 The London Dungeon is a thrilling attraction that will whisk you back to the capital's most perilous past. Will the 19 live shows and 2 thrilling rides claim you?

A Block-by-Block Guide For kids tired of Mickey but still too timid to try Universal's coasters, the ever-growing Legoland Florida offers a multi-day getaway within driving distance of Disney. And this is your instruction manual. Theme park veteran Amy Bashor assembles the many lands and attractions of Legoland Florida into a comprehensive and comprehensible guide for those "day tripping" from Disney or for those who plan to spend their entire vacation at the park. Bashor also shows you how to get your bricks wet at Legoland Water Park, why you should consider a "glamping" trip at nearby Cypress Campground, and what the future holds for Legoland (pirates, matey). Make your Legoland Florida visit a snap

Siblings embark on a wild road trip in this vaudeville-inspired one-act play. Cast of 1 woman and 1 man.
 A stunning new collection of stories from the Man Booker Prize- and Whitbread Prize-shortlisted author.Many of Legoland's fifteen stories begin with Woodward's sharp and unflinching eye alighting upon an apparently everyday detail or situation, but then a sudden twist takes them to an unsettling place where life's normal rules no longer apply. Whether he's writing about domestic subjects - such as in 'The Unloved', when a woman in a dysfunctional marriage finally leaves home after decades of misery; or tackling large issues on a global stage - the tyranny of dictators in 'The Fall of Mr and Mrs Nicholson'; or the invasion of an unnamed country in 'The Flag', each story is full of Woodward's blacker-than-black humour, fearless surrealism, and gift for phrase-making.The collection also includes Woodward's brilliant story 'The Family Whistle', shortlisted for the Sunday Times EFG Short Story Award, in which a woman's husband returns home from war, only to discover his wife thinks he's been back for years because another man has already claimed his place.Legoland celebrates Woodward's gift for clarity, wit and surprise: his lithe prose and willingness to ignore convention carrying us from comedy to tragedy and back again, sometimes in a single story; it confirms him as one of the most gifted and original writers of our time.

If you are planning to visit the Legoland theme park in Carlsbad, California, this book contains all the information you need to make the most of your family adventure. The book also includes information about other area attractions, local restaurants and hotels.
 Join Aila and her family for some fun in Legoland! Having photos with lots of Lego-made things surely will be fun! There were lots of ups and downs in the journey... Let's see Aila's side of her story!

On a family trip to Legoland park in Denmark, Aaron answers the queen's call for help and finds himself riding a knobby, plastic, little horse searching for a kidnapped prince in the western town of Legorado.
