the torture and abuse that killed him were real, Andy Gage's death wasn't. Only his soul actually died, and when it died, it broke in pieces. Then the pieces became souls in their own right, coinheritors of Andy Gage's life. . . . While Andy deals with the outside world, more than a hundred other souls share an imaginary house inside Andy's head, struggling to maintain an orderly coexistence: Aaron, the father figure; Adam, the mischievous teenager; Jake, the frightened little boy; Aunt Sam, the artist; Seferis, the defender; and Gideon, who wants to get rid of Andy and the others and run things on his own. Andy's new coworker, Penny Driver, is also a multiple personality, a fact that Penny is only partially aware of. When several of Penny's other souls ask Andy for help, Andy reluctantly agrees, setting in motion a chain of events that threatens to destroy the stability of the house. Now Andy and Penny must work together to uncover a terrible secret that Andy has been keeping . . . from himself.

“Marked by [McDermid’s] trademark stunners, including a climax that packs a vicious punch. And readers are again left to marvel at her ingenuity.” —Jay Strafford, Richmond Times-Dispatch From one of the finest crime writers we have, *The Vanishing Point* kicks off with a nightmare scenario—the abduction of a child in an international airport. Stephanie Harker is in the screening booth at airport security, separated from Jimmy Higgins, the five-year-old boy she’s in the process of adopting, when a man in a TSA uniform leads the boy away. The more Stephanie sounds the alarm, the more the security agents suspect her, and the further away the kidnapper gets. It soon becomes apparent that nothing in this situation is clear-cut. For starters, Jimmy’s birth mother was a celebrity—living in a world where conspiracy and obfuscation are excused for the sake of column inches. And then there are the bad boys in both women’s pasts. As FBI agent Vivian McKuras and Scotland Yard Detective Nick Nicolaidis investigate on both sides of the pond, Stephanie learns just how deep a parent’s fear can reach. And the horrifying reality is that she has good reason to be afraid—for reasons she never saw coming. “[McDermid’s] work is taut, psychologically complex and so gripping that it puts your life on hold.” —The Times (London)

For more than two decades, the concept of student engagement has grown from simple attention in class to a construct comprised of cognitive, emotional, and behavioral components that embody and further develop motivation for learning. Similarly, the goals of student engagement have evolved from dropout prevention to improved outcomes for lifelong learning. This robust expansion has led to numerous lines of research across disciplines and are brought together clearly and comprehensively in the *Handbook of Research on Student Engagement*. The Handbook guides readers through the field’s rich history, sorts out its component constructs, and identifies knowledge gaps to be filled by future research.

Grounding data in real-world learning situations, contributors analyze indicators and facilitators of student engagement, link engagement to motivation, and gauge the impact of family, peers, and teachers on engagement in elementary and secondary grades. Findings on the effectiveness of classroom interventions are discussed in detail. And because assessing engagement is still a relatively new endeavor, chapters on measurement methods and issues round out this important resource. Topical areas addressed in the Handbook include: Engagement across developmental stages. Self-efficacy in the engaged learner. Parental and social influences on engagement and achievement motivation. The engaging nature of teaching for competency development. The relationship between engagement and high-risk behavior in adolescents. Comparing methods for measuring student engagement. An essential guide to the expanding knowledge base, the Handbook of Research on Student Engagement serves as a valuable resource for researchers, scientist-practitioners, and graduate students in such varied fields as clinical child and school psychology, educational psychology, public health, teaching and teacher education, social work, and educational policy.

How Much Do You Think You Know about Korea? Get a glimpse of the many faces of Korea in illustration form Kimchi, K-pop, taekwondo, Samsung—the images that most people get when they think of Korea don't stray much beyond the usual ones. But there are so many more fascinating sides to Korea. A cultural anthropologist with over 20 years of personal experience in Korea, author Benjamin Joinau introduces readers to the various faces of Korea outside those that Koreans typically like to present, guided by Elodie Dornand de Rouville's refreshingly original and detailed illustrations—Korean society through the eyes of two foreigners. Grab a copy and let's take a look at the real faces of Korea, past and present.
