promoting the health and wellness of mothers and newborns. This edition includes the latest advances and practice standards in maternity nursing care, highlighting Healthy People 2020 and the 2011 Joint Commission National Patient Safety Goals. Part of the popular LPN Threads series, this text addresses the knowledge,

Online Library Leifer Maternity

skills, and scope of
practice appropriate for
LPN/LVN and
LPN/LVN-to-ADN
ladder programs.

Chronological
organization of content
follows a sequence from
family issues, fetal
development, pregnancy,
labor, birth, and care of
the newborn, to
postpartum issues with
special social, familial,

Online Library Leifer Maternity

and cultural
considerations.

Organization of concepts
in each chapter by simple
to complex and from
health to illness makes it
easier to locate and
understand the material.
Complete, concise
coverage includes a table
of physiologic and
psychosocial changes
throughout the
pregnancy, unique

Online Library Leifer Maternity

And Pediatric
Nursing Nclex

content on CPR for the pregnant patient and infectious diseases acquired during pregnancy, a pictorial story of a vaginal birth, cultural considerations of pregnancy and maternal care, and nursing responses to loss, death, and grief. UNIQUE! A FREE Study Guide in the back of the book reinforces understanding

Online Library Leifer Maternity

with multiple-choice, fill-in-the-blank, scenario-based clinical situation questions, and online activities. Nursing Care Plans with critical thinking questions help in understanding how a care plan is developed, how to evaluate care of a patient, and how to apply your knowledge to clinical scenarios. Health Promotion boxes and

Online Library Leifer Maternity

And Pediatric
Nursing Nclex

content focus on family-centered care, health promotion, illness prevention, and women's health issues. Clinical Pathways use an interdisciplinary, collaborative-care approach in tracking interventions along a timeline from assessment to discharge and follow up. Online resources for further research and

Online Library Leifer Maternity

study are included at the end of each chapter.

UNIQUE! LPN Threads make learning easier, featuring a 10th-grade reading level, key terms with phonetic pronunciations and text page references, chapter objectives, special features boxes, and full-color art, photographs, and design. Coverage of the latest advances in

Online Library Leifer Maternity

nursing care includes fetal heart rate monitoring during labor and delivery and revised diabetes classifications.

Get Ready for the NCLEX® Examination! section at the end of each chapter includes key points, review questions, and critical thinking questions for individual, small group, or classroom review. Safety

Online Library Leifer Maternity

Alert! boxes highlight 2011 Joint Commission National Patient Safety Goals, with special consideration for serious and potentially fatal medication errors. Easily recognizable icons for standard steps are included in each skill (e.g., hand hygiene). **UNIQUE!** Icons in page margins point to relevant animations and video

One of the most
complete nursing
education learning
systems available, Virtual
Clinical Excursions 4.0
(VCE) is an interactive
print and online
workbook that guides
you through a virtual
hospital where the

Online Library Leifer Maternity

And Pediatric
Nursing Nclex

patients are real and their conditions are constantly changing. Each lesson features a core reading assignment from Introduction to Maternity and Pediatric Nursing, 8th Edition along with activities based on "visiting" the patients in the hospital. By immersing you in a realistic, yet safe, nursing environment, VCE

Online Library Leifer Maternity

simulates the average clinical rotation by allowing you to conduct a complete assessment of a patient and set priorities for care, collect information, analyze and interpret data, prepare and administer medications, and reach conclusions about complex problems. This unique virtual setting is the best way to learn

Online Library Leifer Maternity

And Pediatric
Nursing Nclex

about the complexities of patient care by giving you the perfect environment to practice what you've learned. Duration for access to this product, which may be at the discretion of your institution, is up to 36 months. Elsevier reserves the right to restrict or remove access due to changes in product portfolio or other market

Online Library Leifer Maternity

And Pediatric
Nursing Nclex

conditions. Updated drug reference includes a comprehensive set of the latest drug monographs to help you make the best clinical judgments to complete each case.

Online workbook lessons guide you throughout the patient scenarios to collect information, make decisions, and set priorities. Vital signs tool within each patient's

Online Library Leifer Maternity

room allows you to
check the patient's status
at critical moments, and
promotes safe practice.

Nurse-client interaction
videos depict

conversations and
situations involving
nurses, patients, family
members, and hospital
staff to help you discern
between

communications that are
ideal and those that need

Online Library Leifer Maternity

improvement. Unique records that house data from the virtual patient's hospital stay allows you to record new findings to see how the data for different attributes has changed over time.

Laboratory guide provides standard value ranges for all laboratory values offered within the virtual patient hospital, so you can confirm and

Online Library Leifer Maternity

compare standard lab values against your patients' test results.

Physical examination experience with unique images and assessment findings advance your understanding of each patient's system assessments. Patient medication administration enhances your ability to think critically about safe

Online Library Leifer Maternity

And Pediatric
Nursing Nclex

medication practices and follow safe medication standards. Allows for easy and quick access to various patient charts, including Physician's Orders, Laboratory Reports, Patient Education, Nursing Admission, and many more. Kardex nursing information regarding patients' acute care provides quick access to

Online Library Leifer Maternity

vital information such as physician's orders, laboratory reports, patient education, nursing admission, and more, offering a richly detailed portrait of the patient. NEW! Updated content from Introduction to Maternity and Pediatric Nursing, 8th Edition addressed through patient care activities in

Online Library Leifer Maternity

the VCE workbook,
providing you with active
learning of the latest
evidence-based care.
